Digital Camera Upgrade

Proposal No.: 136385.1
Monday, March 18, 2024

Prepared For

Jeremy Rempel

Jail Supervisor

Security101[®]

Security 101 - St. Louis
2 CityPlace Dr. - 2nd Floor
St. Louis, MO 63141

MO — Other: CC#112 (City of ST Louis)

This proposal is provided as a budgetary number for upgrading the existing analog cameras to IP digital cameras and adding new digital cameras as shown below. All required cabling, parts, installation and programming for a functional system are included. The Genetec video management application will also be upgraded to the current release, if not already done.

LEVEL 1

There are six existing digital cameras. New ones to be installed are:

- (2) 12MP fisheyes
- (32) 2MP dome cameras
- (1) elevator corner camera
- (1) dual lens camera for stairwell to see both sides

LEVEL 2

- There is one existing digital camera. New ones to be installed are:
- (38) 2MP dome cameras
- (1) elevator corner camera

IT Room MDF/IDF

(2) Cat 6 cables from MDF on level 1 to IDF on level 2

(2) Cat 6 48-port patch panels (1 at MDF and 1 at IDF)

Notes:

1. Axis M3215 cameras are included for the 2MP corner cameras. The M3115 is \$244 less and can be considered.
2. Four network switches are included to support the new digital cameras, if the County provides the switches then they can be removed from this proposal.
3. Work will be performed at normal business hours 6:00 AM-4:00 PM.
4. Areas of work can be accessed safely without delays.
5. This proposal assumes that the existing server and storage will be sufficient for the camera changes, which is expected because the analog to digital encoders are already sending digital data to the servers. Actual storage will depend on the settings for the new cameras, including frame rate and compression method used.

Terms and Conditions

Proposal #136385.1 Digital Camera Upgrade

Limited Warranty; Exclusions and Disclaimers

1. THIS INSTALLATION AND SERVICES AGREEMENT (this "Agreement") is made and entered into effective as of the date of Date of Acceptance by and between Kopp Security, LLC, a limited liability corporation doing business as Security 101 - St. Louis ("Security 101"), and the undersigned Client (the "Client"), as set forth on the signature page below. This Agreement consists solely of the following documents, all of which are attached hereto and incorporated herein: (1) General System Description; (2) Specifications; (3) these Terms and Conditions; and (4) Financial Summary. There are no terms and conditions applicable to the subject matter hereof that are not expressly set forth in this Agreement, and this Agreement shall be the agreement of the parties with respect to its subject matter notwithstanding any contrary provisions contained in any purchase orders or like documents submitted by the Client.

Scope of Work

2. The Scope of Work contemplated by this Agreement is as set forth in Exhibit A attached hereto and incorporated herein. The Scope of Work may not be modified except pursuant to a written agreement signed by authorized representatives of each of Security 101 and Client. Oral modifications or alleged oral modification of the Scope of Work shall not be binding on Security 101 unless they are reduced to a writing signed by an authorized representative of Security 101.

Fees; Payment

3. The amounts payable for the Equipment and Services contemplated hereby, and the payment term therefore, are as set forth in Exhibit A attached hereto and incorporated herein. All amounts payable hereunder shall be paid in cash or immediately available funds to Security 101 on the date when due. Any amounts not paid when due shall accrue interest at the highest rate permissible under Missouri law, from the date due until paid in full, with payments being applied first to accrued interest and then unpaid principal of the past due amount. Acceptance of partial payment by Security 101 shall not constitute a release or discharge of Client's obligation to pay the full amount due and owing, notwithstanding any contrary language included with the transmission of payment. In the event that Security 101 engages an attorney to assist in the collection of any past due amounts relating to this Agreement, Client agrees to promptly reimburse Security 101 for all attorney's fees and costs incurred by Security 101 in connection therewith, whether incurred before litigation, during litigation or on appeal thereof. Under no circumstances may Client make payments directly to any subcontractor, material or equipment supplier, laborer or other person performing the Work or furnishing materials or equipment under this Agreement.

Force Majeure

4. Seller shall not be liable for any failure to perform or delays in installing or repairing equipment or systems, or for any interruption of any service to be performed hereunder, or in the performance of an obligation hereunder as a result of an event beyond its reasonable control, including, but not limited to, strikes, industrial disputes, fire, flood, acts of God, war, vandalism, riot, national emergency, acts of terrorism, embargoes or restraints, supplier default, extreme weather or traffic conditions, order or other act of any governmental agency, and shall not be required to supply any service to the Customer while interruption of such service due to any such cause shall continue.

Material Delay and Price Changes

5. This quote/proposal does not account for any potential adverse impacts Supply Chain delays may have on Seller's performance or obligations herein. In the event of any delays or adverse impacts, Seller reserves the right for an equitable adjustment of the delivery schedule and prices herein to offset the effects of Supply Chain delays, without fault or penalty of any kind. If a Seller's vendor increases the cost of a part to Seller between the acceptance date of this agreement and the date that Seller orders the part, that cost may be passed on to Customer, with proof of the Vendor price increase and date provided to Customer.

Limited Warranty; Exclusions and Disclaimers

6. To the extent not otherwise warranted pursuant to an applicable manufacturer's warranty, Security 101 warrants that all Equipment furnished by Security 101 pursuant to this Agreement (the "Equipment") shall operate in accordance with its intended use for a period of twelve (12) months from the date of substantial completion of the installation contemplated by this Agreement; and (II) for a period of twelve (12) months from the date of substantial completion of the installation contemplated by this Agreement, the services to be performed by Security 101 in connection with this Agreement (the "Work") shall be performed in a good and workmanlike manner ((i) and/or (ii) as applicable, the "Warranty Period"). Notwithstanding the foregoing or any other provision of this Agreement, Security 101 makes no warranty as to, and there is specifically excluded from the foregoing warranty, any and all expendable supplies, equipment and parts, or any portions of the Work or Equipment which have been misused, abused, not used in the manner intended, neglected, or damaged by an act of God or third party or altered, modified, or manipulated in any manner by Client or a third party. As the sole and exclusive remedy for any breach of the foregoing warranties, the Equipment shall, at the option of Security 101, either be repaired or replaced, and/or the Work shall be repaired or remedied by Security 101 so as to satisfy the foregoing warranty. Any shipping charges in connection with a repair or replacement shall be the responsibility of Client.

7. Security 101 MAKES NO OTHER OR FURTHER WARRANTY WITH RESPECT TO INSTALLATION LABOR, MATERIALS AND EQUIPMENT OR ANY OTHER PORTION OF THE WORK OTHER THAN THE FOREGOING WARRANTY AND SPECIFICALLY DISCLAIMS ANY AND ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

8. NOTWITHSTANDING THE FOREGOING WARRANTIES AND ANY OTHER PROVISIONS OF THIS AGREEMENT, IN NO EVENT SHALL Security 101 BE LIABLE TO CUSTOMER OR ANY THIRD PARTY FOR SPECIAL, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, OR PUNITIVE DAMAGES OR FOR LOST PROFITS, LOST SALES, INJURY TO PERSON OR PROPERTY OR ANY OTHER CAUSE AS A RESULT OF A DEFECT IN LABOR, EQUIPMENT OR OTHER SUPPLIES OR MATERIALS WITH RESPECT TO ANY ITEM FURNISHED UNDER THE AGREEMENT, MALFUNCTION OR NONFUNCTION OF ANY SYSTEM, WRONGFUL PERFORMANCE OF OR FAILURE TO PERFORM ANY ACTS INCLUDED IN THE WORK, TRANSPORTATION DELAYS OR BREACH OF WARRANTY.

9. Customer acknowledges that no warranty, representation, or statement by any representative of Security 101 not stated herein shall be binding. This writing, and the document or documents attached hereto or of which this writing is a part, if any, constitutes the final expression of the parties' agreement and is a complete and exclusive statement of the terms of the Agreement.

Limitation of Liability

10. The parties understand and agree that: (a) the Work is intended to constitute or be part of a security system designed to reduce risk of loss for the Customer; (b) Customer has selected, accepted and approved the Scope of Work after considering and balancing the levels of protection afforded by various types of systems and services available to it and the related costs of them; (c) neither Security 101 nor any person engaged by Security 101 to perform any portion of the Work shall be construed to be an insurer of the person or property of Customer, its employees, agents, contractors, assigns, customers, invitees or any other person at the location(s) where the work is performed (the "Location(s)"); (d) the Price and Payment Terms are based solely on the cost and value of Security 101 providing the Work and are unrelated to the value of property of Customer or others located at the Location(s); (e) the Price and Payment Terms do not contemplate any payment being made or consideration being given to Security 101 for any guarantee, warranty or insuring agreement by any one or more of them to Customer with respect to the person or property of anyone; (f) Security 101 MAKES NO GUARANTEE OR WARRANTY OF ANY KIND THAT THE WORK (INCLUDING ANY MATERIALS AND EQUIPMENT SUPPLIED AS PART OF THE WORK) WILL AVERT OR PREVENT OCCURRENCES OR CONSEQUENCES THEREFROM WHICH THE WORK IS DESIGNED TO DETECT OR AVERT.

11. Notwithstanding the foregoing provisions of this Section or for whatever reason, Security 101 should be found liable for personal injury or property loss or damage caused by a failure to perform by Security 101 or the failure of any materials or equipment in any respect whatsoever or a court of proper jurisdiction determines the limitations on warranties are inapplicable, Customer agrees that the aggregate liability of Security 101 under or with respect to the Agreement, the Work to be performed under, and any warranty provided pursuant to, the Agreement, shall be limited to a sum equal to the lesser of (i) one-tenth (1/10) of the total Price to be paid by Customer under the Agreement, (ii) if the Price is to be paid in monthly payments or installments (other than progress payments), an amount equal to six (6) monthly payments, or (iii) Five Hundred Dollars (\$500.00), and this liability shall be exclusive, and that the provisions of this subsection shall apply if loss or damage, irrespective of cause or origin, results directly or indirectly to persons or property, from performance or nonperformance of the Work, from breach of warranty, or from negligence, active or otherwise of Security 101.

Indemnification

12. When Customer ordinarily has the property of others in its custody, or the Work extends to the protection of the person or property of others, Customer shall indemnify, save, defend and hold harmless Security 101 from and against all claims brought by parties other than the parties to the Agreement. This provision shall apply to all claims regardless of cause, including the performance or failure to perform by Security 101, and including without limitation, defects in products or system design, installation, repair service, monitoring, operation or non-operation of materials or equipment, whether based upon negligence, active or passive, express or implied contract or warranty, contribution or indemnification or strict or product liability; provided, however, Customer shall have no duty to indemnify in the case of gross negligence or willful misconduct by Security 101, its employees, agents or assigns. Customer agrees to indemnify Security 101 against, and to defend and hold Security 101 harmless from any action for subrogation which may be brought against Security 101 by any insurer or insurance company or its agents or assigns including the payment of all damages, expenses, costs and reasonable attorney's fees.

Video System Terms & Conditions

13. A dedicated circuit is recommended for the CCTV system, but not included.

14. Current and future lighting requirements are the responsibility of others.

15. Appropriate furniture or shelving for CCTV recording equipment is not included, unless specifically identified in the scope of work and/or the equipment list.

Additional Terms & Conditions

Installation

16. All required installation documents are included.
17. Installation of all required equipment and materials with on-site supervision of the project is included.
18. Labor quoted assumes normal eight (8) hour working days, excluding weekends, holidays, and overtime.
19. Idle time incurred by Security 101 employees and their subcontractors due to escorts, clearances, inability to enter the workspace, and other factors beyond our control, will be invoiced at our current labor rates.
20. This proposal includes travel to and from the site to perform our stated scope of work. Additional or duplicate site visits required due to factors beyond our control will be invoiced at our current labor rates.
21. Client to coordinate with local Security 101 staff to provide safe and timely right-of-passage in the work area during cable run and system installation.
22. Client to provide and coordinate 110 VAC electrical service where needed.
23. All LAN/WAN connections, addressing and network functionality are the responsibility of the Client.
24. Any telephone lines or LAN/WAN connections must be installed and operational prior to Security 101 commencing work. The local Security 101 representative will verify the availability and functionality of all connections prior to starting work.

Changes in Scope of Work

25. Any changes in the understood scope of work will be communicated and approved in writing (by an authorized Client representative), prior to commencing work.

