

EAST COVENTRY TOWNSHIP
BOARD OF SUPERVISORS
CHESTER COUNTY, COMMONWEALTH OF PENNSYLVANIA
ORDINANCE NO. 2024-267

“Municipal Waste Collection and Recycling Ordinance”

AN ORDINANCE AMENDING THE CODE OF ORDINANCES OF EAST COVENTRY TOWNSHIP, CHESTER COUNTY, PENNSYLVANIA, CHAPTER 20 (MUNICIPAL WASTE COLLECTION AND RECYCLING), BY DELETING THE EXISTING CHAPTER IN ITS ENTIRETY AND REPLACING IT WITH A NEW CHAPTER 20 ENTITLED “MUNICIPAL WASTE COLLECTION AND RECYCLING” INCLUDING TITLE, DEFINITIONS, RULES FOR COLLECTION, RECYCLING REQUIREMENTS, RECYCLING COMMUNITY ACTIVITIES, LEAF WASTE, OWNERSHIP OF RECYCLABLE MATERIALS, PROHIBITED ACTS, VIOLATIONS AND PENALTIES AND CONSTRUAL.

The Board of Supervisors of East Coventry Township does hereby **ENACT** and **ORDAIN:**

SECTION I. - Amendment to the Code.

The Code of Ordinances of East Coventry Township, Chapter 20 (Municipal Waste Collection and Recycling) is hereby amended to delete the existing Chapter 20 in its entirety and replace it with a new Chapter 20 as follows:

Chapter 20
Municipal Waste Collection and Recycling

Part 1 Municipal Waste Collection and Recycling

§20-101. Title.

This Chapter shall be known and may be cited as the "Municipal Waste Collection and Recycling Ordinance."

§20-102. Definitions.

1. As used in this Chapter, the following terms shall have the following meanings:

ACT 97

The Solid Waste Management Act of 1980, as amended.

A building or buildings under single or multiple ownership and designed as a residence for four or more families living independently of each other and doing their own separate cooking therein, including apartments townhomes, or condominiums.

MUNICIPAL ESTABLISHMENT

Of or pertaining to any office or other property under the control of any branch or arm of the Federal Government of the United States of America, the Commonwealth of Pennsylvania, or any political subdivision of the Commonwealth of Pennsylvania including, but not limited to, the Township, any counties, cities, boroughs, and municipal authorities.

MUNICIPAL WASTE

Any garbage, refuse, industrial lunchroom or office waste and other material, including solid, liquid, semisolid commercial, material, resulting from the operations of residential, municipal, commercial or institutional establishments and from community activities and sludge not meeting the definition of residential or hazardous

waste in the Solid Waste Management Act, Act of July 7, 1980, P.L. 380, No. 97, as amended, 35 P.S. § 6018.101 et seq., from a municipal, commercial or institutional water supply treatment plant, wastewater treatment plant or air pollution control facility. The term does not include source-separated recyclable materials or leaf waste.

MUNICIPAL WASTE COLLECTOR

Any collector, remover, transporter, and disposer of municipal waste, recyclable materials, and/or leaf waste for owners or occupants of single-family residential establishments, multi-family residential establishments, commercial establishments, institutional establishments, municipal establishments, and community activities in the Township.

MUNICIPAL WASTE CONTAINER

A container designated by the property owner or resident for the storage of municipal waste. A municipal waste container may be provided by the Township, property owner, resident or tenant, or the municipal waste collector.

NEWSPRINT

Paper of the type commonly referred to as "newspaper" and distributed at stated intervals, usually daily or weekly, having printed thereon news and opinions and containing advertisements and other matters of public interest.

PERSON

An individual, partnership, association, corporation, institution, cooperative enterprise, municipal authority, federal government or agency, state institution or agency or any other legal entity which is recognized by law as a subject of rights and duties. In any provision of this Chapter prescribing a fine, imprisonment or penalty or any combination of the foregoing, the term "person" shall include the officers and directors of any corporation or any other legal entity having officers and directors.

