UNINSURED MOTORIST COVERAGE ENDORSEMENT

MOPERM Member Agencies are exempt under Section 303.350 of the Revised Statutes of Missouri from the Missouri Motor Vehicle Financial Responsibility Law including any requirement to procure uninsured motorist coverage. For this reason, the coverage provided by this endorsement does not provide the same benefits required of a private insurer by Sections 379.203, and 303.030, RSMo. Subject to the specific provisions of this endorsement as set out below, this endorsement is intended to compensate an occupant of a covered automobile for medical expenses and lost income caused by an uninsured motorist to the extent that other insurance does not pay for these.

A. WORDS AND PHRASES WITH SPECIAL MEANING

In addition to the WORDS AND PHRASES WITH SPECIAL MEANING in the Liability Memorandum of Coverage, the following words and phrases have special meaning for this UNINSURED MOTORIST COVERAGE endorsement; PROVIDED that any word or phrase defined in this endorsement inconsistently with the definitions in the Liability Memorandum of Coverage shall have the meaning ascribed herein:

1. **Automobile** means a covered automobile or a temporary substitute for a covered automobile. The temporary substitute for a covered automobile must have been acquired by the **Member Agency** for a covered automobile because the covered automobile is out of service because of its breakdown, repair, servicing, loss or destruction.
2. **Occupant or occupants** means:
 - a. An individual who is a **Covered Party occupying an automobile**.
 - b. Any other individual **occupying an automobile** whose presence in such **automobile** is in furtherance of the official pursuits of the **Member Agency**.
 - c. Anyone entitled to recover damages due to **bodily injury** to an individual described in subparagraphs a. and b. of this paragraph c. and whose claim derives from the **bodily injury** to the individual described in subparagraphs a. and b. of this paragraph c. A person described in this subparagraph c. shall be referred to as an **occupant** for purposes of this endorsement even if the person was not **occupying the automobile** at the time of the accident.

But the following are not **occupants**:

- a. Any person occupying an **automobile** without permission of the **Member Agency**.
 - b. Any person occupying an **automobile** with permission of the **Member Agency** but who exceeds the scope of that permission.
3. **Occupy or Occupying** means to be within, upon, getting in, getting on, getting out of, or getting off of, an **automobile**.
 4. **Uninsured motor vehicle** means a motor vehicle that is:
 - a. Not insured by a **bodily injury** liability policy or bond at the time of the accident.
 - b. Insured at the time of the accident by a liability policy or bond with **bodily injury** liability limits below the minimum required by the financial responsibility law of the State of Missouri.
 - c. A hit-and-run vehicle whose operator or owner is unknown and which causes **bodily injury** to an **occupant**.
 - d. Insured by a **bodily injury** liability policy or bond at the time of the accident but the company issuing the policy or bond:
 - (1) Denies coverage and maintains that denial; or
 - (2) Is or becomes insolvent within two years after the accident but prior to payment or settlement with the injured **occupant**, and which is not covered by an insurance guaranty association.

Uninsured motor vehicle, however, does not mean a vehicle:

- a. Owned or operated by a self-insurer as recognized by any applicable financial responsibility law, motor carrier law, or similar law.

By:

M402(Ed. 1-20)

- b. Owned or operated by the **Member Agency** or any governmental unit or agency.
- c. Operated on rails or crawler-treads.
- d. Designed for use off public roads except while on public roads.
- e. Parked for camping or housekeeping purposes.

B. INSURING AGREEMENT

1. **MOPERM** will pay all medical and healthcare expense and lost income resulting from **bodily injury** that an **occupant** is legally entitled to recover from the owner or operator of an **uninsured motor vehicle**, subject to the LIMITS OF LIABILITY provisions in paragraph D, and to the OTHER INSURANCE provisions in paragraph E.
2. The **bodily injury** must:
 - a. be sustained by an **occupant**;
 - b. be caused by an accident; and
 - c. arise out of the ownership, maintenance, or use of an **uninsured motor vehicle**.
3. If any suit is brought by an **occupant** to determine liability or damages, the owner or operator of the **uninsured motor vehicle** must be made a defendant and the **occupant** must notify **MOPERM** of the suit prior to filing the suit. **MOPERM** will not be bound by any resulting judgment rendered without **MOPERM**'s written consent subsequent to notification as required by this paragraph.

C. EXCLUSIONS

1. **MOPERM** will not provide coverage for **bodily injury** sustained by any **occupant**:
 - a. while **occupying**, or when struck by, a motor vehicle that is not covered by the Memorandum of Coverage if the motor vehicle is owned by the **Member Agency** or any **Covered Party**.
 - b. who makes or whose legal representative makes a settlement with the owner or operator of the **uninsured motor vehicle** without **MOPERM**'s written consent.
 - c. occurring in any racing or speed contest or demonstration.
2. This coverage does not extend to damages for pain and suffering, emotional distress, lost enjoyment or life, non-economic or general damages of any sort, or punitive or exemplary damages, fines, penalties, or court ordered restitution, or any interest thereon, prejudgment or post-judgment.
3. This coverage shall not apply directly or indirectly to the benefit of any insurer or self-insurer under any workers' compensation or disability benefits, or any similar law, or any private disability insurance or benefits.
4. If a court of competent jurisdiction determines that any exclusion in this endorsement is unenforceable under any applicable uninsured motorist insurance law or financial responsibility law, **MOPERM** will provide only the minimum limits required by that law. If any other coverage or insurance provides coverage up to the minimum limits required, the provisions of this coverage remain unchanged.