Permits/Bonding/Sealed Engineered Drawings

26. Permits, bonds, and other requirements by any government agency are not included.

Miscellaneous

27. The bold headings and numbered paragraphs are for convenience only, have no legal significance, and shall not be deemed to alter or affect any provision of this Agreement.
28. Neither party shall be liable in damages or have the right to terminate this Agreement for any delay or default in performing hereunder if such delay or default is caused by conditions beyond its control including, but not limited to Acts of God, Government restrictions (including the denial or cancellation of any export or other necessary license), wars, insurrections and/or any other cause beyond the reasonable control of the party whose performance is affected.
29. Neither party shall be liable for any failure or delay in performance under this Agreement (other than for delay in the payment of money due and payable hereunder) to the extent said failures or delays are proximately caused by causes beyond that party's reasonable control and occurring without its fault or negligence, including, without limitation, failure of suppliers, subcontractors, and carriers, or party to substantially meet its performance obligations under this Agreement, provided that, as a condition to the claim of non-liability, the party experiencing the difficulty shall give the other prompt written notice, with full details following the occurrence of the cause relied upon. Dates by which performance obligations are scheduled to be met will be extended for a period of time equal to the time lost due to any delay so caused.
30. In the event that any one or more of the provisions contained herein shall, for any reason, be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provisions of this agreement, but this agreement shall be construed as if such invalid, illegal or unenforceable provisions had never been contained herein unless the deletion of such provision or provisions would result in such a material change so as to cause completion of the transactions contemplated herein to be unreasonable.
31. This proposal does not include any cost impacts or schedule impacts associated with COVID-19 ("COVID-19") or any other virus or disease. If our work is delayed, suspended, disrupted, made more expensive, or otherwise adversely impacted, directly or indirectly then Security 101 shall be entitled to an equitable adjustment of the Contract Sum and Contract Time for all such Impacts.
32. This proposal is based on current equipment pricing and associated costs. However inflationary pressures and increased material expenses are being applied by our manufacturing and distribution partners with limited notice. Security 101 has no choice but to pass on these additional fees when required to do so.
33. Global supply chain challenges have affected our manufacturing and distribution partners. There are equipment shortages and delays in lead-times that are beyond Security 101's control. We will let you know if any products ordered have expected ship dates of longer than two weeks, and if so we can discuss available alternatives with you.

1. APPLICABLE REGULATIONS GOVERNING PROCUREMENT

- 1.1. All applicable Nevada Revised Statutes (NRS) and Nevada Administrative Code (NAC) documentation can be found at: www.leg.state.nv.us/law1.cfm.
- 1.2. Prospective vendors are advised to review Nevada ethical standards requirements, including but not limited to NRS 281A, NRS 333.800, and NAC 333.155.

2. PROJECT OVERVIEW

2.1. PURPOSE

- 2.1.1. The State of Nevada, Purchasing Division (Lead State) is requesting proposals for Security & Fire Protection Services in furtherance of the NASPO ValuePoint Cooperative Purchasing Program. The purpose of this Request for Proposals (RFP) is to establish Master Agreements with qualified vendors to provide Security & Fire Protection Services and related equipment for all Participating Entities. The objective of this RFP is to obtain best value, and in some cases achieve more favorable pricing, than is obtainable by an individual state or local government entity because of the collective volume of potential purchases by numerous state and local government entities. The Master Agreement(s) resulting from this procurement may be used by state governments (including departments, agencies, institutions), institutions of higher education, political subdivisions (i.e., colleges, school districts, counties, cities, etc.), the District of Columbia, territories of the United States, and other eligible entities subject to approval of the individual state procurement director and compliance with local statutory and regulatory provisions. The initial term of the master agreement shall be five (5) years, with two (2) option periods of two (2) years each, following renewal provisions as outlined in *Section II of NASPO ValuePoint Master Agreement Terms and Conditions*.
- 2.1.2. It is anticipated that this RFP may result in Master Agreement awards to multiple contractors, in the discretion of the Lead State.
- 2.1.3. This RFP is designed to provide interested vendors with sufficient information to submit proposals meeting minimum requirements but is not intended to limit proposal content or exclude any relevant or essential data. Offerors are encouraged to expand upon the specifications to add service and value consistent with state requirements.
- 2.1.4. While the intent is to provide contracts that are available nationwide, the Lead State will consider proposals on a regional or individual state basis. Small businesses, women owned businesses, minority owned businesses, and veteran owned businesses are encouraged to propose.
- 2.1.5. Multistate use of an award is subject to the approval of the NASPO ValuePoint Executive Council. Awards not approved by NASPO ValuePoint may, at the option of the Lead State, result in a contract for use by the Lead State only. Awards and Master Agreements may be approved in whole or in part. Offeror agrees to hold the Lead State and NASPO harmless and release the Lead State and NASPO from any liability for damages arising from non-award or non-execution of a contract.

2.2. LEAD STATE, SOLICITATION NUMBER, AND LEAD STATE CONTRACT ADMINISTRATOR

- 2.2.1. The State of Nevada Purchasing Division is the Lead State and issuing office for this document and all subsequent addenda relating to it.
- 2.2.2. The reference number for the Solicitation is **99SWC-S1820**. This number must be referenced on all proposals, correspondence, and documentation relating to the RFP.
- 2.2.3. The Lead State Contract Administrator identified on page 1 is the single point of contact during this procurement process. Vendors and interested persons shall direct to the Lead State Contract Administrator all questions concerning procurement process, technical requirements, contractual requirements, requests for brand approval, changes, clarifications, protests, award process, and any other questions that may arise related to this solicitation and the resulting Master Agreement(s).

2.3. DEFINITIONS. The following definitions apply to this solicitation. *NASPO ValuePoint Master Agreement Terms and Conditions* also contains definitions of terms used in this solicitation.

- 2.3.1. **Lead State** means the state conducting this cooperative procurement, evaluation, and award.
- 2.3.2. **Offeror** means a person, company, or firm who submits a proposal in response to this Request for Proposal.
- 2.3.3. **Proposal** means the official written response submitted by an Offeror in response to this Request for Proposal.
- 2.3.4. **Request for Proposals or RFP** means the entire solicitation document, including all parts, sections, exhibits, attachments, and addenda.

2.3.5. **Vendor** has the same meaning as Offeror.

2.4. **BACKGROUND.** NASPO ValuePoint is a division of the National Association of State Procurement Officials ("NASPO"), a 501(c)(3) corporation dedicated to strengthening the procurement community through education, research, and communication. NASPO is made up of the directors of the central purchasing offices in each of the 50 states, the District of Columbia, and the territories of the United States. NASPO ValuePoint facilitates administration of the NASPO cooperative group contracting consortium of state chief procurement officials for the benefit of state departments, institutions, agencies, and political subdivisions and other eligible entities (i.e., colleges, school districts, counties, cities, some nonprofit organizations, etc.) for all states, the District of Columbia, and territories of the United States. For more information please see: www.naspovaluepoint.org and www.naspo.org.

2.5. **PARTICIPATING STATES.** In addition to the Lead State conducting this solicitation, the following Participating States have requested to be named in this RFP as potential users of the resulting Master Agreement: Hawaii, Illinois, Maine, Missouri, Montana, New Mexico, South Dakota, Utah Other entities may become Participating Entities after award of the Master Agreement. Some States may have included special or unique terms and conditions for their state, which are being provided as a courtesy to offerors to indicate which additional terms and conditions may be incorporated into the state Participating Addendum after award of the Master Agreement. The Lead State will not address questions or concerns or negotiate other states' terms and conditions. Participating States shall negotiate these terms and conditions directly with a contractor following award of a Master Agreement. State-specific terms and conditions are included as attachments.

2.6. ANTICIPATED USAGE

2.6.1. The historical three (3) year usage data from the current contracts are:

- A. Fire Services = \$242,402.99
- B. Security Services = \$41,484,096.88

2.6.2. No minimum or maximum level of sales volume is guaranteed or implied.

3. SCOPE OF WORK

3.1. Offerors shall demonstrate in their Proposal how they meet or exceed the requirements of each section of the *Scope of Work* attachment. Offerors shall show each requirement and its response in their Proposal.

3.2. No part of the resulting contract from this solicitation may be performed offshore of the United States, by persons located offshore of the United States or by means, methods, or communications that, in whole or in part, take place offshore of the United States.

4. COST PROPOSAL

4.1. The primary objective of this RFP is to provide national coverage of security and fire protection services. The costs proposed by each Offeror providing national coverage and offering service to all states ("nationwide Offeror") shall represent the maximum, not-to-exceed costs, subject to Subsection 4.5.2, that may be charged to any state or Participating Entity in the country and will be evaluated against the costs proposed by other nationwide Offerors. Nationwide Offerors awarded a Master Agreement may execute Participating Addenda with Participating Entities in any state or U.S. territory.

4.2. An Offeror providing less than national coverage (a "state-by-state Offeror") may still be considered for award of a Master Agreement on a state-by-state basis. State-by-state Offerors must provide service to, and costs for, a minimum of one state and must service the entire state for each state proposed. The costs proposed by each state-by-state Offeror for each state will be evaluated against both nationwide Offerors and all other state-by-state Offerors providing coverage in that state. State-by-state Offerors awarded a Master Agreement may execute Participating Addenda only with Participating Entities in the state(s) the state-by-state Offeror is awarded.

4.3. Cost proposals will be evaluated independent of the technical evaluation. Cost proposal must be submitted to the Lead State as a separate document in a vendor Proposal. Do not embed cost proposal in the technical proposal response.

4.4. Offeror shall provide detailed costs for all costs associated with the responsibilities and related services, per *Cost*

Schedule Attachment.

4.5. INSTRUCTIONS

- 4.5.1. Offeror must submit cost, prices and rates as required in *Cost Schedule*. No other cost format will be accepted. Offeror's proposed costs must be inclusive of all fees and charges, including but not limited to fees or charges for shipping, delivery, credit card payments, and personnel. All costs proposed by Offeror must also be inclusive of the NASPO ValuePoint administrative fee. Proposed costs incorporated into a Master Agreement resulting from this RFP represent not-to-exceed pricing and minimum discounts, where applicable. Except as permitted in Subsection 4.5.2, pricing offered to Participating Entities and Purchasing Entities must be no higher than pricing set forth in the Master Agreement.
- 4.5.2. A Participating Addendum may also require payment of an additional administrative fee by Contractors to a Participating Entity based on sales to Purchasing Entities within the jurisdiction of the Participating Entity. Unless otherwise negotiated by the Participating Entity, Contractor may adjust the Master Agreement pricing incorporated into the Participating Entity's Participating Addendum by an amount not-to-exceed the Participating Entity's fee. Such adjustments will have no effect on the NASPO ValuePoint administrative fee, pricing in the Master Agreement, or pricing offered to Purchasing Entities outside the jurisdiction of the Participating Entity.
- 4.5.3. All parts, supplies, and equipment will be provided at offeror cost plus the fixed materials mark-up proposed. Receipts for materials may be required by Purchasing Entity to document offeror cost.
- 4.5.4. Vendor can agree to rates lower than those proposed with a Participating Entity in a Participating Addenda, service agreement, or project quote.
- 4.5.5. Inspection and Monitoring includes inspection and monitoring of fire extinguishing systems, fire sprinkler systems, alarm monitoring, and fire alarm/protective signaling for offerors who provide those services but not installation/repair.

7. EVALUATION PROCESS

7.1. Proposal evaluation and scoring is conducted in accordance with NRS 333.335 and NAC 333.160-333.165.

- 7.1.1. Proposals shall be kept confidential until a contract is awarded.
- 7.1.2. In the event the RFP is withdrawn prior to award, proposals remain confidential.
- 7.1.3. The evaluation committee is an independent committee established to evaluate and score proposals submitted in response to the RFP.
- 7.1.4. Financial stability shall be scored on a pass/fail basis.
- 7.1.5. The Lead State, at its option, may limit eligibility for award to offerors above a natural break in the technical scores and/or combined technical and cost scores.
- 7.1.6. SOW categories will be evaluated and considered for award separately.
- 7.1.7. Each evaluation committee member will score each technical evaluation factor on a 0-10 scale. After technical scores are finalized, individual scores will be averaged together to create a single 0-10 score for each technical evaluation factor.
- 7.1.8. Each 0-10 evaluation factor will be multiplied by the relative weight to create a weighted score, and then the weighted scores for each evaluation factor are added together to for the total score of a proposal for the individual category.
- 7.1.9. Proposals shall be consistently evaluated and scored based upon the following factors and relative weights.