PLASTIC CONTAINERS

Empty and clean plastic containers that contained food, beverage, cleaning, laundry, and other household products. Includes only rigid containers marked with a recycling symbol and a single number (i.e., 1, 2, 5, or 7). Examples include soda and water bottles, milk and water jugs, laundry containers, produce and other food containers, and soap bottles; excludes expanded polystyrene containers and plastic containers larger than two gallons, such as buckets and laundry baskets.

RECYCLABLE MATERIALS

Those materials specified by the Township for collection in accordance with this Part and recycling regulations that may be promulgated from time to time for collection, processing, and recovery. These materials include aluminum cans, bi-metal containers, corrugated paper, glass containers, leaf waste, magazines, mixed paper, newsprint, high grade office paper, and plastic containers.

RECYCLING

The collection, processing, recovery, and sale or reuse of recyclable materials, which could otherwise be disposed of or processed as municipal waste.

RECYCLING CONTAINER

A container designated by the property owner or resident for the storage of recyclable materials. A recycling container may be provided by the Township, property owner, resident or tenant, or the municipal waste collector. A recycling container must be durable, watertight, and be at least 13 gallons in size and no more than 35 gallons with a label indicating the container is for recyclable materials.

SINGLE-FAMILY RESIDENTIAL ESTABLISHMENT

An occupied dwelling unit for human habitation, except multi-family residential establishment with four or more units. Home occupations incidental to the residential use within a dwelling unit are considered a "residential establishment."

SINGLE-STREAM RECYCLING

Refers to a system in which all paper fibers, plastics, metals, tin, and other materials are mixed in a recycling container instead of being sorted into separate commodities (newspaper, paperboard, corrugated fiberboard, plastic, glass, etc.) by the resident.

SOURCE SEPARATION

The separation of recyclable materials from municipal waste at the points of origin for the purpose of recycling.

TOWNSHIP

The Township of East Coventry, Chester County, Pennsylvania.

- 2. All terms not separately defined in this Chapter that are contained in Act 97 and Act 101 are incorporated herein by reference.

§20-103. Rules for Collection.

The collection of municipal waste, recyclable materials, and/or leaf waste by municipal waste collectors shall be made in compliance with this ordinance or any other regulations adopted by the Board of Supervisors to carry out the intent and purpose of this Chapter. Such rules and regulations shall be approved by resolution of the Board of Supervisors and, when so approved, shall have the same force and effect as the provisions of this Part. Said rules and regulations may be amended, modified, or repealed by resolution of the Board of Supervisors.

§20-104. Municipal Waste Requirements.

- 1. All persons generating municipal waste in the Township shall arrange with a municipal waste collector for the collection and transportation of municipal waste.
- 2. Municipal waste shall be placed in municipal waste containers and the municipal waste containers shall be placed curbside or in another designated location for collection by a

municipal waste collector. Under no circumstances shall municipal waste containers be placed on the paved portion of a roadway or sidewalk or otherwise obstruct the flow or vision of motorists or pedestrians traveling on adjacent roads, streets, or sidewalks.

3. Municipal waste containers shall not be placed at the curbside or in another designated location for collection by a municipal waste collector prior to 12:00 p.m. of the day before the collection day. Empty municipal waste containers shall be removed from curbside or in another designated location for collection by a municipal waste collector and returned to the premises no later than 12:00 p.m. the day after collection.
4. In the event that municipal waste is not able to be collected, municipal waste containers shall be brought off the curb until the new collection is scheduled.

§20-105. Recycling Requirements.

1. Single-family Residential Establishment.

- A. Except as otherwise provided herein, all persons owning or occupying single-family residential establishments shall separate recyclable materials designated in this Chapter from municipal waste. Recyclable materials shall be placed in recycling containers and the recycling containers placed curbside or in another designated location for collection by a municipal waste collector. Under no circumstances shall recycling containers be placed on the paved portion of a roadway or sidewalk or otherwise obstruct the flow or vision of motorists or pedestrians traveling on adjacent roads, streets, or sidewalks.
- B. The following materials must be recycled at single-family residential establishments: (1) a single-stream mix of aluminum cans, bi-metal containers, corrugated paper, glass containers, high-grade office paper, mixed paper, newsprint, and plastic containers, and; (2) leaf waste.
- C. All persons owning or occupying single-family residential establishments must arrange with a municipal waste collector for the separate collection, transportation, and recycling of recyclable materials.
- D. Requirements for Collection.
 - i. All recyclable materials must be placed in a recycling container separate from municipal and leaf waste.
 - ii. Recyclable materials must be prepared to prevent the materials from being blown about or littered on streets or on private property. This may include placement of recyclable materials in recycling containers with hinged or latching lids.

