

ORIDANCE 21-3

An Ordinance to amend § 480-8 Private sewers and connections

The Village Board of the Village of Spencer do hereby ordain as follows:

SECTION ONE:

Chapter 480-8F is amended to read:

No person, except those having a permit from the Village, shall uncover, make any openings into or tap or cause a connection with or disturb any component of the Village sewerage system. Every person proposing to make, repair or replace a connection with the Village collection sewer system, or install, repair or replace a private lateral, shall file an application in writing with the Village in such form as is prescribed for that purpose and with such application fee as may be required by the Village. The application must state fully and truly all the uses of the premises. If the applicant is not the owner of the premises, the written consent of the owner must accompany the application. The kind and size of the connection with the pipe shall be that specified in the permit from the Village to ensure that sewers and connections to the sewer system are properly designed and constructed. All connections shall require active inspection and supervision by the Village or agents thereof. If it appears that the service applied for will not be adequate for the contemplated use, or if the Village otherwise determines that approval will not be in the best interest of the Village, the Village may reject the application. If the Village approves the application, it shall issue a permit for services as described in the approved application. No work toward construction of the private sewer shall commence prior to issuance of this permit. All connections shall require active inspection and supervision by the Village or agents thereof.

Chapter 480-8M is deleted.

SECTION TWO: Severability. If any provision of this Ordinance is found to be unconstitutional or otherwise contrary to law, then such provision shall be deemed void and severed from the Ordinance and the remainder of this Ordinance shall continue in full force and effort.

SECTION THREE: Effective Date. This ordinance shall take effect and be in force as soon as published as required by law.