D. LIMITS OF LIABILITY

1. The limit of liability for UNINSURED MOTORIST COVERAGE as shown in the Liability Memorandum of Coverage Declarations shall apply, subject to the following:
 - a. the liability limit for each **occupant** is the maximum amount that will be paid for all damages sustained by all **occupants** who claim liability as the result of the **bodily injury** to any one **occupant** in any one occurrence, including (1) any **occupant** who sustains bodily injury caused by the accident involving the **uninsured motor vehicle**, and further including (2) all other **occupants** claiming damages, including but not limited to damages for care, loss of services or death, as the result of the **bodily injury** to the **occupant** who actually sustained **bodily injury** caused by the accident.

By:

M402(Ed. 1-20)

- b. subject to the **bodily injury** liability limits for each **occupant**, the limit of liability for all **occupants** resulting from **bodily injury** sustained by two or more persons in any one occurrence is the applicable amount in Part I (WHAT MOPERM PAYS) Section A (COVERAGE) of the Liability Memorandum of Coverage.
2. The limit of liability stated on the Liability Memorandum of Coverage Declarations for UNINSURED MOTORIST COVERAGE is the most that **MOPERM** will pay regardless of the number of:
 - a. **occupants**;
 - b. claims made; or
 - c. vehicles involved in the accident.
3. The limit of liability of this coverage will be reduced by:
 - a. payments made by or on behalf of the owner or operator of the **uninsured motor vehicle** or other person, insurer, or entity that may be legally liable.
 - b. payments made to the **occupant** under the Liability Memorandum of Coverage's liability coverage.
 - c. payments made or amount payable to the **occupant** because of the **bodily injury** under any worker's compensation law, disability benefits law, social security code, or any similar law, or any private disability insurance or benefits.
4. No **occupant** will be entitled to receive duplicate payments for the same elements of loss. Any amount **MOPERM** will pay under this coverage to or for an **occupant** will be reduced by any payment made to that person under any other coverage of this Memorandum of Coverage, and any coverage provided by this endorsement for an **occupant** is excess over any other insurance or coverage for such **bodily injury**.
5. Any amount paid under this coverage will reduce any amount a **Covered Party** may be paid under the Liability Memorandum of Coverage's LIABILITY COVERAGE.

E. OTHER INSURANCE

1. Any coverage provided by this endorsement for an **occupant** is (1) excess over any other insurance or coverage for such **bodily injury**; and (2) subject to Part D (LIMITS OF LIABILITY) of this endorsement, including but not limited to workers' compensation benefits for medical expense, temporary total disability, or permanent disability (partial or total), medical payment coverage, health insurance, liability insurance for any other legally responsible party, short-term or long-term disability, or other uninsured motorist coverage.
2. If MOPERM makes a payment under this UNINSURED MOTORIST COVERAGE and the **occupant** recovers from another party, the **occupant** shall hold the proceeds in trust for **MOPERM** and pay **MOPERM** back the amount received by the **occupant** but not to exceed the amount **MOPERM** has paid under this coverage.

F. ADDITIONAL PROVISIONS

If a **Covered Party** is involved in an auto accident or claim involving the **Member Agency's automobile** and a hit-and-run vehicle, the following requirements are added:

1. Any person claiming UNINSURED MOTORIST COVERAGE must notify and make a formal report of the accident to the appropriate law enforcement agency within 24 hours and to **MOPERM** within 30 days. However, no claim under this endorsement will be denied based upon the failure to provide notice to **MOPERM** within such specified time unless this failure operates to prejudice **MOPERM's** rights.
2. If there is no contact between the **Member Agency's automobile** and a hit-and-run vehicle, the facts of the accident must be independently corroborated by competent evidence other than the testimony of any **occupant** or other person having an Uninsured Motorist claim resulting from the accident.

All other terms, agreements, conditions and agreements remain unchanged.

NOTICE OF CHANGES TO LIABILITY COVERAGE

All changes made to "Liability Memorandum of Coverage" have also been made to "Liability Memorandum of Coverage (Package)."

MOPERM has made changes in its Liability Memorandum of Coverage to clarify and avoid potential ambiguities in its scope of coverage, to ensure that MOPERM is offering coverage for all liabilities for which Missouri law has expressly waived sovereign immunity while ensuring that the terms of the Memorandum of Coverage itself does not waive any defenses to claims made against MOPERM member entities. In recent years, the Missouri legislature has waived sovereign immunity for public entities for claims made by "whistleblowers", and Missouri courts have extended liabilities applicable to public entities for alleged violations of claimants' civil rights. The changes to MOPERM's Liability Memorandum of Coverage are collectively designed to ensure coverage for such new and expanded liabilities without waiving any defenses MOPERM member entities can assert to these and other claims.

Currently, the Liability Memorandum of Coverage excludes coverage for "backpay, past salary or wages, or any compensation or benefits, whether current or deferred". The revised Liability Memorandum of Coverage limits that exclusion, stating that MOPERM will exclude coverage for any part of a settlement or judgment that represents taxable wages, compensation, or benefits; and that a Member Agency shall defend, indemnify, and hold MOPERM harmless for any liability arising from failure to report, for underreporting, or otherwise failing to discharge any obligation to withhold or report income to any state, federal, or local taxing agency.