- iii. No persons shall place recyclable materials in municipal or leaf waste containers and no municipal or leaf waste shall be placed in recycling or municipal waste containers.
- iv. Recycling containers shall be placed curbside or in another location as designated by a municipal waste collector for collection. Under no circumstances shall recycling containers be placed on the paved portion of a roadway or sidewalk or otherwise obstruct the flow or vision of motorists or pedestrians traveling on adjacent roads, streets, or sidewalks.
- v. Recycling containers shall not be placed at the curbside or in another designated location for collection by a municipal waste collector prior to 12:00 p.m. of the day before the collection day. Empty recycling containers shall be removed from curbside or in another designated location for collection by a municipal waste collector and returned to the premises no later than 12:00 p.m. the day after the collection.
- vi. Recyclable materials must be clean and dry and prepared according to the requirements of the Township or municipal waste collector.
- vii. In the event that recyclable materials are not able to be collected, recycling containers shall be brought off the curb until the new collection is scheduled.

2. Multi-family Residential Establishments.

- A. Owners, landlords, or agents of owners or landlords of a multi-family residential establishment must establish a system for source separation, collection, transportation, and recycling of the recyclable materials designated in this Chapter that are generated at multi-family residential establishments. The system must include an appropriate number of labeled recycling containers at easily accessible locations to accommodate the amount of recyclable materials generated at each multi-family residential establishment. The system must also include written instructions to the residents of multi-family residential establishments to inform them of the requirement to recycle and the use and availability of the collection program. The Township reserves the right, but not the obligation, to require additional recycling containers if the Township deems there are insufficient recycling containers to serve residents.
- B. The following materials are required to be recycled by multi-family establishments at a minimum: aluminum cans, bi-metal containers, corrugated paper, glass containers, high-grade office paper, mixed paper, newsprint, plastic containers, and leaf waste.
- C. Owners, landlords, or agents of owners or landlords of multi-family residential establishments must arrange with a municipal waste collector for the separate collection, transportation, and recycling of recyclable materials.

- D. No person shall place recyclable materials in municipal or leaf waste containers and no municipal or leaf waste shall be placed in recycling containers.
 - E. Recyclable material collection frequency and collection day(s) shall be set by the owner, landlord, or agent of an owner or landlord of a multi-family residential establishment and the municipal waste collector and shall occur no less than once a month. More frequent collection of recyclable materials may be necessary to prevent recycling containers from being overfilled and cause materials to be blown about or littered on Township streets and on private property.
 - F. Recycling containers shall not be placed at the curbside or in another designated location for collection by a municipal waste collector prior to 12:00 p.m. of the day before the collection day. Empty recycling containers shall be removed from curbside or in another designated location for collection by a municipal waste collector and returned to the premises no later than 12:00 p.m. the day after the collection.
 - G. Recyclable materials must be clean and dry and prepared according to the requirements of the Township or municipal waste collector.
 - H. In the event that recyclable materials are not able to be collected, recycling containers shall be brought off the curb until the new collection is scheduled.
 - I. Owners, landlords, or agent of an owner or landlord who comply with the Chapter shall not be liable for the non-compliance of residents.
3. Commercial, Institutional, and Municipal Establishments.
- A. Owners, landlords, or agents of owners or landlords of a commercial, institutional, or municipal establishment must establish a system for source-separation, collection, transportation, and recycling of recyclable materials designated in this Chapter that are generated at each building. The system must include an appropriate number of labeled recycling containers at easily accessible locations to accommodate the amount of recyclable materials generated at each building. It must also include written instructions to the tenants or occupants to inform them of the requirement to recycle and the use and availability of the collection program. The Township reserves the right, but not the obligation, to require additional recycling containers if the Township deems there are insufficient containers to serve occupants or tenants.
 - B. At a minimum, the following materials are required to be recycled in commercial, institutional, and municipal establishments: high-grade office paper, corrugated paper, aluminum cans, and leaf waste.
 - C. Owners, landlords, or agents of owners or landlords of a commercial, institutional, and municipal establishments must arrange with a municipal waste collector for the separate collection, transportation, and recycling of recyclable materials.
 - D. No persons shall place recyclable materials in municipal or leaf waste containers and no municipal or leaf waste shall be placed in recycling containers.

