An annual fee is billed in January to each dwelling unit to cover trash collection, recycling collection, newspaper & cardboard collection and brush & Christmas tree chipping.

Trash: Regular trash pick-up is every Monday. All trash must be placed in a Borough trash bag. Bags are \$1.00 each and can be purchased in rolls of five at the Borough Hall. Check the Borough website for additional places to purchase bags. Items such as furniture and small household items that are too large for a Borough bag require a sticker placed on it in plain view. Bulk stickers are available for \$10.00 each where you purchase bags. Residents may discard one bulk item per week. Items that **will not** be taken are tires, items with Freon, electronics, washers or dryers. Limit of four bags of trash per week per residence, not to exceed the 50 pound weight limit. Trash may be placed out on Sunday after 6 PM for pick-up early Monday morning.

Recycling: Recycling pick-up is every Monday. Materials accepted are: Tin and aluminum cans; plastics #1 through 7; clear, green and brown glass. Items can be placed in bins or sturdy boxes and may be placed where you place your trash. Recycling of cardboard and newspaper is by the Boy Scouts on the first Saturday of every month with the exception of August where it is the second Saturday. Bundle cardboard separately from newspapers and magazines and place those items curbside, not in alleys.
