

**BOROUGH OF
ELIZABETHTOWN
LANCASTER COUNTY,
PENNSYLVANIA**

ORDINANCE NO. 1009

**AN ORDINANCE OF THE BOROUGH OF ELIZABETHTOWN,
LANCASTER COUNTY, PENNSYLVANIA, AMENDING
PORTIONS OF CHAPTER 22, SUBDIVISION AND LAND
DEVELOPMENT, AND CHAPTER 27, ZONING, OF THE CODE
OF ORDINANCES.**

BE ORDAINED AND ENACTED by the Borough of Elizabethtown, Lancaster County, Pennsylvania, as follows:

Section 1. The Elizabethtown Borough Code of Ordinances, Chapter 22, Subdivision and Land Development, Part 3, Plan Processing Procedures, Section 303, Preliminary Plan, Subsections A and B, shall be amended to state the following:

A. Submission of Preliminary Plan.

1. The applicant, at least 14 calendar days prior to the meeting of the Planning Commission at which consideration is desired, shall file with the Borough Manager two paper copies and one electronic copy of the preliminary plan containing the data required by this chapter.
2. In addition to filing with the Borough Planning Commission, the applicant shall concurrently submit such plans to the Lancaster County Planning Department for review and report and to the Borough Engineer for review and comment. The Planning Commission will not make a recommendation and the Borough Council will not act on the preliminary plan until the County report is received or until the time period for receiving such report has expired.
3. All preliminary plans shall be prepared in accordance with the provisions of Part 4 of this Chapter.

B. Distribution.

1. The Borough Planning Commission shall distribute the preliminary plans in the following manner:
 - a) Borough staff: two copies.
 - b) Planning Commission: one digital copy.
 - c) Borough Council: one digital copy.
2. If the subject site of the preliminary plan abuts a State highway, the applicant shall submit one additional copy to the Pennsylvania Department of Transportation.

Section 2. The Elizabethtown Borough Code of Ordinances, Chapter 22, Subdivision and Land Development, Part 3, Plan Processing Procedures, Section 304, Final Plan, Subsection

A.1, shall be amended to state the following:

1. The applicant shall submit two paper copies and one electronic copy of the required final plan documentation to the Borough Manager at least 14 calendar days prior to the meeting of the Planning Commission at which consideration is desired. Such documentation shall include all specifications and data required under this Chapter.

Section 3. The Elizabethtown Borough Code of Ordinances, Chapter 22, Subdivision and Land Development, Part 3, Plan Processing Procedures, shall be amended to add new Section 309 which shall state the following:

1. Upon completion of the plan improvements and prior to the release of financial security and/or acceptance by the Borough, the applicant shall submit as-built plans of all street improvements, stormwater management facilities, public water supply facilities, public sewage disposal facilities and other public improvements. The as-built plans shall be filed with the Borough and shall be concurrently submitted to the Borough Engineer for review and comment.
2. Review by Borough Engineer
 - A. The Borough Engineer shall either approve the as-built plan or identify corrections required.
 - B. If the Borough Engineer identifies corrections required to the as-built plan, the applicant shall submit a revised as-built plan to the Borough addressing the corrections
3. Following approval of the as-built plan by the Borough Engineer, a digital copy of the as-built plan, shall be submitted to the Borough along with one paper copy of the plan.
 - A. A digital copy shall be in an electronic format acceptable to the Borough Engineer.
 - B. All coordinates as depicted on the plan shall be based on the PA South Zone State Plan Coordinate System (NAD83 for horizontal and NAVD88 for vertical).

Section 4. The Elizabethtown Borough Code of Ordinances, Chapter 22, Subdivision and Land Development, Part 4, Plan Requirements, Section 403, Preliminary Plan, Subsection A.1, shall be amended to state the following:

1. The plan shall be clearly and legibly drawn at a commonly used scale between 20 feet and 100 feet to the inch.

Section 5. The Elizabethtown Borough Code of Ordinances, Chapter 22, Subdivision and Land Development, Part 4, Plan Requirements, Section 404, Final Plan, Subsection C, Existing Features, shall be amended to state the following:

1. Existing contours at a minimum vertical interval of two feet for land with average natural slope of 4% or less and at a minimum vertical interval of five feet for more steeply sloping land. Contours shall be accompanied by the location of

the bench mark and a notation indicating the datum used. Contours plotted from the United States Geodetic Survey will not be accepted. This information may be provided on separate sheets and is not subject to recording with the final plans.