- E. Recyclable material collection frequency and collection day(s) shall be set by the owner, landlord, or agent of an owner or landlord of a commercial, institutional, or municipal establishment and the municipal waste collector, but shall occur no less than once a month. More frequent collection of recyclable materials may be necessary to prevent recycling containers from being overfilled and cause materials to be blown about or littered on Township streets and private property.
- F. Recycling containers shall not be placed at the curbside or in another designated location for collection by a municipal waste collector prior to 12:00 p.m. of the day before the collection day. Empty recycling containers shall be removed from curbside or in another designated location for collection by a municipal waste collector and returned to the premises no later than 12:00 p.m. the day after the collection.
- G. Recyclable materials must be clean and dry and prepared according to the requirements of the Township or municipal waste collector.
- H. In the event that recyclable materials are not able to be collected, recycling containers shall be brought off the curb until the new collection is scheduled.
- I. The Township shall exempt persons occupying commercial, institutional, and municipal establishments from the requirements of this Chapter if those persons have otherwise provided for the recycling of materials required to be recycled. To be eligible for exemption, the commercial, institutional, or municipal establishment must annually provide written documentation to the Township of the total number of tons recycled.

§20-106. Recycling Community Activities.

1. The organizers or sponsors of a community activity must establish a system for source separation, collection, transportation, and recycling of aluminum cans, plastic containers, glass containers, corrugated paper, and high-grade office paper. Arrangements for the source separation and collection of these materials shall be the responsibility of the organizers or sponsors.
2. The organizers or sponsors of a community activity must establish a collection system that includes an appropriate number of recycling containers at easily accessible locations to accommodate the amount of recyclable materials generated. Community activity organizers and sponsors must provide signage and/or labels on recycling containers to indicate what recyclable materials are to be source-separated by event participants.
3. Organizers or sponsors must arrange with a municipal waste collector for the collection of recyclable materials.
4. No persons shall place recyclable materials in municipal or leaf waste containers and no municipal or leaf waste shall be placed in recycling containers.

5. Recyclable materials must be clean and dry and prepared according to the requirements of the Township or municipal waste collector.
6. Organizers or sponsors of a community activity must provide a written report to the Township that lists the name of the community activity, the municipal waste collector collecting recyclable materials, the total quantity of each recyclable material collected, and the name and affiliation of the person submitting the report. Reports are to be submitted to the Township no later than thirty (30) days upon the conclusion of the event.

§20-107. Leaf Waste.

1. It is prohibited for any person in the Township to dispose of leaf waste with municipal waste or recyclable materials. Leaf waste shall be source-separated from municipal waste and recyclable materials generated on any property in the Township and stored in a separate leaf waste container until collection.
2. Nothing herein shall prevent any person from utilizing leaf waste for compost, mulch, or other agriculture, horticulture, or landscaping purposes on the property where the leaf waste is generated.
3. Leaf waste shall be scheduled for collection at least once per month.
4. Leaf waste containers shall be placed curbside or in another location as designated by a municipal waste collector for collection. Under no circumstances shall leaf waste containers be placed on the paved portion of a roadway or sidewalk or otherwise obstruct the flow or vision of motorists or pedestrians traveling on adjacent roads, streets, or sidewalks.
5. Leaf waste containers shall not be placed at the curbside or in another designated location for collection by a municipal waste collector prior to 12:00 p.m. of the day before the collection day. Empty leaf waste containers shall be removed from curbside or in another designated location for collection by a municipal waste collector and shall be returned to the premises no later than 12:00 p.m. the day after the collection.

§20-108. Ownership of recyclable materials.

Nothing in this Chapter or any regulation promulgated pursuant hereto shall be deemed to impair the ownership of recyclable materials by the persons who generated them unless and until separated materials are placed at curbside or similar location and collected by a municipal waste collector.