- A. Demonstrated Competence..... 20
- B. Experience in Performance of Comparable Engagements 20
- C. Conformance with the Terms of This RFP..... 10
- D. Reporting..... 20

- E. Cost: For Categories 1 through 7 and 10 through 16 in the Cost Schedule:
 - 1. Average of Labor and Support Rates (average of items 1 through 9) 20
 - 2. Materials Mark-up (item 12) 10

- F. Cost: For Category 8 in the Cost Schedule:
 - 1. Average of Labor and Support Rates (average of items 1 through 7) 15
 - 2. Materials Mark-up (item 12) 5
 - 3. Average of Extinguisher and Dry Chemical Cylinder services Rates (items 14 through 26) 10

- G. Cost: For Category 9 in the Cost Schedule:
 - 1. Average of Labor and Support Rates (average of items 1 through 5) 15
 - 2. Materials Mark-up (item 8) 5
 - 3. Average of Extinguisher and Dry Chemical Cylinder services Rates (items 10 through 18) 10

7.2. COST SCORING

- 7.2.1. The price proposed for each line item will be evaluated based on the following formula to create a cost score.
 - A. The formula for calculating cost points earned for Proposed Costs for Average of Labor and Support Rates is $\text{Lowest Cost} / \text{Offeror's Cost} \times \text{Cost Points Possible}$.
 - B. The formula for calculating cost points earned for Proposed Mark-ups for Materials Mark-ups is $\text{Lowest Mark-up} / \text{Offeror's Mark-up} \times \text{Cost Points Possible}$.
 - C. The formula for calculating cost points earned for Proposed Costs for Average of Extinguisher and Dry Chemical Cylinder Services is $\text{Lowest Cost} / \text{Offeror's Cost} \times \text{Cost Points Possible}$.

- 7.2.2. The cost score for "Average of Labor and Support Rates" will be a number between 0 and 20 for Categories 1 through 7 and 10 through 16; and 0 and 15 for Categories 8 and 9.
- 7.2.3. The cost score for "Materials Mark-up" will be a number between 0 and 10 for Categories 1 through 7 and 10 through 16; 0 and 5 for Categories 8 and 9.
- 7.2.4. The cost score for "Average of Extinguisher and Dry Chemical Cylinder Services" will be a number between 0 and 10 for Categories 8 and 9.
- 7.2.5. Additional non-itemized pricing in the "Other Labor Categories" will not be scored.
- 7.2.6. The Lead State reserves the right to modify this formula, and/or assign a nominal value to "0" cost values, if application of the formula results in an error, negative points, or an unreasonably skewed distribution of points.
- 7.2.7. At the Lead State's discretion, total cost scores may be normalized and scaled to award the offeror earning the highest total cost score by category the maximum number of cost points possible.
- 7.2.8. In addition to the cost evaluation described above, all costs, including all costs to which a vendor's proposed markup or discount is to be applied, may also be subject to an independent review for reasonableness by the Lead State. Costs determined not to be reasonable or best-value by the Lead State may result in all or part of Offeror's proposal being rejected, regardless of the results of the cost evaluation.

7.3. PRESENTATIONS

- 7.3.1. Following the evaluation and scoring process specified above, the Lead State reserves the right to require offerors to make a presentation of their proposal to the evaluation committee or other staff, as applicable. If presentations are elected by the Lead State, evaluation criteria will be disclosed for the same as necessary.
- 7.3.2. The Lead State, at its option, may limit participation in offeror presentations to vendors above a natural break in the relative scores from technical and cost scores.
- 7.3.3. Following the presentations, the combined technical, cost, and presentation scores will become the final score for a proposal.
- 7.3.4. The Lead State reserves the right to add additional criteria or presentations.
- 7.3.5. The Lead State reserves the right to forego offeror presentations and select offeror(s) based on the written proposals submitted.

7.4. AWARD

- 7.4.1. Award shall be made to the Offeror(s) whose proposal is the most advantageous to the State of Nevada and NASPO ValuePoint, taking into consideration price and the other evaluation factors set forth in this Request for Proposal.

8. MANDATORY MINIMUM REQUIREMENTS

- 8.1. Pursuant to NRS 333.311 a contract cannot be awarded to a proposal that does not comply with the requirements listed in this section. Offeror will confirm that they will comply with each of the requirements in section 8 as reflected herein.
- 8.2. NEVADA LAW AND STATE INDEMNITY. Pursuant to NRS 333.339, any contract that is entered into may not: (1) Require the filing of any action or the arbitration of any dispute that arises from the contract to be instituted or heard in another state or nation; or (2) Require the State to indemnify another party against liability for damages. This requirement is applicable to a Master Agreement executed under this solicitation. Each Participating Addendum will be subject to the laws required by the Participating Entity.
- 8.3. NON-APPROPRIATION. The continuation of a contract beyond the current biennium is subject to and contingent upon sufficient funds being appropriated, budgeted, and otherwise made available by state legislature(s) and/or federal sources. The Lead State may terminate a contract, and contractor waives any and all claims(s) for damages, effective immediately upon receipt of written notice (or any date specified therein) if for any reason the contracting agency funding from state and/or federal sources is not appropriated or is withdrawn, limited, or impaired.
- 8.4. NO BOYCOTT OF ISRAEL. Pursuant to NRS 333.338, the State of Nevada cannot enter a contract with a company unless that company agrees for the duration of the contract not to engage in a boycott of Israel. By submitting a proposal or bid, vendor agrees that if it is awarded a contract, it will not engage in a boycott of Israel as defined in NRS 333.338(3)(a).
- 8.5. CONTRACT RESPONSIBILITY. Awarded vendor shall be the sole point of contract responsibility. The Lead State

shall look solely to the awarded vendor for the performance of all contractual obligations which may result from an award based on this RFP, and the awarded vendor shall not be relieved for the non-performance of any or all subcontractors.

- 8.6. DATA ENCRYPTION. Confirm offeror will comply with Lead State IT requirement that data be encrypted in transit and in rest.
- 8.7. STATESIDE DATA. Confirm offeror will comply with Lead State IT requirement that data assets must be maintained stateside, and data will not be held offshore.
- 8.8. NEVADA BUSINESS LICENSE. Pursuant to NRS 353.007, prior to contract execution awarded vendor must hold a Nevada State business license pursuant to NRS chapter 76 unless exempted by NRS 76.100(7)(b).
- 8.9. DISCLOSURE. Each offeror shall include in its proposal a complete disclosure of any alleged significant prior or ongoing contract failures, contract breaches, any civil or criminal litigation or investigations pending which involves the offeror or in which the offeror has been judged guilty or liable.

9. CRITICAL ITEMS

- 9.1. In addition to the *Scope of Work* and other attachments, the items listed in this section are critical to the success of the project. These items will be used in evaluating and scoring the proposal. Offeror proposal should address items in this section in enough detail to provide evaluators an accurate understanding of offeror capabilities. Proposals that fail to sufficiently respond to these items may be considered non-responsive.

9.2. NASPO ValuePoint MASTER AGREEMENT STATEMENT OF COMPLIANCE

- 9.2.1. NASPO ValuePoint Master Agreement(s) resulting from this RFP will constitute the final agreement except for negotiated terms and conditions specific to a Participating Addendum for a Participating Entity.
- 9.2.2. The Master Agreement will include, but not be limited to, the attached *NASPO ValuePoint Master Agreement Terms and Conditions* and Lead State specific terms and conditions required to execute a master agreement, *99SWC-S1820 Scope of Work*, and selected portions of the offeror Proposal.
- 9.2.3. Offerors must include a statement in their Proposal that they have read and understand all terms and conditions and will comply fully.

9.3. NASPO ValuePoint ADMINISTRATIVE FEE AND REPORTING REQUIREMENTS

- 9.3.1. To be eligible for award, the vendor agrees to pay a NASPO ValuePoint administrative fee as specified in *Section 6 of the NASPO ValuePoint Master Agreement Terms and Conditions*. Moreover, specific summary and detailed usage reporting requirements are prescribed by *Section 7 of NASPO ValuePoint Master Agreement Terms and Conditions*.
- 9.3.2. Contractor will be required to provide reporting contact within 15 days of Master Agreement execution. This information must be kept current during the contract period.

9.4. PROMOTION OF THE NASPO ValuePoint MASTER AGREEMENT

- 9.4.1. The *NASPO ValuePoint Master Agreement Terms and Conditions* include program provisions governing participation in the cooperative, reporting and payment of administrative fees, and marketing/education relating to the NASPO ValuePoint cooperative procurement program. In this regard,

- A. Describe experience working with contracting cooperatives.
- B. List the cooperatives through which you currently have a contract and provide sales volume information for each. Identify any restrictions on pricing and sales imposed by your other cooperative contracts.
- C. Describe how you intend to market your Master Agreement and encourage participation among potential Participating Entities, including state governments.
- D. Describe how you intend to encourage usage of your Master Agreement by Purchasing Entities.
- E. Describe your approach to negotiation of Participating Addenda. Describe the extent to which you provide Participating Entities flexibility in incorporating entity-specific language into their Participating Addenda. Do you require entities to provide statutory citations for specific language?

- 9.5. INSURANCE SCHEDULE. To be eligible for award, offeror agrees to acquire insurance from an insurance carrier or

carriers licensed to conduct business in each Participating Entity state at the prescribed levels set forth in *Insurance Schedule* attachment. Describe your insurance or plans to obtain insurance satisfying the requirements, including ensuring that the named insured matches the offeror business name.

9.6. VENDOR BACKGROUND

- 9.6.1. Provide a description of vendor background and history and explain how vendor is qualified to provide the services described in this RFP.
- 9.6.2. Provide a brief description of the length of time vendor has been providing services described in this RFP to the public and/or private sector.
- 9.6.3. Vendor Profile
 - A. Company full legal name
 - B. Primary business address
 - C. Describe company ownership structure
 - D. Employee size (number of employees)
 - E. Website
 - F. Sales contact information
 - G. Client retention and growth rates during the past three years

9.7. SUBCONTRACTORS

- 9.7.1. Subcontractors are defined as a third party, not directly employed by the contractor, who shall provide services identified in this RFP. This does not include third parties who provide support or incidental services to the contractor.
- 9.7.2. Proposal should include a completed *Attachments for Signature* document for each subcontractor.
- 9.7.3. Vendor shall not allow any subcontractor to commence work until all insurance required of the subcontractor is provided to the vendor.
- 9.7.4. Vendor shall provide any subcontract documentation (contract, scope of work, etc.) and disclosures as soon as practicable if there is a request for activities which are to be subcontracted at a later date.
- 9.7.5. Offeror proposal shall identify specific requirements of the project for which each subcontractor shall perform services.
 - A. How the work of any subcontractor(s) shall be supervised
 - B. How channels of communication shall be maintained
 - C. How compliance with contract terms and conditions will be assured
 - D. Previous experience with subcontractor(s)
 - E. Confirm a willingness to provide the full subcontract between the vendor and subcontractor(s) for review if requested by a Purchasing Entity

9.8. VENDOR STAFF RESUMES

- 9.8.1. A resume shall be included for each proposed key personnel, see *Proposed Staff Resume*.
- 9.8.2. A resume shall also be included for any proposed key subcontractor personnel.
- 9.8.3. Key Personnel. For the purposes of this section, Key Personnel is defined as the national contract manager(s) and point(s) of contact for a Master Agreement. Lead State reserves the right to accept or reject any proposed Key Personnel and to require replacement of Key Personnel. Contractor shall replace Key Personnel when needed with personnel having equivalent education, knowledge, skills, ability, and experience. Contractor must notify Lead State in writing of change in Key Personnel which Lead State, in its sole discretion, may accept. If at any time contractor provides notice of permanent removal or resignation of Key Personnel, new Key Personnel must be designated immediately, and a written transition plan must be provided. Key Personnel requirements are as follows.
 - A. Key Personnel must respond to all inquiries from Lead State, Participating Entities, and Purchasing Entities within 2 business days.
 - B. Key Personnel must be capable of responding to all inquiries related to the contract, or capable of directing an inquiry to appropriate contractor personnel, within 2 business days.
 - C. Key Personnel must have experience in managing a national cooperative contract that is satisfactory in the sole discretion of the Lead State.

- 9.8.4. Participating Entities and Purchasing Entities may elect to identify other requirements for personnel assigned to a

Participating Entity or Purchasing Entity in a Participating Addendum or Order.