2. The names of all immediately adjacent landowners and the names and plan book record numbers of all previously recorded plans for adjacent projects.
3. Within 200 feet of the subject tract, the location of all existing legal rights-of-way for public or private streets or drives, railroads, public or private sewer mains, aqueducts, water mains and feeders, fire hydrants, electric transmission lines, gas transmission lines, oil transmission lines, watercourses, storm drainage facilities, and other significant features.
4. Within the subject tract, the locations, names and dimensions of existing streets and alleys, location and sizes of existing sanitary sewers and storm drains, domestic water locations, locations and sizes of utilities, all buildings, floodplains, watercourses and approximate locations of all tree masses.
5. In the case of a plan for which the subject tract has an environmental covenant executed pursuant to the Pennsylvania Environmental Covenants Act, 27 Pa.C.S. §§6501 through 6517 (UECA), the plan shall include the boundary limits of any contamination remaining on site. The application shall include a copy of the environmental covenant agreement and any required engineering and institutional controls.

Section 6. The Elizabethtown Borough Code of Ordinances, Chapter 22, Subdivision and Land Development, Part 4, Plan Requirements, Section 404, Final Plan, Subsection D.16, shall be amended to state the following:

16. In the case of land development plans, a grading plan. The grading plan shall include finished grades and ground-floor elevations. This information may be provided on separate sheets and is not subject to recording with the final plans. The plan shall comply with all provisions of Chapter 17, Stormwater Management.

Section 7. The Elizabethtown Borough Code of Ordinances, Chapter 22, Subdivision and Land Development, Part 4, Plan Requirements, Section 404, Final Plan, Subsection D.18, shall be amended to state the following:

18. The following stormwater management data for all plans, which shall be designed in accordance with Chapter 17, Stormwater Management. This information may be provided on a sheet with other data or on separate sheets and need not necessarily be recorded with the final plan. In the case of any dispute in the methodology used in the design of any stormwater management plan and/or in the presentation of such information, the Borough Council shall make the final determination on the design criteria, methodology, and form of presentation.
 - a) All calculations, assumptions, criteria and references used in the design of the stormwater management facilities, the establishment of existing facilities' capacities, and the pre- and post-development peak discharges.
 - b) All plans and profiles of the proposed stormwater management facilities,

including the horizontal and vertical location, size, and type of material. This information shall be to a detail required for construction of the facilities.

- c) For all basins, a plotting or tabulation of the storage volumes and discharge curves with corresponding water-surface elevations, inflow and outflow hydrographs.
- d) For all basins which hold two acre-feet or more of water and have an embankment that is six feet or more in height, soil structure and characteristics shall be provided. An engineer shall prepare plans and data. These submissions shall provide design solutions for the frost-heave potential, spring-swell potential, soil-bearing strength, water infiltration, soil setting characteristics, fill and backfilling procedures, and soil treatment techniques as required to protect the improvements for adjacent structures.
- e) All erosion and sedimentation control measures, temporary as well as permanent, including the staging of earth-moving activities, in sufficient detail to clearly indicate their function. The erosion and sedimentation control plan shall meet all requirements of the DEP Erosion and Sedimentation Control Manual. The applicant shall demonstrate that the applicant has submitted the erosion and sedimentation control plan to the Conservation District for review.
- f) The guidelines for lot grading within subdivisions. This information shall identify the direction of stormwater runoff flow within each lot and the areas where stormwater flows will be concentrated.
- g) Finished first-floor elevations for all residential units shall be shown on the plan.
- h) A note on the plan indicating any area that is not to be offered for dedication, along with a statement that the Borough is not responsible for maintenance of any area not dedicated to and accepted for public use and that no alteration to swales or basins or placement of structures shall be permitted within easements.
 - i) Designation of limits of on-site watershed areas, including a map which shows the off-site watershed areas.
 - ii) Description of any ownership and maintenance program, in a recordable form, that clearly sets forth the ownership and maintenance responsibilities for all temporary and permanent stormwater management facilities, including the following:
 - (1) Description of the method and extent of the maintenance requirements.
 - (2) When maintained by a private entity, identification of an individual, corporation, association, or other entity responsible for ownership and maintenance.
 - (3) When maintained by a private entity, a copy of the legally binding document, in recordable form, which provides that the Borough shall have the right to:
 - (a) Inspect the facilities at any time.
 - (b) Require the private entity to take corrective measures and assign the private entity reasonable time periods for any necessary action.
 - (c) Authorize maintenance to be done and lien the cost of the work

against the properties of the private entity responsible for maintenance.

- (d) Establishment of suitable easements for access to stormwater management facilities.

Section 8. The Elizabethtown Borough Code of Ordinances, Chapter 22, Subdivision and Land Development, Part 6, Design Standards, Section 605, Survey Monuments and Markers, Subsection 2, shall be amended to state the following:

- 2. Markers shall be set at all points where lot lines intersect curves, at all angles in the property lines, at the intersection of all other property lines, and at the street right-of-way.