§20-109. Municipal Waste Collector Requirements.

1. Collection Requirements.

- A. Municipal waste collectors shall provide separate collection, removal, and transportation services for municipal waste, recyclable materials, and leaf waste.
- B. Recycling containers shall be provided by the municipal waste collector.
- C. Single-family Residential Establishments. Municipal waste and recyclable materials shall be collected no less than once a week.
- D. Multi-family Residential Establishments. Recyclable material collection frequency shall be set by the owner, landlord, or agent of an owner or landlord of a multi-family residential establishment and the municipal waste collector, but shall occur no less than once a week. More frequent collection of recyclable materials may be necessary to prevent recycling containers from being overfilled and cause materials to be blown about or littered on Township streets and on private property.
- E. Commercial, Institutional, and Industrial Establishments. Recyclable material collection frequency shall be set by the owner, landlord, or agent of an owner or landlord of a commercial, institutional, or municipal establishment and the municipal waste collector, but shall occur no less than once a week. More frequent collection of recyclable materials may be necessary to prevent recycling containers from being overfilled and cause materials to be blown about or littered on Township streets and private property.
- F. Leaf Waste. All municipal waste collectors shall arrange with their customers to have leaf waste collected curbside or in another location as designated by a municipal waste collector for collection separate from municipal waste and recyclable materials at a frequency of no less than once per month. More frequent collection of leaf waste by the municipal waste collector may be necessary to prevent leaf waste containers from being overfilled and cause materials to be blown about or littered on Township streets and on private property.
- G. Municipal waste collectors shall be responsible for the processing and marketing of the recyclable materials or the delivery of recyclable materials to a recycling processor. Such activities may be conducted by the municipal waste collector or any agent thereof or a private entity conducting such business, a nonprofit entity able to undertake such effort or any governmentally owned or operated facility capable of such functions.

2. Recordkeeping Requirements.

- A. Municipal waste collectors shall be responsible for obtaining weight and volume data on all municipal waste, recyclable materials, and leaf waste, collected.

- B. The records shall include the weight of the total quantities of recyclable materials and total quantities of municipal waste and an estimate of the corresponding volume of material for both recyclable materials and municipal waste. Estimates of the individual components comprising the commingled recyclable materials shall also be provided.
- C. Reporting of leaf waste may be in the form of estimates on either a cubic yard or tonnage basis collected.
- D. Written reports shall be provided to the Township and shall include the name and location of the processing center and/or recyclable materials dealer. Such reports shall include the name of the market or processor where recyclable materials are delivered and shall be signed by an officer of the municipal waste collector. Said data shall be supplied to the Township on an annual basis by January 30th of each calendar year.
- E. Municipal waste collectors shall maintain records of their collection, removal, transportation and hauling activities and make them available for inspection by the Township, in accordance with the rules and regulations of the Township.
- F. Municipal waste collectors shall provide the Township with a summary of its proposed efforts, including the location of the facility(ies) to which the recyclable materials will be delivered. All such facility(ies) shall be appropriately licensed and have necessary approvals. Updates shall be provided to the Township within 30 days of when changes are made to initiating processing and marketing activities.

§20-110. Prohibited acts.

- 1. It shall be unlawful, and grounds for the suspension or revocation of authorization to collect municipal waste, recyclable materials and/or leaf waste in East Coventry Township, for any municipal waste collector to:
 - A. Collect or transport municipal waste from persons failing to source separate recyclable materials and leaf waste from municipal waste.
 - B. Comingle or mix source separated recyclable materials or leaf waste collected in the Township with municipal waste.
 - C. Fail to provide for the proper disposal of any municipal waste collected or transported within the Township in accordance with this Chapter, county, federal and state laws and regulations.
 - D. Fail to recycle recyclable materials and compost leaf waste in accordance with this Chapter and federal and state laws and regulations.
 - E. Collect municipal waste, recyclable materials or leaf waste between the hours of 8:00 p.m. and 6:00 a.m. Eastern Standard Time or, when applicable, between 8:00

p.m. and 6:00 a.m. Eastern Daylight-Saving Time. Failure to comply with this provision shall subject a municipal waste collector to enforcement by the Township.

