digiTICKET®
electronic ticketing solution

December 20, 2018

Lieutenant Barron
Bolivar Police Department

RE: digiTICKET® 9 Unit Handheld MC67 Agreement

Dear Lieutenant Barron,

Thank you for your interest in digiTICKET. This is the pricing quote you requested for 9 handheld units.

- This pricing includes configuration, hardware, software, training, deployment, and support.
- Handhelds included in this quote are the Zebra MC67 (Windows Mobile 6.1) with a full 3 year warranty and related support. Due to limited memory and processor speeds, scofflaw and other enhanced functionality are not available on the MC67.
- We have quoted the 4" Brother thermal printers are the next generation RJ4230 with more speed and a new LED readout than the printer we previously quoted.
- The solution includes an export to your OSSI/ Sungard RMS and an automated export to Incode. Please confirm availability of data import and related fees with other third-party vendors.

Saltus has one of the best reputations in the industry when it comes to customer service and we are proud to claim EVERY customer as a reference.

I'm pleased to provide you with the attached agreement for our digiTICKET electronic ticketing solution. Saltus offers digiTICKET as a customized, turnkey solution and is the only eCitation vendor to offer their solution as a "Service". This agreement is for our monthly SaaS solution:

digiTICKET Solution as a Service (dSaaS) – with this option, there is zero up front cost and the Bolivar Police Department simply pays a monthly usage fee. All digiTICKET costs are included in the monthly fee – hardware, software, implementation services, maintenance and support, paper, hosting, even new hardware. If additional units are needed over time the monthly fee can simply be adjusted as necessary based on quantity (tiered pricing applies). With this option, Saltus owns the hardware and is responsible for managing warranties, etc. *The dSaaS option has no contract term. There are no limits to the number of users or tickets written. The entire solution can be returned to Saltus without penalty with a 60-day written notice.*

The following document provides a price quote for a 9 unit handheld solution and expires 60 days from the date above. Please note that a 2018 end-of-the year discount has been applied to this quote.

I appreciate your interest in digiTICKET and look forward to working with you to assist in your decision process. If you have any questions or need any additional information, please don't hesitate to contact me directly.

Sincerely,

Shawn Sicking

digiTICKET™
electronic ticketing solution

THIS DIGITICKET SOLUTION AS A SERVICE AGREEMENT ("**Agreement**") is entered into by and between **Saltus Technologies, LLC** ("**Saltus**"), and the undersigned persons/entities/agencies (collectively "**Customer**"). Subject to the terms and conditions set forth herein, the parties agree as follows:

1.0 digiTICKET AS A SERVICE PRICING

The digiTICKET Solution is a mobile software application that automates the process of writing and processing citations for law enforcement agencies using mobile software running on handheld computers, tablets or laptops. The digiTICKET as a Service includes hardware, digiTICKET software, implementation services provided by Saltus and hosting services. The price and fees for the digiTICKET as a Service shall be as follows:

Option 2: digiTICKET Solution as a Service (dSaaS)

The digiTICKET system requires software, hardware and implementation and training services.

The following quote includes the same scope and discounts (if applicable) as described above in the purchase option.

"digiTICKET Solution as a Service" Price Quote

Item Description	Units	Per Unit	Total Per Month
Handheld Units	9	$ 178	$ 1,602
Laptop Units	0	$ -	$ -
		Monthly Subtotal:	$ 1,602
Price above includes a 2018 End of Year agency discount of		*15%*	
		Total Monthly Fee:	**$ 1,602**

Server and Client Software License Fees	**Included**
All Interface License Fees	**Included**
RMS and Court System Export Fees	**Included**
System Configuration and Implementation Fees	**Included**
All On-site Training and Travel and Living Fees	**Included**
All Additional Configuration Items (if applicable)	**Included**
All Required Hardware (devices, cables, docks, mounts, etc.)	**Included**
All Ticket Paper and other Consumables	**Included**
Web Application Hosting Fee	**Included**
Annual Software Maintenance and 24/7 Support Fee	**Included**

digiTICKET Solution as a Service is not a lease, but a "pay for use" model. This agreement includes the following:

1. All hardware, software, implementation, training services, hosting and paper fees are included in the monthly service fee.
2. Customer pays a per-unit, per-month fee – annual or semi-annual pre-payment discounts are available. If the agreement is canceled before the end of the pre-payment period, Saltus will refund the appropriate amount based on the cancelation date.