9.9. CUSTOMER SERVICE

- 9.9.1. What is the coverage area of your services?
- 9.9.2. What are your hours of operation and when are key account people available to us across time zones?
- 9.9.3. Describe how problem identification and resolution will be handled.
- 9.9.4. How will you service the Lead State and any Participating Addenda accounts? Describe the system you will use to manage the Lead State and any Participating Addendum account.
- 9.9.5. How do you respond to customer complaints and service issues?
- 9.9.6. How do you assess customer satisfaction?
- 9.9.7. What are your quality assurance measures and how are they handled in your organization?

9.10. EXCEPTIONS TO TERMS AND CONDITIONS

- 9.10.1. The Lead State discourages exceptions to contract terms and conditions in the RFP and the *NASPO ValuePoint Master Agreement Terms and Conditions*. Exceptions may cause a proposal to be rejected as nonresponsive when, in the sole judgment of the Lead State (and its evaluation team), the proposal appears to be conditioned on the exception or correction of what is deemed to be a deficiency or unacceptable exception would require a substantial proposal rewrite to correct. Any exceptions to the *Cost Schedule* will not be accepted. If a vendor feels exceptions are necessary to submit a proposal, they should be submitted as redlines to the applicable document in Word format. If a vendor is rejecting language, alternative language must be proposed.
- 9.10.2. Offerors should identify or seek to clarify any problems with contract language, or any other document contained within this RFP during the Q&A.
- 9.10.3. Moreover, offerors are cautioned that award may be made on receipt of initial proposals without clarification or an opportunity for discussion, and the nature of exceptions would be evaluated. Further, the nature of exceptions will be considered in the competitive range determination if one is conducted. In the sole discretion of the Lead State, Exceptions may be evaluated to determine: the extent to which the alternative language or approach poses unreasonable, additional risk; is judged to inhibit achieving the objectives of the RFP; or whose ambiguity makes evaluation difficult and a fair resolution (available to all offerors) impractical given the timeframe for the RFP. Exceptions may result in a Proposal being rejected as nonresponsive and the Lead State is under no obligation to consider exceptions.
- 9.11. PRICE AND RATE GUARANTEE PERIOD. All prices and rates offered shall be guaranteed for the first two-years of the Master Agreement. Any request for price or rate adjustment following that initial two-years shall be limited to one request for increase annually thereafter, as detailed in *Section VI of the NASPO ValuePoint Master Agreement Terms and Conditions*. Any request for a price increase must include justification and will be approved or denied at the sole discretion of the Lead State.

9.12. VENDOR FINANCIAL INFORMATION

- 9.12.1. The information requested in this section is designated as confidential business information by the Administrator pursuant to NRS 333.020(5)(b) and is not public information pursuant to NRS 333.333.
- 9.12.2. This information should be submitted as a separate attachment, flagged as confidential in NevadaEPro.
- 9.12.3. Proposing vendor shall provide the following financial information and documentation:

- A. Dun and Bradstreet Number
- B. Federal Tax Identification Number
- C. The last two (2) full years and current year interim:
 - 1. Profit and Loss Statements
 - 2. Balance Statements

9.13. BUSINESS REFERENCES

- 9.13.1. The information requested in this section is designated as confidential business information by the Administrator pursuant to NRS 333.020(5)(b) and is not public information pursuant to NRS 333.333.
- 9.13.2. Offerors shall provide a minimum of three (3) business references from similar projects performed for private and/or public sector clients within the last five (5) years, see *Reference Questionnaire*.

- 9.13.3. The purpose of these references is to document relevant experience and aid in the evaluation process.
- 9.13.4. Business references should return *Reference Questionnaire* directly to Single Point of Contact via email.
- 9.13.5. Business references will not be accepted directly from proposing vendor.
- 9.13.6. The Lead State will not disclose submitted references but will confirm if a reference has been received.
- 9.13.7. The Lead State reserves the right to contact references during evaluation.

10. SUBMISSION CHECKLIST

- 10.1. This section identifies documents that shall be submitted to be considered responsive. Offerors are encouraged to review all RFP requirements to ensure all requested information is included in their response.

- 10.1.1. Proposals must be submitted as a Quote through NevadaEPro, <https://NevadaEPro.com>.
- 10.1.2. Offerors are encouraged to submit a single file attachment per proposal section if possible.
- 10.1.3. Technical proposal information and Cost proposal information shall not be included in the same attachment.
- 10.1.4. Cost proposal attachment shall not be flagged as confidential in NevadaEPro.
- 10.1.5. Additional attachments may be included, if necessary, but are discouraged and should be kept to a minimum.
- 10.1.6. In lieu of Proprietary Information cross referenced to the Technical Proposal, the Lead State will also accept a full proposal as the Proprietary Information and a redacted version as the Technical Proposal.

10.2. TECHNICAL PROPOSAL

- A. Title Page
- B. Table of Contents
- C. Response to Mandatory Minimum Requirements
- D. Response to Critical Items
- E. Response to Scope of Work
- F. Proposed Staff Resumes
- G. Other Informational Material

- 10.3. PROPRIETARY INFORMATION. If necessary. Attachment should be flagged confidential in NevadaEPro.

- A. Title Page
- B. Table of Contents
- C. Trade Secret information, cross referenced to the technical proposal

10.4. COST PROPOSAL

- 10.5. VENDOR FINANCIAL INFORMATION. Attachment should be flagged confidential in NevadaEPro.

10.6. SIGNED ATTACHMENTS

- A. Vendor Information Response
- B. Vendor Certifications
- C. Confidentiality and Certification of Indemnification
- D. Certification Regarding Lobbying

- 10.7. OTHER ATTACHMENTS. If necessary, not recommended.

- 10.8. REFERENCE QUESTIONNAIRES. Not submitted directly by offeror.

99SWC-S1820 SCOPE OF WORK

1. OVERVIEW

- 1.1. Each Scope of Work category will be evaluated separately by the Evaluation Committee. Committee members will score each category independently. Awards will be made in the best interest of the Lead State and the NASPO ValuePoint cooperative purchasing program.
- 1.2. Multistate use of an award is subject to the approval of the NASPO ValuePoint Executive Council. Awards not approved by NASPO ValuePoint may, at the option of the Lead State, result in a contract for use by the Lead State only.
- 1.3. Vendors may submit a proposal for any or all categories listed but may not submit for less than an entire category. Vendors must clearly identify in their proposal the category or categories, the section number(s), and geographic location for which they are proposing.

1.4. UNIVERSAL REQUIREMENTS

- 1.4.1. Vendor shall ensure facilities are in compliance with all existing Participating Entities' rules and regulations.
- 1.4.2. Vendor shall comply with current National Fire Protection Association (NFPA) Standards, Participating Entities Contractor's Board Licensing, and Participating Entities State and Local Fire regulations at the time supplies or systems are delivered pursuant to an order under the Master Agreement.
- 1.4.3. Vendor shall ensure services are conducted by a State Certified/Licensed Technician.
- 1.4.4. Vendor services are conducted in accordance with any certification requirements within Participating Entities.
- 1.4.5. All equipment shall be compatible to best industrial standards and must function as designed after installation.
- 1.4.6. Vendor shall not apply surcharges for transportation, fuel, energy, insurance, or any other reason.
- 1.4.7. Vendor shall ensure permits must be current and remain current.
- 1.4.8. When providing services, vendor must discuss findings with the Purchasing Entity point of contact prior to leaving site and submit a report to the Purchasing Entity including the findings no later than 24 hours after inspection.
- 1.4.9. Inspections performed shall include the cost of the initial inspection, any required maintenance, and any needed follow-up inspections (at no additional cost for the follow up inspection).
- 1.4.10. Vendor must be an authorized reseller of any manufacturer brand offered. Certification must be made available to the Lead State and Participating Entities upon request.
- 1.4.11. Vendor must not allow any part of the resulting contract from this solicitation be performed offshore of the United States by persons located offshore of the United State or by means, methods, or communications that, in whole or in part, take place offshore of the United States.
- 1.4.12. Vendor may offer additional services as related to awarded categories.

1.5. CONTRACT USAGE

- 1.5.1. All services performed under these contracts should have an executed service agreement, purchase order, or similar between Purchasing Entity and vendor prior to performance of work.
- 1.5.2. Use of a contract does not require further competition. However, a Purchasing Entity may, and are encouraged to, conduct informal competition by request a project specific technical and cost proposal from multiple qualified contractors prior executing a service agreement for a project or on-going support.
- 1.5.3. In developing an informal request, service agreement, or other project document, a Purchasing Entity can request firm-fixed-fee deliverable based pricing for a project. In providing a quote or estimate vendor must document how project pricing is determined based on the Master Agreement pricing. Once a service agreement, purchase order, or similar has been executed between Purchasing Entity and vendor the fixed project pricing applies.
- 1.5.4. When requesting project specific proposals, a Purchasing Entity is not required to select the lowest priced proposal, but can select a proposal in the best interest of the Purchasing Entity.
- 1.5.5. There is no guarantee of contract usage or distribution across awarded contracts.
- 1.5.6. Contracts are not exclusive. Purchasing Entities reserve the right to solicit separately for an individual project that otherwise would be covered under these contracts using any legally authorized procurement method.
- 1.5.7. Vendor may enter an agreement with a Purchasing Entity under resultant contract, so long as the effective date of such agreement is prior to the expiration of the contract.
- 1.5.8. If vendors will require agencies to sign a subordinate agreement, such agreement terms must be approved by each Purchasing Entity prior to signing.
- 1.5.9. Contractors shall provide separate quotes within 48 hours of request (unless otherwise approved by Purchasing Entity) for each new or replacement installation as required by a Purchasing Entity. Quotes should offer price differences for lease and purchase options as requested by the Purchasing Entity.
- 1.5.10. Contractors shall provide separate quotes within 48 hours of request (unless otherwise approved by Purchasing Entity) for maintenance of new and existing systems as required by each Purchasing Entity. Quotes should offer price differences for lease and purchase options as requested by the Purchasing Entity.

99SWC-S1820 SCOPE OF WORK

- 1.5.11. Purchasing Entity may have proprietary equipment. Vendor is responsible for working with or notifying a Purchasing Entity regarding maintenance and repair of proprietary equipment.
- 1.5.12. Vendor shall designate a single point of contact to be liaison for Participating Entity information technology staff to handle day-to-day operations.

 - 1. Fire Extinguishing Systems
 - 2. Fire Sprinkler Systems
 - 3. Alarm Monitoring
 - 4. Fire Alarm/Protective Signaling Systems

2. CATEGORY DESCRIPTIONS AND DETAILS

2.1. BACKFLOW PREVENTION SYSTEM

2.1.1. Backflow prevention systems prevent contamination of the potable water distribution through infiltration of stagnant water or substances from industrial or fire protection piping. Regularly scheduled maintenance and service of backflow prevention devices helps prevent potential health issues due to water supply contamination. Certified inspection and testing services must include a written report of inspection findings, including any specific recommendations for corrective action where needed.

2.1.2. Inspections

- A. Each backflow prevention device to determine whether it is in service and in satisfactory condition.
- B. Site and identify any conditions that could potentially compromise the performance of mechanical and/or electronic components of the backflow preventers
- C. Backflow preventer control valves for proper position, general condition, and accessibility
- D. The general condition of backflow preventers, piping, hangers, drains, test ports and related equipment

2.1.3. Additional Requirements

- A. Conduct required annual performance differential test
- B. Tag devices as required and perform all required record-keeping/reporting
- C. Provide a brief written report of the inspection to Purchasing Entity, detailing any deficiencies
- D. Be sure Purchasing Entity is updated with proper operation of the equipment, as needed

2.2. STANDPIPE INSPECTIONS – FIRE HOSE

2.2.1. For ordering entities with existing standpipes and fire hose systems in-service, and in accordance with applicable codes, fire hose is to be taken from its rack, unrolled, and physically inspected at least once a year. Hose must be replaced on the rack so that folds do not occur at their former positions. Inspection and re-racking procedure are to identify any problems, maintain the functional condition of the hose and provide a measure of safety at the time of a fire until firefighters can arrive.