- F. Load or operate any vehicle within the Township or transport municipal waste, recyclable materials, and/or leaf waste within the Township in such a manner as to allow municipal waste, recyclable materials, and/or leaf waste to fall upon public roads or upon land abutting the public roads in the Township.
 - G. Fail to replace the containers with their lids or covers in place at the location of collection in an orderly manner and off roads, streets, and/or sidewalks.
2. It shall be a violation of this Chapter for any person not affiliated with a municipal waste collector to collect or pick up recyclable materials. Any and each collection in violation hereof from one or more locations shall constitute a separate and distinct offense punishable as hereafter provided.
 3. The burning of recyclable materials and leaf waste shall be prohibited at all times in the Township.
 4. It is unlawful for any person in the Township to dump or deposit municipal waste, recyclable materials, leaf waste, or any other refuse on any property in the Township.
 5. Containers of municipal waste, recyclable materials, leaf waste, or any other refuse must not be overfilled to provide for or allow materials to become displaced by natural or manufactured elements.
 6. All persons in the Township are prohibited from storing, processing, or disposing of municipal waste, recyclable materials, and leaf waste on a property except at a facility or in preparation for the collection by a municipal waste collector as provided herein. Notwithstanding the foregoing, leaf waste may be composted onsite.
 7. It shall be unlawful and a public nuisance for any person to violate, cause or assist in a violation of any provision of this Chapter or violate, cause or assist in the violation of any rule, regulation or resolution promulgated by the Board of Supervisors pursuant to this Chapter.

§20-111. Violations and penalties.

1. Penalties. Any person who violates any provision of this Chapter or of the regulations adopted hereunder or any person who engages in unlawful conduct as defined in this Chapter shall, upon conviction thereof in a summary proceeding before a District Judge, be sentenced to pay a fine of not more than \$10,000 and not less than \$250. Each continuing day of any violation of this Chapter or unlawful conduct as defined in this Chapter shall constitute a separate offense punishable by a like fine or penalty.

2. Injunction. In addition to any other remedy provided in this Chapter, the Township may institute a suit in equity where unlawful conduct or a public nuisance exists as defined in this Chapter for an injunction to restrain a violation of this Chapter or any rules, regulations or resolution promulgated or issued by the governing body pursuant to this Chapter.
3. Concurrent remedies. The penalties and remedies prescribed by this Chapter shall be deemed concurrent. The existence or exercise of any remedy shall not prevent the Township from exercising any other remedy provided by this Chapter or otherwise provided at law or equity.
4. Municipal waste collectors who shall violate any provision of this Chapter may be reported to the Pennsylvania Department of Environmental Protection by the Township and may be subject to the revocation of the Commonwealth's authorization to transport municipal waste, as described in the amended Waste Transportation Safety Program, 27 Pa.C.S.A. §6201 et seq.

§20-112. Construal.

The terms and provisions of this Chapter are to be liberally construed to best achieve and effectuate the goals and purposes hereof this Chapter shall be construed in *pari materia* with the Pennsylvania Code of Regulations, Storage, Collection, and Transportation of Municipal Waste and Act 101, and the rules and regulations adopted thereunder.

SECTION II. - Severability.

The provisions of this Ordinance are severable, and if any section, sentence, clause, part or provision hereof shall be held illegal, invalid or unconstitutional by any court of competent jurisdiction, such decision of the court shall not affect or impair the remaining sections, sentences, clauses, parts or provisions of this Ordinance. It is hereby declared to be the intent of the Board that this Ordinance would have been adopted even if such illegal, invalid, or unconstitutional section, sentence, clause, part or provision had not been included herein.

SECTION III. - Failure to Enforce Not a Waiver.

The failure of the Township to enforce any provision of this Ordinance shall not constitute a waiver by the Township of its rights of future enforcement hereunder.

SECTION IV. - Effective Date.

This Ordinance shall take effect and be in force from and after its approval as required by the law.

SECTION V. - Repealer.

All other ordinances and resolutions or parts thereof insofar as they are inconsistent with this Ordinance are hereby repealed.