Copyright © 2018 Saltus Technologies, LLC All Rights Reserved

1. **NOTE:** Saltus offers a 2% discount for 6 month pre-payments and a 4% discount on annual pre-payments.

3. Saltus owns the hardware.
1. Saltus will replace defective equipment at no additional cost.
2. Saltus will refresh old equipment as its useful life ends – as jointly agreed upon by Saltus and the customer.
3. The customer is responsible for lost, damaged or stolen equipment. In the event of a loss, Saltus will provide the customer with new equipment and invoice the customer for the depreciated value of the hardware based on an estimated useful life of 48 months.

4. **NOTE:** The use of existing tablet computers, barcode scanners and/or printers must be approved by Saltus. If approved, customer must provide a minimum of two of each existing device types for system configuration and testing purposes.
5. **NOTE:** Saltus does NOT provide hardware installation services. The Customer is responsible for installing all hardware.

4. **No contract term obligation** – if the Customer is dissatisfied at any point with Saltus or digiTICKET Customer can provide 60-day written notice and return all hardware with no penalty.
5. Additional units can be added or subtracted at any time with a simple adjustment to the monthly invoice.
6. Customer may convert this digiTICKET Solution as a Service Agreement to a Purchase Agreement if requested in writing by the Customer. Upon acceptance by Saltus, a portion of the payments received by Saltus under this Agreement will be applied to the purchase price of the digiTICKET Solution. Percentages of received payments vary depending on number of payments made under this Agreement. 25% of total payments received by Saltus under this Agreement will be applied to the purchase of the digiTICKET solution if such purchase is made after 6 months and less than 12 months from the date of this Agreement. 50% of total payments received by Saltus under this Agreement will be applied to the purchase of the digiTICKET solution if such purchase is made after 12 months and less than 24 months from the date of this Agreement. 75% of total payments received by Saltus under this Agreement will be applied to the purchase of the digiTICKET solution if such purchase is made after 24 months from the date of this Agreement.

END OF PAGE ONLY

2.0 SCOPE OF THE AGREEMENT

Saltus will provide Customer with the digiTICKET electronic ticketing solution as a monthly service offering. The service offering will provide the following:

- digiTICKET Software
    1. A digiTICKET software license for the term of the Agreement, including:
    2. The software license includes:
        1. A single web server license which includes access to the administrative website

            1. NOTE: The web application is designed for, and should be accessed using a Microsoft Internet Explorer browser

        2. Mobile client software licenses for 9 handheld ticket writers

    3. The software will be provided as-is, configured for the Customer. This means no new functionality will be developed specifically for the Customer, unless otherwise agreed upon and included within the pricing section of this Agreement. However, the software will be configured specifically for the Customer. Configuration of software includes items such as:
        1. Updating the list of violations and bond amounts
        2. Updating required fields on the mobiles software
        3. Updating web server user permissions
        4. Creating one custom report
        5. Creating at least one electronic data file export for integration with Court or Records Management System(s).
- Software maintenance provided through periodic release updates to the Customer and server software for the term of this Agreement.
- All hardware and consumables required to utilize the digiTICKET solution, including:
    1. Rugged, handheld ticket writers, tablets or printers (as defined above)
    2. Rugged, mobile Bluetooth printers
    3. All necessary charging cables, docks, mounts, screen protectors and carrying cases
    4. Thermal printer paper
- Hardware support and maintenance will be provided by Saltus, including:
    1. Replacement devices, due to normal wear and tear issues and mechanical failure
    2. Replacement devices when the Customer and Saltus mutually agree that the useful life of the devices have passed
    3. The Customer must reimburse Saltus for lost, damaged or stolen devices. Reimbursement amounts to be determined by Saltus based on purchase price and age of the device.
- Implementation and training services will be provided to configure and deploy the digiTICKET solution for the Customer:
- **Requirements Definition**: Saltus will facilitate a workshop with subject matter experts from various Customer departments to ensure that the digiTICKET Solution is configured specifically the way the Customer has requested.
- **System Configuration**: Once all requirements are documented, digiTICKET is then configured to meet such requirements. This includes the setup of all ordinances, user roles

Copyright © 2018 Saltus Technologies, LLC All Rights Reserved

and permissions, printed ticket formatting, mobile client configuration, report development, interface creation and testing, etc.

