

Chapter 177 Town Property,

§177-9 Set Back Tree Planting

- A. The Town may plant trees within 20 feet of the public right of way, provided that written permission from the adjoining property owner is obtained first consistent with G.L.c 87, sec. 7.
- B. The trees planted under this provision are defined as "public shade trees" and thus protected by all sections of G.L. c. 87.