99SWC-S1820 SCOPE OF WORK

- 2.2.2. Remove the hose from its rack, and check:
 - A. Last hydro-test date is within code requirements
 - B. Condition of couplings
 - C. Condition of the threads
 - D. Condition of gasket in the coupling, replace if necessary
 - E. Valve for damage, rot, or mildew
 - F. Hose for damage, rot, or mildew
 - G. Nozzle for damaged threads and damaged or blocked tip
 - H. Verify standpipe hose threads match type used by local Fire Department. If threads do not match, an adapter should be supplied
- 2.2.3. Reattach coupling to valve
- 2.2.4. Reposition the hose on the rack so that folds do not occur in previous positions
- 2.2.5. Replace nozzle and attach it to the nozzle clip on the rack
- 2.2.6. Tag the unit properly
- 2.2.7. Check the cabinet for easy access and, where applicable, check that the glass is intact
- 2.2.8. Observe the hazard area to confirm that there is sufficient hose to reach in any direction
- 2.2.9. Check that the standpipe is visible and unobstructed. If it is obstructed, notify the Purchasing Entity representative, and have the area cleared
- 2.2.10. Provide a brief written report of the inspection to Purchasing Entity, detailing any deficiencies
- 2.2.11. Be sure Purchasing Entity is updated with proper operation of the equipment, as needed
- 2.3. AUTOMATIC FIRE PUMPS
 - 2.3.1. Automatic fire pumps boost water pressure for high hazard areas and where water demand exceeds available pressure. In the event of pump failure, a sprinkler system will not perform at the required levels established for adequate protection of a facility and its occupants. To ensure proper operation of automatic pumps, a scheduled comprehensive inspection and test is required in accordance with local, state, and federal codes. Certified pump tests must include a written analysis addressing the current performance of inspected pump equipment. A report of the inspection findings must also include recommendations for corrective action where needed.
 - 2.3.2. Inspect
 - A. Automatic fire pumps to determine if they are in service and in satisfactory condition in accordance with NFPA standards
 - B. Site conditions and identify any issues that could compromise the performance of mechanical and/or electronic components of the pumps
 - C. Inspect automatic fire pump control valves for proper position, general condition, accessibility, and appropriate signage
 - D. Inspect automatic fire pump test header for satisfactory condition
 - E. Inspect automatic fire pump alarm components for satisfactory condition
 - 2.3.3. Additional Requirements
 - A. Check general condition of automatic fire pump piping, hangers, drain valves, check valves, gauges, and related equipment
 - B. Conduct required annual performance flow test
 - C. Tag devices as required and perform required record-keeping
 - D. Provide a brief written report of the inspection to Purchasing Entity, detailing any deficiencies
 - E. Be sure Purchasing Entity is updated with proper operation of the equipment, as needed
- 2.4. FIRE SPRINKLER SYSTEMS
 - 2.4.1. Inspections shall be carried out in accordance with local, state, and federal codes. Each inspection shall include a report of the inspection results, and include recommendations for any corrective actions, where needed.
 - 2.4.2. Inspections
 - A. System to determine whether it is in service, and all components are in satisfactory condition in accordance with NFPA standards

99SWC-S1820 SCOPE OF WORK

- B. Test fire sprinkler system alarm components
- C. Sprinkler heads for adequate clearance and condition to verify proper distribution and activation
- D. Sprinkler control valves for proper position, general condition, accessibility, and appropriate signage

2.4.3. As Needed

- A. Clean pilot lines and solenoid strainers thoroughly
- B. Disassemble the solenoid release and inspect and clean interior

2.4.4. Additional Requirements

- A. Discuss Agencies' general storage and stock arrangements for combustibles in relation to fire sprinkler system protection
- B. Tag devices as required and perform required record-keeping
- C. Identify site conditions that could compromise mechanical and/or electronic components of system
- D. Provide a brief written report of the inspection to Purchasing Entity, detailing any deficiencies
- E. Be sure Purchasing Entity is updated with proper operation of the equipment, as needed

2.4.5. Inspection and draining of low points will be ordered at intervals specified by the Purchasing Entity but will comply with NFPA requirements. Provide a written report of the inspection to Purchasing Entity. Services for inspection and draining of all low-point drains on a seasonal, as-needed basis are to avoid pipe breakage and accidental tripping of systems due to freezing.

2.5. FIRE DETECTION – FIRE ALARM SYSTEM

2.5.1. The reliability of fire detection and fire alarm systems is crucial to providing safety to building occupants and protection of property. All inspection services will be performed in accordance with appropriate local, state, and federal codes. Each inspection service must test that those systems operate as designed, which minimizes the incidence of false alarms that interrupt business operations. All inspections must be conducted by certified fire detection and alarm inspection technicians. When specified, inspection services will include inspecting fire suppression system. A report of inspection findings will be prepared.

2.5.2. Category is for installed devices and equipment including, but not limited to, all smoke detectors, heat detectors, carbon monoxide detectors, flame detectors, water flow switches, pull stations, remote annunciators, horns, strobes, fuses, lamps, LEDs, control panels, control equipment, batteries, and wiring or cabling.

2.5.3. Inquire

- A. Regarding any changes or modifications of the fire detection and alarm system
- B. Regarding changes in the general occupancy environment, operations and conditions relating to the fire detection and alarm system in accordance with NFPA recommended procedures
- C. Regarding the Agencies general storage and stock arrangements for combustibles in relation to fire alarm and suppression systems

2.5.4. Inspections

- A. Each system to determine whether it is in service and in satisfactory condition in accordance with NFPA standards
- B. Site conditions and identify any issues that could compromise the performance of mechanical and/or electronic components of the system
- C. The general condition of the fire alarm panel and related equipment
- D. Test smoke and heat detectors in accordance with manufacturer specifications
- E. Fire alarm control panels and remote fire alarm panels
- F. All annunciators and zones physically and visually, and test by tripping a detector
- G. Add meter batteries
- H. Exercise flow switches, tamper switches and low-pressure alarms
- I. Output relays and test their activation
- J. Verify, if applicable, that all signals are received by designated alarm service provider
- K. All smoke detectors for cleanliness. Clean all detectors that require cleaning in accordance with manufacturer guidelines, as applicable
- L. Operability of non-restorable heat detector circuits by simulating electrical operation at the wiring connection
- M. Test functionality of all accessible heat-actuating devices, both electrically and pneumatically in accordance with manufacturer specification. When explosive conditions are present, hot water shall be used to heat-test accessible

99SWC-S1820 SCOPE OF WORK

- heat actuating devices
- N. And exercise all supervised control valves and switches

2.5.5. Additional Requirements

- A. During testing of the fire detection system, activate outputs for the purpose of equipment shutdown, start-up, and HVAC/smoke control
- B. Tag devices as required and perform required record-updates
- C. Provide a brief written report of the inspection to Purchasing Entity, detailing any deficiencies
- D. Be sure Purchasing Entity is updated with proper operation of the equipment, as needed

2.6. EMERGENCY LIGHTING

- 2.6.1. In the event of power loss or fire, building occupants depend on emergency lighting and exit signs that guide evacuees to safety. Improperly maintained emergency lighting systems are unacceptable. Vendor is required to perform complete inspections of these systems in accordance with applicable codes. Vendor providing maintenance services for these systems are required to maintain an adequate inventory of replacement parts applicable to servicing a full range of system brands.

2.6.2. Inspections

- A. Each system to determine whether it is in service and in satisfactory condition in accordance with NFPA standards
- B. Site conditions and identify any issues that could compromise the performance of mechanical and/or electronic components of the emergency lighting system
- C. Test each unit to ensure that lighting systems will illuminate a minimum of 90 minutes (OSHA, NFPA and NEC minimum standards)
- D. Adjust the PC board float voltage, where applicable to ensure extended life of batteries and other key components
- E. All bulbs and lamp heads to ensure they are operational and meet code-specified lighting requirements.
- F. All exit signs for proper function
- G. Clean all battery terminals and leads
- H. Emergency lights and exit signs for appropriate placement

2.6.3. Additional Requirements

- A. Check energy efficiencies of all units, bulbs, and lamps
- B. Tag devices as required and perform required record-keeping
- C. Provide a brief written report of the inspection to Purchasing Entity, detailing any deficiencies
- D. Be sure Purchasing Entity is updated with proper operation of equipment, as needed

2.7. SPECIAL HAZARD FIRE SUPPRESSION SYSTEMS

- 2.7.1. Used where chemicals, flammables, equipment or processes require specialized fire suppression strategies. Such systems protect aircraft, computer rooms, fuel pump islands, clean rooms, rare documents, telecommunications centers, power plants, tire storage facilities and many other high-values and/or high-hazard assets. The suppression agents vary with the application, and may include CO₂, FM200, Inergen, Novec1230, FE25/ECARO 25, foam, dry chemical, or other special chemical formulations. A written report of findings from inspection must include recommendations for corrective action where needed.

2.7.2. Inspections

- A. System to determine whether it is in service and in satisfactory condition, in accordance with NFPA standards
- B. Site conditions, and identify any issues that could compromise the performance of mechanical and/or electronic components of the system
- C. Discharge devices for adequate condition and clearance to allow for proper distribution and activation
- D. Each release control device for proper position, general condition, accessibility, and appropriate signage
- E. Each special hazard system, and conduct required tests, weather permitting. (In case of inclement weather, technician will need to reschedule for earliest possible date)
- F. Fire Department connection couplings, caps, threads, clappers, check valves and drains
- G. General condition of visible and accessible piping, hoses, hangers, drain valves, gauges, and related equipment
- H. Cylinders, straps, and outlet fittings connected to the discharge manifold for tightness and bracing
- I. Agent storage devices for the proper quantity of extinguishing agent, check storage pressure, and record the last hydro-test date for agent cylinders and hoses

99SWC-S1820 SCOPE OF WORK

2.7.3. Additional Requirements

- A. Changes in building status that may affect the performance or reliability of the special hazard system, including obstructions
- B. Changes or modifications made to the special hazard fire suppression system
- C. General storage and stock arrangements for combustibles in relation to special hazard fire suppression
- D. Tag devices as required and perform all required record-keeping
- E. Provide a brief written report of the inspection to Purchasing Entity
- F. Be sure Purchasing Entity is updated with proper operation of the equipment, as needed

2.8. PORTABLE FIRE EXTINGUISHER INSPECTION, SERVICE, and TESTING

2.8.1. Portable extinguishers must be tested to be certain that they are charged and in proper working order, and suitably located according to their potential hazard environment. All fire extinguisher inspections, service, selection and placement, will be conducted annually in compliance with all applicable codes, and each extinguisher use class must be clearly identified, properly positioned and appropriate to location. Following inspection, a written report of findings shall be provided noting inspection date, time, and service technician. The report will also identify equipment type/class or placement discrepancies and offer recommendations, if applicable.

2.8.2. Inspections

- A. Each unit to be sure it is properly hung with the proper manufacturer hanger
- B. Gauge pressure
- C. Condition of gauge and its compatibility with extinguisher
- D. Weight of extinguisher
- E. Last hydro-test test date is within code requirements
- F. Last 6-year maintenance inspection, if applicable
- G. Valve and shell for damage or corrosion
- H. Hose and inspect it for cracks or splits (remove hose to inspect closely)
- I. Hose threads for signs of wear
- J. Condition of discharge horn
- K. For obstructions that may interfere with access to the extinguisher.
- L. Additionally, by breaking extinguisher seal and remove locking pin
- M. Upper and lower handles

2.8.3. Additional Requirements

- A. Replace locking pin and reseal extinguisher
- B. Inspect valve opening for powder or any foreign matter
- C. For dry extinguishers, fluff the powder by turning the unit
- D. Clean extinguisher shell with spray cleaner
- E. Return hose to its proper position
- F. Check condition of hose/horn retention band at the side of the extinguisher
- G. Verify that each unit classification is properly identified with the appropriate decal
- H. Check that all operating instructions are clean and legible
- I. Properly tag each extinguisher
- J. Survey the area around the unit to verify that the unit classification corresponds properly with all potential hazards
- K. Verify unit is properly located within normal travel pathways and positioned at a conspicuous and accessible height
- L. Ensure unit is visible and unobstructed
- M. Replace extinguisher on its hanger
- N. Provide a brief written report of the inspection to Purchasing Entity, detailing any deficiencies

2.9. NEW PORTABLE FIRE EXTINGUISHER SALES

2.9.1. Minimum requirements of all new fire extinguishers:

- A. All fire extinguishers, including all component hardware, charge, and propellant, shall be new
- B. Must have a minimum six-year factory warranty, which shall begin upon Purchasing Entity's Acceptance of the Product
- C. Must meet all organizational (UL, DOT, NFPA, OSHA, FEMA, etc.) standards
- D. Must be corrosion resistant and be painted red, except water spray-type (class A), which shall be stainless steel
- E. Valve assemblies must be metal

99SWC-S1820 SCOPE OF WORK

- F. Purchasing Entity must be made aware when the next inspection will require the current extinguisher to be replaced, and at what cost

2.9.2. Additional Requirements

- A. Extinguishers must be delivered with a current inspection tag
- B. Packaging and shipping must conform to applicable federal and state regulations
- C. Deliveries must have HM-126C MSDS sheets for proper extinguishing agents
- D. A 24-hour toll free 800 number must appear on all copies of the invoice/packing slip. 8. All invoiced shipments must be delivered in accordance with all state and federal regulations
- E. Vendor is required to replace defective, incorrect contents, incorrectly sized or incorrectly placed fire extinguishers at no charge, and within 12 hours of notification

2.10. KITCHEN FIRE SUPPRESSION – COMMERCIAL HOOD SYSTEM

- 2.10.1. Most commercial kitchens use high-temperature appliances, cooking oils, and solid fuels. Kitchen fire suppression systems must be in peak working condition to ensure the safety of employees and patrons alike. In government and educational food service environs, safety considerations are especially important

- 2.10.2. Inspections must be performed in accordance with applicable standards, current codes and requirements for this equipment, including use of dry chemical extinguishing agents. All inspections must be scheduled and conducted with the goal of minimizing downtime

- 2.10.3. User personnel must be familiarized with the proper use and care of kitchen fire suppression systems to reduce the possibility of expensive, unnecessary discharges, resulting in safer, more productive working environments for staff. A detailed, written report of all inspection findings is required, including recommendations for any corrective actions where needed

2.10.4. Inspections

- A. System to determine whether it is in service, and all components are in satisfactory condition in accordance with NFPA standards
- B. Site conditions and identify any issues that could compromise the performance of mechanical and/or electronic components of system
- C. And test remote pulls for condition and operability
- D. Automatic trips perform a trip test of system
- E. Test manual release of system

2.10.5. Additional Requirements

- A. Verify mechanical operation of system
- B. Check gas shutoff function, if applicable, or electrical shutoff function, if applicable
- C. Replace fusible links where required
- D. Inspect system components for cleanliness
- E. Restore system to normal operation
- F. Reset system
- G. Install new tamper seals
- H. Inspect suppression agent cylinder
- I. Verify cylinder/cartridge pressure, agent weight and condition
- J. Check that last hydro-test test date is within code requirements
- K. Inspect and verify piping/bracing to manufacturer specifications
- L. Inspect all nozzles and verify that they are properly aimed, free of any damage or blockages, and have proper blow-off caps intact
- M. Verify that system Owner's Manual is available on-site
- N. Verify that a proper portable fire extinguisher is available in an easily seen, accessible location, and a suitable type to the environment
- O. Ask Purchasing Entity about general occupancy relating to the kitchen fire suppression system in accordance with all applicable NFPA recommended procedures
- P. Inspect for any changes in the hazard area that may affect performance and reliability of fire suppression system
- Q. Tag devices as required and perform required record-keeping
- R. Compile a report of the inspection
- S. Familiarize the Purchasing Entity with proper operation of system equipment

2.11. COMMERCIAL HOOD SYSTEMS CLEANING

99SWC-S1820 SCOPE OF WORK

- 2.11.1. The State desires that vendors incorporate, to the fullest extent possible, environmentally responsible business practices. To that end, the State expects all prospective contractors to demonstrate commitment to and experience in environmental sustainability and public health protection practices applicable to their line of services. In accordance with State EPP Policy, the cleaning products used for Commercial Hood Systems Cleaning should be in accord with the standards and recommendations of the United States Environmental Protection Agency EPP program, the Green Seal organization, and standards and practices specified by the U.S. Green Building Council. Hood cleaning products registered under NSF International are also acceptable.
- 2.11.2. Vendor to Provide
 - A. High pressure spray unit(s) for cleaning commercial hoods
 - B. Purchasing Entity representative with a cleaning schedule
 - C. When cleaning multiple units, schedule off-peak hours for cleaning
 - D. Prearrange with Purchasing Entity representative for kitchen key(s) and roof accessibility, as applicable
 - E. Ladder(s) for buildings without roof access and all other ladder requirements
 - F. Lighting accessories
 - G. Tools and equipment necessary to perform hood cleaning & clean-up
 - H. Grease bearings on blower shaft, (if noted on job order)
 - I. Return all issued keys to agencies representative upon completion of job (if applicable)
- 2.11.3. Hood System Cleaning Scope of Work
 - A. Kitchen Setup
 - 1. Turn off appliances and pilot lights
 - 2. Remove or place boards over deep fat fryers
 - 3. Place boards over range, cookers, etc.
 - 4. Place polyurethane over all appliances and clip to troughs
 - 5. Clip and drape polyurethane from the hood canopy, directing water to suitable drain or collection container
 - B. Remove grease filters
 - C. Clean filters, as noted on job order
 - D. Set-Up for Roof Fan Cleaning
- 2.12. ACCESS CONTROL SYSTEMS
 - 2.12.1. Access Control System (TACACS) is a centralized access control system that requires users to send an ID and static (reusable) password for authentication. TACACS uses UDP port 49 (and may also use TCP). Reusable passwords are a vulnerability; the improved TACACS+ provides better password protection by allowing multifactor authentication.
 - 2.12.2. The Access Control Systems category includes, but is not limited to the following services:
 - A. All aspects of access control system services
 - B. Installation of new systems
 - C. Replacement or upgrade of systems
 - D. Removal of existing systems
 - E. Integration of various types of systems
 - F. Provide and install all related equipment and any items necessary for operation and installation of equipment such as wires and fasteners that are needed to complete work
 - 2.12.3. Maintenance and repair (including emergency repairs) of systems
 - A. Respond on site to trouble calls within four (4) hours, including weekends and holidays
 - B. Repair personnel must carry adequate hardware inventory to replace, repair, and/or maintain each system at the time dispatched
 - C. Repair personnel must be prepared to provide an immediate replacement for defective equipment and shall not remove a defective unit without an immediate replacement
 - D. Replacement and repair of equipment must be provided to a specific location, or within an assigned geographical area inside a location

99SWC-S1820 SCOPE OF WORK

2.12.4. Provide programming and work individually with each Participating Entity information technology staff when installing new or maintaining previously installed systems.

2.13. BURGLAR ALARM SYSTEMS

2.13.1. The Burglar Alarm Systems category includes, but is not limited to the following services:

2.13.2. All aspects of burglar alarm system services

2.13.3. System Monitoring:

A. Provide a 24-hour (UL) station

B. Provide backup communication, i.e., radio or cell phone

2.13.4. Installation of new systems

2.13.5. Replacement or upgrade of systems

2.13.6. Removal of existing systems

2.13.7. Maintenance and repair (including emergency repairs) of systems

A. Respond on site to trouble calls within four (4) hours, including weekends and holidays

B. Repair personnel must carry adequate hardware inventory to replace, repair, and/or maintain each system at the time dispatched

C. Repair personnel must be prepared to provide an immediate replacement for defective equipment and shall not remove a defective unit without an immediate replacement

D. Replacement and repair of equipment must be provided to a specific location, or within an assigned geographical area inside a location

2.13.8. Integration to existing systems as requested

2.13.9. Provide and install all related equipment and items that are needed to complete work

2.13.10. The authorized Purchasing Entity representative and/or designee will identify the procedures by which work requests will be assigned

2.13.11. Existing systems must be matched in any new additions or new construction. During renovations, the system in the renovated area being replaced must match the system that is currently in operation and must become an integral part thereof. Vendors must ensure complete connectivity and integration to each existing system in those instances where an addition or upgrade is warranted

2.13.12. Designate a single point of contact who can address the programming needs of alarm systems in use throughout Purchasing Entity facilitates with a certified tech

2.13.13. Vendors must possess the ability to provide for individual access codes

2.14. SURVEILLANCE SERVICES AND EQUIPMENT

2.14.1. This category includes, but is not limited to the following services:

2.14.2. All aspects of cloud-based and video surveillance systems, services, and equipment

2.14.3. Installation of new systems

2.14.4. Replacement or upgrade of systems

2.14.5. Removal of existing systems

2.14.6. Maintenance and repair (including emergency repairs) of systems

 - A. Asbestos may be present in facilities and may be encountered in previously inspected buildings.
 - B. Upon discovering asbestos or a suspected asbestos-containing material (ACM), all work shall immediately stop in the affected area and contractor will immediately contact the project manager and/or building owner;
 - C. The project manager and/or building owner shall assume responsibility for taking material samples for testing; and
 - D. The project manager/building owner will convey all pertinent information regarding asbestos test results to the vendor and, if necessary, conduct any required remediation prior to resuming work in the affected area.
 - E. All remediation work must be performed by a contractor specifically licensed and/or certified to perform asbestos remediation.
 - F. Vendors may be held liable for violations of any applicable federal, state and/or local environmental laws or regulations, whether committed through action or inaction.

99SWC-S1820 SCOPE OF WORK

3.3. GENERAL

- 3.3.1. Vendor must guarantee workmanship at vendor expense for a period of twelve (12) months from date of installation.
- 3.3.2. Work shall be performed in accordance with manufacturers' recommendations and with all current local codes, regulations, and installation guidelines.
- 3.3.3. Vendor may be required to do some work after normal business hours (8am-5pm, unless otherwise specified by the Purchasing Entity); however, it is anticipated that most work will be completed during normal business hours.
- 3.3.4. Vendor staff is responsible for performing a standard site walk-through and providing competent personnel to perform the specific scope(s) required. Due to the nature of these scopes of work and the liability involved, each Purchasing Entity will have the final determination of competency in all matters regarding personnel provided by vendor.
- 3.3.5. Once vendor has possession of equipment to be installed, responsibility for all equipment, including storage during installation work, shall be at vendor expense when storage space is unavailable at a jobsite.

3.4. PENALTY FOR IMPROPER PRICING

- 3.4.1. Vendor is responsible for ensuring all prices proposed for all projects are accurate and consistent with the terms of the contract.
- 3.4.2. For all projects completed under this contract: if vendor submits an invoice containing incorrect pricing in favor of vendor, that vendor shall submit a new, corrected invoice with a 25% reduction in cost for each incorrectly priced item.
- 3.4.3. If vendor continues to provide incorrect invoicing each Purchasing Entity has the option to cancel their contract in its entirety without penalty.
- 3.4.4. Vendors are not allowed to charge fees above or in addition to pricing set forth in the MA after award has been made. Failure to comply may be grounds for cancellation of the contract.

3.5. STANDARD OF PERFORMANCE AND ACCEPTANCE

- 3.5.1. The Standard of Performance applies to all product(s) purchased under this Master Agreement, including any additional, replacement, or substitute product(s), as well as any product(s) which are modified by or with the written approval of the vendor and acceptance by the Purchasing Entity.
- 3.5.2. The Acceptance Testing period shall be seven (7) calendar days, or any other time period identified in the solicitation or the Participating Addendum, beginning with the day after the product is installed and/or certification is received that the product is ready for Acceptance Testing.
- 3.5.3. If the product does not meet the Standard of Performance during the initial period of Acceptance Testing, the Purchasing Entity may, at its discretion, continue Acceptance Testing on a day-to-day basis until the Standard of Performance is met.
- 3.5.4. Upon rejection, the vendor will have three (3) calendar days to cure any Standard of Performance issue(s).
- 3.5.5. If, after the cure period, the product still has not met the Standard of Performance, the Purchasing Entity may, at its option:
 - A. Declare the vendor to be in breach and terminate the order
 - B. Demand a replacement product from the vendor at no additional cost to Participating Entity or
 - C. Continue the cure period for an additional time period agreed upon by the Participating Entity and the vendor.
- 3.5.6. Vendor shall pay all costs related to the preparation and shipping of returned products.
- 3.5.7. No product shall be accepted, and no charges shall be paid until the Standard of Performance is met.
- 3.5.8. The warranty period will begin upon the Purchasing Entity acceptance.

- 3.6. TRAVEL. All travel will be negotiated within each Participating Addendum. Travel may be subject to limits of Participating Entity rules.

- 3.7. AUTHORIZATION TO WORK. Vendor is responsible for ensuring that all employees and/or subcontractors are authorized to work in the United States.

- 3.8. SYSTEM COMPLIANCE WARRANTY. Licensor represents and warrants: (a) that each Product shall be Date Compliant; will operate consistently, predictably and accurately, without interruption or manual intervention, and in accordance with all requirements of this Agreement, including without limitation the Applicable Specifications and the Documentation, during each such time period, and the transitions between them, in relation to dates it encounters or processes; (b) that all date recognition and processing by each Product will include the Four Digit Year Format and will correctly recognize and process the date of February 29, and any related data, during Leap Years; and (c) that all date sorting by each Product that includes a "year category" shall be done based on the Four Digit Year Format.

99SWC-S1820 SCOPE OF WORK

4. TERMS AND CONDITIONS FOR GOODS

- 4.1. EXPRESS WARRANTIES. For the period specified on the face of the contract, contractor warrants and represents each of the following with respect to any goods provided under the contract, except as otherwise provided on incorporated attachments:
- 4.1.1. Fitness for Particular Purpose; The goods shall be fit and be sufficient for the particular purpose set forth in the solicitation documents.
 - 4.1.2. Fitness for Ordinary Use; The goods shall be fit for the purpose for which goods of a like nature are ordinarily intended, it being understood that the purpose for the goods covered by the contract are ordinarily intended is general government administration and operations.
 - 4.1.3. Merchantable; Good Quality, No Defects; The goods shall be merchantable, of good quality, and free from defects, whether patent or latent, in material and workmanship.
 - 4.1.4. Conformity; The goods shall conform to the standards, specifications and descriptions set forth in the incorporated attachments. If contractor has supplied a sample to the State, the goods delivered shall conform in all respects to the sample and if the sample should remain in State possession it shall be identified by the word "sample" and the signature of contractor sales representative.
 - 4.1.5. Uniformity; The goods shall be without variation, and shall be of uniform kind, quality, and quantity within each unit and among all units.
 - 4.1.6. Packaging and Labels; The goods shall be contained, packaged, and labeled so as to satisfy all legal and commercial requirements applicable to use by a government agency, including without limitation, OSHA material safety data sheets and shall conform to all statements made on the label.
 - 4.1.7. Full Warranty; The foregoing warranties are "full" warranties within the meaning of the Magnuson-Moss Warranty - Federal Trade Commission Improvement Act, 15 U.S.C. § 2301 et seq., and implementing regulations 16 C.F.R. pts. 700-703, if applicable to this transaction.
 - 4.1.8. Infringement Indemnity; Refer to NASPO ValuePoint Master Agreement Terms and Conditions, Section 33.
 - 4.1.9. Usage of Trade; Course of Dealings; Implied Warranties. contractor shall also be bound by any other implied warranty that, at the time of execution of the contract, prevails in the trade of government in the marketing area in and about the State of Nevada. contractor shall also be bound by any other implied warranty arising through course of dealings between contractor and the State from and after the execution of the contract. contractor shall also be bound by all warranties set forth in Nevada Uniform Commercial Code (NRS Title 8) in effect on the date of execution of the contract.
 - 4.1.10. Obsolete Equipment; Agencies or Entities will not be billed/invoiced for upgraded equipment due to obsolete equipment owned by the vendor.
 - 4.1.11. Warranties Cumulative; It is understood that warranties created by the contract, whether express or implied, as well as all warranties arising by operation of law that affect the rights of the parties under the contract, are cumulative and should be construed in a manner consistent with one another.
 - 4.1.12. Priority of Warranties; If it is held by a court of competent jurisdiction that there is an irreconcilable conflict between or among any of the warranties set forth in the contract and any warranties implied by law, the parties agree that the specifications contained in the contract shall be deemed technical and mere language of description.
 - 4.1.13. Beneficiaries of Warranties; Benefit of any warranty made in the contract shall be in favor of the State of Nevada and Participating Entities, any of their political subdivisions or agencies, and any employee or licensee thereof who uses the goods, and the benefit of any warranty shall apply to both personal injury and property damage.
- 4.2. DELIVERY; INSPECTION; ACCEPTANCE; RISK of LOSS. contractor agrees to deliver the goods as indicated in the contract, and upon acceptance by the Purchasing Entity, title to the goods shall pass to the Purchasing Entity unless otherwise stated in the contract. The Purchasing Entity shall have the right to inspect the goods on arrival and, within a commercially reasonable time, the Purchasing Entity must give notice to contractor of any claim or damages on account of condition, quality, or grade of the goods, and the Purchasing Entity must specify the basis of the claim in detail. Acceptance of the goods is not a waiver of UCC revocation of acceptance rights or of any right of action that the Purchasing Entity may have for breach of warranty or any other cause. Unless otherwise stated in the contract, risk of loss from any casualty, regardless of the cause, shall be on contractor until the goods have been accepted and title has passed to the Purchasing Entity. If given any, the Purchasing Entity agrees to follow reasonable instructions regarding return of the goods.
- 4.3. NO ARRIVAL; NO SALE. The contract is subject to provisions of no arrival, no sale terms, but proof of shipment is to be given by vendor, each shipment to constitute a separate delivery. A variation of ten days in time of shipment or delivery from that specified herein does not constitute a ground for rejection. The Purchasing Entity may treat any deterioration of the goods as entitling the Purchasing Entity to the rights resulting from a casualty to the identified goods without regard to whether there has been sufficient deterioration so that the goods no longer conform to the contract.
- 4.4. PRICE; TAXES; PAYMENT. The price quoted is for the specified delivery, and, unless otherwise specified in the

99SWC-S1820 SCOPE OF WORK

contract, is F.O.B. to the delivery address specified above. Unless otherwise specified in a Participating Addendum, the price does not include applicable federal or State sales, use, excise, processing or any similar taxes, or duty charges, which shall be paid by the Purchasing Entity, or in lieu thereof, the Purchasing Entity shall provide vendor with a tax exemption certificate acceptable to the applicable taxing authority.

VENDOR CERTIFICATIONS

Vendor agrees and shall comply with the following:

1. Any and all prices that may be charged under the terms of the contract do not and shall not violate any existing federal, State or municipal laws or regulations concerning discrimination and/or price fixing. The vendor agrees to indemnify, exonerate and hold the State harmless from liability for any such violation now and throughout the term of the contract.
2. All proposed capabilities can be demonstrated by the vendor.
3. The price(s) and amount of this proposal have been arrived at independently and without consultation, communication, agreement or disclosure with or to any other contractor, vendor or potential vendor.
4. All proposal terms, including prices, shall remain in effect for a minimum of 180 days after the proposal due date. In the case of the awarded vendor, all proposal terms, including prices, shall remain in effect throughout the contract negotiation process.
5. No attempt has been made at any time to induce any firm or person to refrain from proposing or to submit a proposal higher than this proposal, or to submit any intentionally high or noncompetitive proposal. All proposals shall be made in good faith and without collusion.
6. All conditions and provisions of this RFP are deemed to be accepted by the vendor and incorporated by reference in the proposal, except such conditions and provisions that the vendor expressly excludes in the proposal. Any exclusion shall be in writing and included in the proposal at the time of submission.
7. Each vendor shall disclose any existing or potential conflict of interest relative to the performance of the contractual services resulting from this RFP. Any such relationship that might be perceived or represented as a conflict shall be disclosed. By submitting a proposal in response to this RFP, vendors affirm that they have not given, nor intend to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant or any employee or representative of same, in connection with this procurement. Any attempt to intentionally or unintentionally conceal or obfuscate a conflict of interest shall automatically result in the disqualification of a vendor's proposal. An award shall not be made where a conflict of interest exists. The State shall determine whether a conflict of interest exists and whether it may reflect negatively on the State's selection of a vendor. The State reserves the right to disqualify any vendor on the grounds of actual or apparent conflict of interest.
8. All employees assigned to the project are authorized to work in this country.
9. The company has a written equal opportunity policy that does not discriminate in employment practices with regard to race, color, national origin, physical condition, creed, religion, age, sex, marital status, sexual orientation, developmental disability or disability of another nature.
10. The company has a written policy regarding compliance for maintaining a drug-free workplace.
11. Vendor understands and acknowledges that the representations within their proposal are material and important and shall be relied on by the State in evaluation of the proposal. Any vendor misrepresentations shall be treated as fraudulent concealment from the State of the true facts relating to the proposal.
12. Vendor shall certify that any and all subcontractors comply with Sections 7, 8, 9, and 10, above.

The proposal shall be signed by the individual(s) legally authorized to bind the vendor per NRS 333.337.

CONFIDENTIALITY AND CERTIFICATION OF INDEMNIFICATION

Submitted proposals, which are marked confidential in their entirety, or those in which a significant portion of the submitted proposal is marked confidential shall not be accepted by the State of Nevada. Pursuant to NRS 333.333, only proprietary information may be labeled a trade secret as defined in NRS 600A.030(5). All proposals are confidential until the contract is awarded; at which time, both successful and unsuccessful vendor proposals become public information.

In accordance with the submittal instructions of this RFP, vendors are requested to submit confidential information in separate files flagged as confidential in NevadaEPro.

The State shall not be responsible for any information contained within the proposal. If vendors do not comply with the labeling requirements, proposals shall be released as submitted. In the event a governing board acts as the final authority, there may be public discussion regarding the submitted proposals that shall be in an open meeting format, the proposals shall remain confidential.

By signing below, I understand it is my responsibility as the vendor to act in protection of the labeled information and agree to defend and indemnify the State of Nevada for honoring such designation. I duly realize failure to so act shall constitute a complete waiver, and all submitted information shall become public information; additionally, failure to label any information that is released by the State shall constitute a complete waiver of any and all claims for damages caused by the release of the information.

If this proposal contains Confidential Information, Trade Secrets and/or Proprietary information. Please initial the appropriate response in the boxes below and provide the justification for confidential status. Attached additional pages if necessary.

**PARTICIPATION IN NASPO VALUEPOINT MASTER AGREEMENTS
BY ELIGIBLE ENTITIES IN THE STATE OF MISSOURI**

Participation in NASPO ValuePoint contracts by eligible entities in the State of Missouri is subject to the approval of the Director of the Division of Purchasing in the Missouri Office of Administration and the eligible entities' usage of the contracts under the State of Missouri's Participating Addenda.

The Division of Purchasing has adopted many NASPO ValuePoint master agreements and makes them available to eligible local governments, political subdivisions, and quasi-public governmental bodies in the State of Missouri through the Missouri Cooperative Procurement Program.

If an eligible entity would like to participate in a NASPO ValuePoint master agreement that is not yet available through the Cooperative Procurement Program, please contact the Division of Purchasing at purchmail@oa.mo.gov to discuss your needs. The Division of Purchasing will work with eligible entities to add the desired master agreement series to the Cooperative Procurement Program, making the master agreement series available to all members of the program.

Questions regarding this guidance may be sent to the NASPO ValuePoint Cooperative Contract Coordinator Team by email at CCC@naspovaluepoint.org.

NASPO VALUEPOINT MASTER AGREEMENT
TERMS AND CONDITIONS

ATTACHMENT A

NASPO VALUEPOINT MASTER AGREEMENT TERMS AND CONDITIONS

I. Definitions

- 1.1 **Acceptance** means acceptance of goods and services as set forth in Section IX of this Master Agreement.
- 1.2 **Contractor** means a party to this Master Agreement, whether a person or entity, that delivers goods or performs services under the terms set forth in this Master Agreement.
- 1.3 **Embedded Software** means one or more software applications which permanently reside on a computing device.
- 1.4 **Intellectual Property** means any and all patents, copyrights, service marks, trademarks, trade secrets, trade names, patentable inventions, or other similar proprietary rights, in tangible or intangible form, and all rights, title, and interest therein.
- 1.5 **Lead State** means the State centrally administering any resulting Master Agreement(s) who is a party to this Master Agreement.
- 1.6 **Master Agreement** means the underlying agreement executed by and between the Lead State, acting in cooperation with NASPO ValuePoint, and the Contractor, as now or hereafter amended.
- 1.7 **NASPO ValuePoint** is a division of the National Association of State Procurement Officials ("NASPO"), a 501(c)(3) corporation. NASPO ValuePoint facilitates administration of the NASPO cooperative group contracting consortium of state chief procurement officials for the benefit of state departments, institutions, agencies, and political subdivisions and other eligible entities (i.e., colleges, school districts, counties, cities, some nonprofit organizations, etc.) for all states, the District of Columbia, and territories of the United States. NASPO ValuePoint is identified in the Master Agreement as the recipient of reports and may perform contract administration functions relating to collecting and receiving reports, as well as other contract administration functions as assigned by the Lead State.
- 1.8 **Order or Purchase Order** means any purchase order, sales order, contract or other document used by a Purchasing Entity to order the Products.
- 1.9 **Participating Addendum** means a bilateral agreement executed by a Contractor and a Participating Entity incorporating this Master Agreement

and any additional Participating Entity-specific language or other requirements (e.g., ordering procedures specific to the Participating Entity, entity-specific terms and conditions, etc.).