- **User Acceptance Testing**: Once configured, Saltus will then facilitate a user acceptance testing session in a classroom setting with key Customer personnel. This session is conducted to ensure that the system is configured as requested by the Customer.
- **Training**: digiTICKET is extremely easy to use. Training of each end user typically takes no more than two hours. Saltus' preference is a "Train the Trainer" approach which would include training the trainers as well as providing end user training to the satisfaction of the Customer. Training shall include:
- Complete classroom, hands-on training
- Train the Trainer accommodations for on-going training
- User manual, classroom materials and tip sheets for users
- **Deployment**: After training, the digiTICKET Solution is deployed and Saltus then provides end user support and system maintenance and updates for the term of this Agreement.
- **Support:** The Customer will appoint up to two individuals as Primary Points of Contact (PPCs) who will serve as an interface between Saltus and the Customer.

Optional Professional Services

As part of this Agreement, the Customer will receive future product release upgrades for the term of this Agreement. However, if the Customer requires unique enhancements, integration services to back office systems or custom reports, Saltus has an experienced professional services team that can provide assistance at an additional charge.

If not separately priced, Saltus currently provides these services at $125 per hour. In addition, the Customer would be responsible for any travel and living expenses, which are billed at actual cost and only as preapproved by the Customer.

Miscellaneous

It is understood and agreed by the parties that:

- The Customer and Saltus will each appoint Project Leads for this project. The Project Leads will serve as the Primary Point of Contact (PPC) for the respective parties.
- The Customer will appoint Administrators that will train and provide first level support to Customer users. These individuals can be the same individual as the PPC if so desired.
- The Customer Administrators will be the single point of contact between Saltus Support Services and the Customer.
- Changes to project scope can affect time estimates required for implementation and will be mutually agreed to and confirmed in writing.
- Saltus may perform User Acceptance Testing and Training activities remotely utilizing webinar and teleconferencing technologies.
- Saltus will not provide installation services for vehicle docks or mounts.
- The Customer will provide a full-time internet connection to facilitate the synchronization of tickets from the ticket writing devices to the digiTICKET server.
- Fees charged by Court or RMS system vendors are not included as part of this Agreement, and must be negotiated separately between the Customer and each respective vendor.
- The monthly fees set forth in this Agreement include services for configuring digiTICKET to meet Customer's ticketing specifications on the mobile units and the server application.

Copyright © 2018 Saltus Technologies, LLC All Rights Reserved

- The web application should be accessed using a Microsoft Internet Explorer browser.
- Saltus will host the digiTICKET web application.
- digiTICKET is capable of parsing driver's license and state person and vehicle returns. Please note that each state's DL encryption and block text returns can be formatted differently or omit specific data elements. digiTICKET parsing is directly impacted by the quality of DL data, text returns, and sample data supplied during configuration.

3.0 digiTICKET SOFTWARE LICENSE

This Software License covers the Saltus software that is the subject of this Agreement, which includes computer software and may include associated media, printed materials, "online" or electronic documentation, and Internet-based services ("Software"). Customer agrees to be bound by the terms of this Section 3.0 by installing, copying, or otherwise using the Software.

1. GRANT OF LICENSE. SALTUS grants Customer the following rights provided that Customer complies with all terms and conditions of this Section 3.0: a) SALTUS grants to Customer a nonexclusive license to use copies of the Software, provided that for each individual using the Software within Customer's organization, Customer has acquired a separate and valid license for each user device as may be required by SALTUS. b) Customer may make and use an unlimited number of copies of any documentation, provided that such copies shall be used only for Customer's purposes pursuant to this Agreement and are not to be republished or distributed (either in hard copy or electronic form) beyond Customer premises. c) Customer may also store or install a copy of the Software on a storage device, such as a network server, used only to install or run the Software on computers used by a licensed end user in accordance with a) above. d) Software provided by SALTUS may not be distributed to any individual, third party or entity that exists external to Customer's organization or for any purpose other than use of the Software for Customer.

2. RESERVATION OF RIGHTS AND OWNERSHIP. SALTUS reserves all rights not expressly granted to Customer in this Agreement. The Software is protected by copyright and other intellectual property laws and treaties. SALTUS owns the title, copyright, and other intellectual property rights in the Software. The Software is licensed, not sold.

3. LIMITATIONS ON DECOMPILATION, AND DISASSEMBLY. Customer may not reverse engineer, decompile, or disassemble any Software provided in compiled or object code form, except and only to the extent that such activity is expressly permitted by applicable law notwithstanding this limitation.