Section 9. The Elizabethtown Borough Code of Ordinances, Chapter 22, Subdivision and Land Development, Part 6, Design Standards, Section 606, Streets, shall be amended to state the following:

- 1. General Requirements. The following general requirements and minimum standards shall be followed on all subdivision and land development applications:
 - A. Dedication of Right-of-Way. Where a subdivision or land development abuts an existing street of that is less than the minimum street right-of-way for a new street as provided in the Borough of Elizabethtown Street Improvements and Maintenance Ordinance [Chapter 21, Part5], additional right-of-way shall be dedicated to provide the minimum right-of-way width.
 - B. Roadway Improvements. Where a subdivision or land development abuts an existing street that is less than the minimum cartway width for a new street as provided in the Borough of Elizabethtown Street Improvements and Maintenance Ordinance [Chapter 21, Part5], additional right-of-way shall be dedicated to provide the minimum right-of-way width.
 - C. Resubdivision. If the lots in the development are large enough for resubdivision, or if a portion of the tract is not subdivided, suitable access and street openings for such an eventuality shall be provided.
 - D. Clear Sight Triangle. There shall be provided and maintained at all intersections a clear sight triangle with a line of sight between points 100 feet from the intersection of the street centerlines. Clear sight triangles shall be indicated on all plans. No building or other obstruction that would obscure the vision of a motorist shall be permitted within these areas.
 - E. Driveways. Driveways shall be so located as to provide reasonable sight distances at intersection with streets. Driveway location shall be determined on all land development plans. Subdivision plans may delineate location or include a notice of conformity to this specification.
- 2. Design Standards. Design standards for all streets are contained in the Borough of Elizabethtown Street Improvement and Maintenance Ordinance [Chapter 21, Part 5]. All streets planned in any subdivision or land development shall conform to these standards.

3. **Improvement Standards.** All street improvements, paving and construction of subdivisions and land developments shall conform to the Borough of Elizabethtown Street Improvement and Maintenance Ordinance [Chapter **21**, Part **5**].

Section 10. The Elizabethtown Borough Code of Ordinances, Chapter 22, Subdivision and Land Development, Part 6, Design Standards, Section 608, Stormwater Management and Floodplain Controls, shall be amended to state the following:

All subdivision and land development applications shall include stormwater management data. All stormwater management, collection, conveyance and floodplain considerations shall be accomplished and data prepared and supplied in accordance with the provisions of Chapter 17, Stormwater Management, and Chapter 27, Zoning.

Section 11. The Elizabethtown Borough Code of Ordinances, Chapter 22, Subdivision and Land Development, Part 6, Design Standards, Section 609, Erosion and Sedimentation, Subsection 4, shall be amended to state the following:

4. All provisions of Chapter 17, Stormwater Management shall be complied with in conjunction with any development application.

Section 12. The Code of the Borough of Elizabethtown, Chapter 22, Subdivision and Land Development, shall be amended by deleting Appendix 2, Consulting and Approving Agencies, in its entirety.

Section 13. The Code of the Borough of Elizabethtown, Chapter 22, Subdivision and Land Development, shall be amended by deleting Appendix 3, Application for Consideration of a Subdivision and/or Land Development Plan, in its entirety and inserting Appendix 2, attached hereto and incorporated herein.

Section 14. The Code of the Borough of Elizabethtown, Chapter 22, Subdivision and Land Development, shall be amended by deleting Appendix 4, Recommend Certificates and Acknowledgments on the Final Plan (as applicable), in its entirety and inserting Appendix 3, attached hereto and incorporated herein.

Section 15. The Code of the Borough of Elizabethtown, Chapter 22, Subdivision and Land Development, shall be amended by deleting Appendix 5, Recommend Notes to be Used on Final Plan, in its entirety.

Section 16. The Code of the Borough of Elizabethtown, Chapter 22, Subdivision and Land Development, shall be amended by deleting Appendix 6, Improvement Agreement, in its entirety.

Section 17. The Code of the Borough of Elizabethtown, Chapter 22, Subdivision and Land Development, shall be amended by deleting Appendix 7, Offer of Dedication, in its entirety.

Section 18. The Code of the Borough of Elizabethtown, Chapter 22, Subdivision and Land

Development, shall be amended by deleting Appendix 8, Rainfall Intensity-Duration Frequency Chart, in its entirety.

Section 19. The Elizabethtown Borough Code of Ordinances, Chapter 27, Zoning, Part 2, Definitions, §201 “Definitions.” Shall be amended to add the following term and definition in alphabetical order:
