**MINUTES OF TOWN MEETING PUBLIC HEARING**

**SEPTEMBER 10, 2013**

First Selectman Steven N. Wawruck, Jr. called the Town Meeting to order at 7:30 p.m.

Town Clerk William Hamel read the Call of the Meeting

Upon nomination by Selectman Denis Gragnolati, with a second by Paul Smith, 43 John Street, Joseph R. Calsetta, 121 Orchard Hill Drive, was unanimously elected Moderator.

Mr. Wawruck, with a second by Dr. Gragnolati, presented the following resolution and moved its adoption:

BE IT RESOLVED, that the Town of Windsor Locks, acting herein by Town Meeting, enacts the Sexually Oriented Businesses Ordinance, as recommended by the Board of Selectmen.

Atty . Smith, representing Citizens for a Safe Windsor Locks, first acknowledged the unfailing support he received from Mr. Wawruck and the other members of the Board of Selectmen. He said that he had worked closely with Town Attorney Scott Storms in writing the proposed ordinance. In the process of considering the proposed ordinance, he, the Board and Town Attorney reviewed a wide variety of materials, some of which were:

- A survey of Texas Appraisers regarding the secondary effects of sexually oriented business on real estate market values and crime-related secondary effects;
- Printouts of WFSB stories regarding prostitution at 2041 Club in Meriden;
- Jasma-Linz-Mulac and Imrich articles of March, 1997, and December, 2002;
- A large packet of Craig's List sexually oriented listings.

He also asserted that the purpose of the ordinance is not to ban, but rather to control by regulation, the bad effects of such businesses .

Mr. Wawruck followed up on Atty. Smith's comments by telling the Meeting that the Board of Selectmen studied the entire package of materials that Attys. Smith and Storms worked with. The Board also sought input from the Planning and Zoning Commission, the Police Commission and the Economic and Industrial Development Commission, all of which urged adoption.

Dr. Gragnolati and Rev. Kevin Flannery, representing the Windsor Locks Congregational Church, and speaking on behalf of the entire faith community of Town, spoke in favor of the resolution.

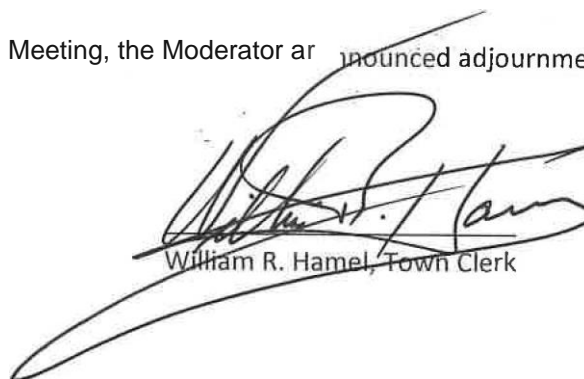

Bruce Boisture, 47 Fernwood Drive, asked if the ordinance used all of the room available to the border of the First Amendment. Atty. Smith said that part of the process was to review existing ordinances from around the State and country, looking for ones that had withstood judicial scrutiny, and basing their proposal on those.

Linda Landuski, 50 Elm Street, asked how the ordinance would be enforced, especially in light of the tight staffing in the Police Department. Mr. Wawruck responded that it would be enforced, just like any other ordinance, with due diligence. Any and all complaints would be investigated. The ordinance includes special video surveillance and a number of other investigative tools.

Dr. Gragnolati, with several seconds, moved the question. The movement of the question passed unanimously.

The motion passed on an unanimous voice vote .

There being no further business to come before the Meeting, the Moderator announced adjournment at 7:52 p.m.

William R. Hamel, Town Clerk

Clerk's Note: A copy of the ordinance, as adopted, is follows these minutes and is made a part hereto .

***Town Of Windsor Locks Ordinance.***

**SEXUALLY ORIENTED BUSINESSES**

***Section 1. Purpose and Intent.***

(a) It is the purpose of this ordinance, to regulate sexually oriented businesses in order to promote the health, safety, and general welfare of the citizens of the Town of Windsor Locks, and to establish reasonable and uniform regulations to prevent the deleterious secondary effects of sexually oriented businesses within the town. The provisions of this ordinance have neither the purpose nor effect of imposing a limitation or restriction on the content or reasonable access to any communicative materials, including sexually oriented materials. Similarly, it is neither the intent nor effect of this ordinance, to restrict or deny access by adults to sexually oriented materials protected by the First Amendment, or to deny access by the distributors and exhibitors of sexually oriented entertainment to their intended market. Neither is it the intent nor effect of this ordinance, to condone or legitimize the distribution of obscene material.

- (b) Based on evidence of the adverse secondary effects of adult uses presented in hearings and in reports made available to the Board of Selectmen, and on findings, interpretations, and narrowing constructions incorporated in the cases a list of which is appended hereto marked Exhibit A; and
- based upon reports concerning secondary effects occurring in and around sexually oriented businesses, a list of reports is appended hereto and marked Exhibit B;

The Town Board of Selectmen has found and the Town Meeting has determined:

- (1) Sexually oriented businesses, as a category of commercial uses, are associated with a wide variety of adverse secondary effects including, but not limited to, personal and property crimes, prostitution, lewdness, public indecency, unsanitary conditions, potential spread of disease, obscenity, illicit drug use and drug trafficking, negative impacts on surrounding properties, blight, litter, and sexual assault and exploitation; and
- (2) Each of the foregoing negative secondary effects constitutes a harm which the Town has a substantial government interest in preventing or abating. This substantial government interest in preventing secondary effects, which is the town's rationale for the provisions of this ordinance, exists independent of any comparative analysis between sexually oriented and non-sexually oriented businesses. Additionally, the Town's interest in regulating sexually oriented businesses extends to preventing future secondary effects of either current or future sexually oriented businesses that may locate in the Town. The Town finds that the cases and documentation relied on in the provisions of this ordinance, are reasonably believed to be relevant to said secondary effects.