4. NO RENTAL/COMMERCIAL HOSTING. Customer may not rent, lease, lend or provide commercial hosting services with the Software.

5. CONSENT TO USE OF DATA. Customer agrees that SALTUS and its affiliates may collect and use technical information gathered as part of the product support services provided to Customer, if any, related to the Software. SALTUS may use this information solely to improve our products or to provide customized services or technologies to Customer and will not disclose this information in a form that personally identifies Customer.

6. ADDITIONAL SOFTWARE/SERVICES. This Software License applies to updates, supplements and add-on components of the Software that SALTUS may provide to Customer or make available to Customer after the date Customer obtains the initial copy of the Software, unless SALTUS provides other terms along with the update, supplement, add-on component.

7. NOT FOR RESALE SOFTWARE. Software provided by SALTUS may not be sold or otherwise transferred for value, or used for any purpose other than Customer's application of the Software pursuant to this Agreement.

8. EXPORT RESTRICTIONS. Customer acknowledges that the Software is subject to U.S. export jurisdiction and agrees to comply with all applicable international and national laws that apply to the Software, including the U.S. Export Administration Regulations, as well as end-user, end-use, and destination restrictions issued by U.S. and other governments.

Copyright © 2018 Saltus Technologies, LLC All Rights Reserved

9. SOFTWARE TRANSFER & ASSIGNMENT. All rights to use of Software provided by this Agreement are for the sole use of Customer and may not be transferred, assigned, directly or indirectly without prior written authorization from SALTUS.

10. TERMINATION. Without prejudice to any other rights, SALTUS may terminate the Software License if Customer fails to comply with the terms and conditions of this Agreement. In such event, Customer shall destroy all copies of the Software and all of its component parts.

4.0 Other Terms

1. DISCLAIMER OF WARRANTIES. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, SALTUS DISCLAIMS ANY IMPLIED WARRANTIES, DUTIES OR CONDITIONS OF MERCHANTABILITY, AND OF FITNESS FOR A PARTICULAR PURPOSE.

2. EXCLUSION OF DAMAGES. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL SALTUS BE LIABLE FOR ANY SPECIAL, INCIDENTAL, PUNITIVE, INDIRECT, OR CONSEQUENTIAL DAMAGES WHATSOEVER.

3. LIMITATION OF LIABILITY AND REMEDIES. NOTWITHSTANDING ANY DAMAGES THAT CUSTOMER MIGHT INCUR FOR ANY REASON WHATSOEVER (INCLUDING, WITHOUT LIMITATION, ALL DAMAGES REFERENCED HEREIN AND ALL DIRECT OR GENERAL DAMAGES IN CONTRACT OR ANYTHING ELSE), THE ENTIRE LIABILITY OF SALTUS AND ANY OF ITS SUPPLIERS UNDER ANY PROVISION OF THIS AGREEMENT AND CUSTOMER'S EXCLUSIVE REMEDY HEREUNDER SHALL BE LIMITED TO THE GREATER OF THE ACTUAL DAMAGES CUSTOMER INCURS IN REASONABLE RELIANCE ON THE SOFTWARE UP TO THE AMOUNT ACTUALLY PAID BY CUSTOMER FOR USE OF THE SOFTWARE. THE FOREGOING LIMITATIONS, EXCLUSIONS AND DISCLAIMERS SHALL APPLY TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, EVEN IF ANY REMEDY FAILS ITS ESSENTIAL PURPOSE. CUSTOMER AGREES THAT THE PRICE UNDER THIS AGREEMENT WOULD BE SUBSTANTIALLY HIGHER BUT FOR THESE LIMITATIONS.

4. APPLICABLE LAW. Any contracts or agreements between SALTUS and Customer resulting from and including this Agreement and any other accompanying documents shall be controlled and interpreted in accordance with the laws of the State of Oklahoma and should any conflict arise concerning any terms of such agreements or contracts which results in litigation, the forum for such litigation and the venue thereof shall lie in the District court in and for Tulsa City, State of Oklahoma.

5. ENTIRE AGREEMENT; SEVERABILITY. This Agreement (including any addendum or amendment to this Agreement) are the entire agreement between Customer and SALTUS and supersede all prior or contemporaneous oral or written communications, proposals and representations with respect to the Software or any other subject matter covered by this Agreement. To the extent the terms of any SALTUS policies or programs conflict with the terms of this Agreement, the terms of this Agreement shall control. If any provision of this Agreement is held to be void, invalid, unenforceable or illegal, the other provisions shall continue in full force and effect.

Copyright © 2018 Saltus Technologies, LLC All Rights Reserved

5.0 SIGNATURE

Pricing

digiTICKET Solution as a Service pricing (as defined above) is $1,602 per month.

If the Customer prefers to avoid monthly payments, Saltus provides discounts for prepaying 6 months (2%) or 12 months (4%) in advance. Based on the total monthly price above, prepayment discounts would be:

1. 6 months in advance = $384 in ANNUAL savings
2. 12 months in advance = $769 in ANNUAL savings

If the Customer chooses to cancel the Agreement, Saltus shall provide the Customer a refund of the prepayment prorated to the cancelation date per the terms of this Agreement.

The Customer can add or remove units as needed. If total number used increases or decreases to a different pricing level, the total monthly fee will be adjusted by Saltus as necessary.

All invoices are NET 15.

Term and Termination

The term of this Agreement is five (5) years. However, the Customer may terminate this Agreement for any reason with 60 days prior written notice to Saltus. Upon termination, the Customer must return all equipment and unused paper. Upon such termination, provided the Customer is not in default under this Agreement, Saltus will refund prepayments pro-rated to reflect the termination date.

Either party may terminate this Agreement upon a default of the other party under this Agreement, provided such default remains uncured for thirty (30) days from the date of written notice from the non-defaulting party to the other party specifying such default.

Saltus reserves the right to increase future monthly pricing (on an annual basis) to reflect changes in costs of service offerings, etc.

Signatures

By signing and returning this document you are signifying the acceptance of the Agreement and the terms and conditions as outlined above. This Agreement can only be modified when both parties agree in writing.

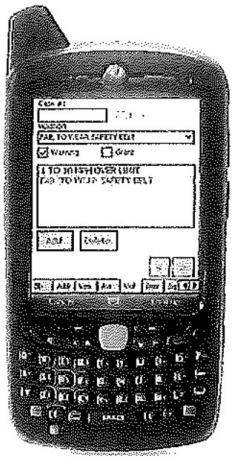
Proposed Hardware

Motorola MC67 Rugged Handheld Computer



- 4G WWAN & WLAN capability
- Rugged computer designed for outdoor use and exposure to the elements
- Rugged device rated for 8-foot drops to concrete with an IP65 ingress rating
- Barcode Scanner (1D/2D)
- 8MP Color Camera w/flash
- Cradle, Wi-Fi, Bluetooth data communications
- Touch screen suitable for capturing signatures
- Stand-alone GPS functionality
- Indoor and vehicle charging with extended battery life (1-2 days when placed in standby mode)
- Physical QWERTY keyboard and on-screen keyboard
- Capable of capturing voice notes
- Optional magnetic stripe reader attachment

Brother RuggedJet 4230

- Fast print speed of up to 5 inches per second
- Tough Construction - IP54 certification and 6 ft. drop protection mean that water, dust, or drops won't affect the printer's operation under normal conditions
- Versatile Functionality - Prints on labels and receipts from 2 inches wide to 4 inches wide
- Two year, "bumper-to-bumper" warranty * – Brother will fix the problem or provide a replacement printer
- Ergonomic design – Easy to load media and intuitive interface controls
- Low maintenance costs – Highly reliable direct thermal technology uses fewer moving parts than other printing technologies
- Low consumable costs – There are no ink or ribbons to replace
- Wide range of connectivity options – USB, Serial, and Bluetooth®
- 203 dpi resolution
- Support for 1D and 2D barcodes

digiTICKET™ electronic ticketing solution

Letter of Intent

November 9, 2018

Lieutenant Barron
Bolivar Police Department

RE: digiTICKET® 9 Unit Handheld MC67 Price Quote

Dear Lieutenant Barron,

We appreciate your continued interest in digiTICKET and look forward to working with you to further define the City of Bolivar's requirements for an electronic ticketing solution.

This Letter of Intent (LOI) will enable Saltus to move forward with the digiTICKET deployment process prior to an actual agreement being signed. This process includes gathering requirements, configuring digiTICKET for your agency and court, performing User Acceptance Testing and finally scheduling deployment of the solution. Although non-binding, this letter provides Saltus with the understanding that the City of Bolivar intends to move forward with purchasing the digiTICKET solution in the timeframe noted below.