- 1.10 **Participating Entity** means a state (as well as the District of Columbia and US territories), city, county, district, other political subdivision of a State, or a nonprofit organization under the laws of some states properly authorized to enter into a Participating Addendum, that has executed a Participating Addendum.
- 1.11 **Participating State** means a state that has executed a Participating Addendum or has indicated an intent to execute a Participating Addendum.
- 1.12 **Product or Products and Services** means any equipment, software (including embedded software), documentation, service, or other deliverable supplied or created by the Contractor pursuant to this Master Agreement. The term Product includes goods and services.
- 1.13 **Purchasing Entity** means a state (as well as the District of Columbia and US territories), city, county, district, other political subdivision of a State, or a nonprofit organization under the laws of some states if authorized by a Participating Addendum, that issues a Purchase Order against the Master Agreement and becomes financially committed to the purchase.

II. Term of Master Agreement

- 2.1 **Initial Term.** The initial term of this Master Agreement is for five (5) years. The term of this Master Agreement may be amended beyond the initial term for two (2) additional years at the Lead State's discretion and by mutual agreement and upon review of requirements of Participating Entities, current market conditions, and Contractor performance. The Lead State may, prior to execution, adjust the effective date or duration of the initial term or renewal period of any Master Agreement for the purpose of making the Master Agreement coterminous with others.
- 2.2 **Amendment Limitations.** The terms of this Master Agreement will not be waived, altered, modified, supplemented, or amended in any manner whatsoever without prior written agreement of the Lead State and Contractor.
- 2.3 **Amendment Term.** The term of the Master Agreement may be amended past the initial term and stated renewal periods for a reasonable period if in the judgment of the Lead State a follow-on competitive procurement will be unavoidably delayed (despite good faith efforts) beyond the planned date of execution of the follow-on master agreement. This subsection will not be deemed to limit the authority of a Lead State under its state law to otherwise negotiate contract extensions.

III. Order of Precedence

- 3.1 **Order.** Any Order placed under this Master Agreement will consist of the following documents:
 - 3.1.1 A Participating Entity's Participating Addendum ("PA");
 - 3.1.2 NASPO ValuePoint Master Agreement, including all attachments thereto;
 - 3.1.3 A Purchase Order or Scope of Work/Specifications issued against the Master Agreement;
 - 3.1.4 The Solicitation or, if separately executed after award, the Lead State's bilateral agreement that integrates applicable provisions;
 - 3.1.5 Contractor's response to the Solicitation, as revised (if permitted) and accepted by the Lead State.
- 3.2 **Conflict.** These documents will be read to be consistent and complementary. Any conflict among these documents will be resolved by giving priority to these documents in the order listed above. Contractor terms and conditions that apply to this Master Agreement are only those that are expressly accepted by the Lead State and must be in writing and attached to this Master Agreement as an Exhibit or Attachment.
- 3.3 **Participating Addenda.** Participating Addenda will not be construed to diminish, modify, or otherwise derogate any provisions in this Master Agreement between the Lead State and Contractor. Participating Addenda will not include a term of agreement that exceeds the term of the Master Agreement.

IV. Participants and Scope

- 4.1 **Requirement for a Participating Addendum.** Contractor may not deliver Products under this Master Agreement until a Participating Addendum acceptable to the Participating Entity and Contractor is executed.
- 4.2 **Applicability of Master Agreement.** NASPO ValuePoint Master Agreement Terms and Conditions are applicable to any Order by a Participating Entity (and other Purchasing Entities covered by their Participating Addendum), except to the extent altered, modified, supplemented or amended by a Participating Addendum, subject to Section III. For the purposes of illustration and not limitation, this authority may apply to unique delivery and invoicing requirements, confidentiality requirements, defaults on Orders, governing law and venue relating to Orders by a Participating Entity, indemnification, and insurance requirements. Statutory or constitutional requirements relating to availability of funds may require specific language in some Participating Addenda in order to comply with applicable law. The expectation is that these alterations, modifications, supplements, or amendments will be addressed in the Participating Addendum or, with the consent of the Purchasing Entity and Contractor, may be included in the ordering

document (e.g., purchase order or contract) used by the Purchasing Entity to place the Order.

- 4.3 Authorized Use.** Use of specific NASPO ValuePoint Master Agreements by state agencies, political subdivisions and other Participating Entities is subject to applicable state law and the approval of the respective State Chief Procurement Official. Issues of interpretation and eligibility for participation are solely within the authority of the respective State Chief Procurement Official.
- 4.4 Obligated Entities.** Obligations under this Master Agreement are limited to those Participating Entities who have signed a Participating Addendum and Purchasing Entities within the scope of those Participating Addenda. States or other entities permitted to participate may use an informal competitive process to determine which Master Agreements to participate in through execution of a Participating Addendum. Participating Entities incur no financial obligations on behalf of other Purchasing Entities.
- 4.5 Notice of Participating Addendum.** Contractor shall email a fully executed PDF copy of each Participating Addendum to pa@naspovaluepoint.org to support documentation of participation and posting in appropriate databases.
- 4.6 Eligibility for a Participating Addendum.** Eligible entities who are not states may under some circumstances sign their own Participating Addendum, subject to the consent of the Chief Procurement Official of the state where the entity is located. Coordinate requests for such participation through NASPO ValuePoint. Any permission to participate through execution of a Participating Addendum is not a determination that procurement authority exists; the entity must ensure that they have the requisite procurement authority to execute a Participating Addendum.
- 4.7 Prohibition on Resale.** Subject to any specific conditions included in the solicitation or Contractor's proposal as accepted by the Lead State, or as explicitly permitted in a Participating Addendum, Purchasing Entities may not resell Products purchased under this Master Agreement. Absent any such condition or explicit permission, this limitation does not prohibit: payments by employees of a Purchasing Entity for Products; sales of Products to the general public as surplus property; and fees associated with inventory transactions with other governmental or nonprofit entities and consistent with a Purchasing Entity's laws and regulations. Any sale or transfer permitted by this subsection must be consistent with license rights granted for use of intellectual property.
- 4.8 Individual Customers.** Except as may otherwise be agreed to by the Purchasing Entity and Contractor, each Purchasing Entity shall follow the terms and conditions of the Master Agreement and applicable Participating Addendum and will have the same rights and responsibilities for their purchases as the Lead State has in the Master Agreement and as the Participating Entity has in the Participating Addendum, including but

not limited to any indemnity or right to recover any costs as such right is defined in the Master Agreement and applicable Participating Addendum for their purchases. Each Purchasing Entity will be responsible for its own charges, fees, and liabilities. The Contractor will apply the charges and invoice each Purchasing Entity individually.

- 4.9 Release of Information.** Throughout the duration of this Master Agreement, Contractor must secure from the Lead State prior approval for the release of information that pertains to the potential work or activities covered by the Master Agreement. This limitation does not preclude publication about the award of the Master Agreement or marketing activities consistent with any proposed and accepted marketing plan.
- 4.10 No Representations.** The Contractor shall not make any representations of NASPO ValuePoint, the Lead State, any Participating Entity, or any Purchasing Entity's opinion or position as to the quality or effectiveness of the services that are the subject of this Master Agreement without prior written consent.

V. NASPO ValuePoint Provisions

- 5.1 Applicability.** NASPO ValuePoint is not a party to the Master Agreement. The terms set forth in Section V are for the benefit of NASPO ValuePoint as a third-party beneficiary of this Master Agreement.
- 5.2 Administrative Fees**
- 5.2.1 NASPO ValuePoint Fee.** Contractor shall pay to NASPO ValuePoint, or its assignee, a NASPO ValuePoint Administrative Fee of one-quarter of one percent (0.25% or 0.0025) no later than sixty (60) days following the end of each calendar quarter. The NASPO ValuePoint Administrative Fee must be submitted quarterly and is based on all sales of products and services under the Master Agreement (less any charges for taxes or shipping). The NASPO ValuePoint Administrative Fee is not negotiable. This fee is to be included as part of the pricing submitted with a vendor's response to the Lead State's solicitation.
- 5.2.2 State Imposed Fees.** Some states may require an additional fee be paid by Contractor directly to the state on purchases made by Purchasing Entities within that state. For all such requests, the fee rate or amount, payment method, and schedule for such reports and payments will be incorporated into the applicable Participating Addendum. Unless agreed to in writing by the state, Contractor may not adjust the Master Agreement pricing to include the state fee for purchases made by Purchasing Entities within the jurisdiction of the state. No such agreement will affect the NASPO ValuePoint Administrative Fee percentage or the prices paid by Purchasing Entities outside the jurisdiction of the state requesting the additional fee.

5.3 NASPO ValuePoint Summary and Detailed Usage Reports

- 5.3.1 Sales Data Reporting.** In accordance with this section, Contractor shall report to NASPO ValuePoint all Orders under this Master Agreement for which Contractor has invoiced the ordering entity or individual, including Orders invoiced to Participating Entity or Purchasing Entity employees for personal use if such use is permitted by this Master Agreement and the applicable Participating Addendum ("Sales Data"). Timely and complete reporting of Sales Data is a material requirement of this Master Agreement. Reporting requirements, including those related to the format, contents, frequency, or delivery of reports, may be updated by NASPO ValuePoint with reasonable notice to Contractor and without amendment to this Master Agreement. NASPO ValuePoint shall have exclusive ownership of any media on which reports are submitted and shall have a perpetual, irrevocable, non-exclusive, royalty free, and transferable right to display, modify, copy, and otherwise use reports, data, and information provided under this section.
- 5.3.2 Summary Sales Data.** "Summary Sales Data" is Sales Data reported as cumulative totals by state. Contractor shall, using the reporting tool or template provided by NASPO ValuePoint, report Summary Sales Data to NASPO ValuePoint for each calendar quarter no later than thirty (30) days following the end of the quarter. If Contractor has no reportable Sales Data for the quarter, Contractor shall submit a zero-sales report.
- 5.3.3 Detailed Sales Data.** "Detailed Sales Data" is Sales Data that includes for each Order all information required by the Solicitation or by NASPO ValuePoint, including customer information, Order information, and line-item details. Contractor shall, using the reporting tool or template provided by NASPO ValuePoint, report Detailed Sales Data to NASPO ValuePoint for each calendar quarter no later than thirty (30) days following the end of the quarter. Detailed Sales Data shall be reported in the format provided in the Solicitation or provided by NASPO ValuePoint. The total sales volume of reported Detailed Sales Data shall be consistent with the total sales volume of reported Summary Sales Data.
- 5.3.4 Sales Data Crosswalks.** Upon request by NASPO ValuePoint, Contractor shall provide to NASPO ValuePoint tables of customer and Product information and specific attributes thereof for the purpose of standardizing and analyzing reported Sales Data ("Crosswalks"). Customer Crosswalks must include a list of existing and potential Purchasing Entities and identify for each the appropriate customer type as defined by NASPO ValuePoint. Product Crosswalks must include Contractor's part number or SKU

for each Product in Offeror's catalog and identify for each the appropriate Master Agreement category (and subcategory, if applicable), manufacturer part number, product description, eight-digit UNSPSC Class Level commodity code, and (if applicable) EPEAT value and Energy Star rating. Crosswalk requirements and fields may be updated by NASPO ValuePoint with reasonable notice to Contractor and without amendment to this Master Agreement. Contractor shall work in good faith with NASPO ValuePoint to keep Crosswalks updated as Contractor's customer lists and product catalog change.

5.3.5 Executive Summary. Contractor shall, upon request by NASPO ValuePoint, provide NASPO ValuePoint with an executive summary that includes but is not limited to a list of states with an active Participating Addendum, states with which Contractor is in negotiations, and any Participating Addendum roll-out or implementation activities and issues. NASPO ValuePoint and Contractor will determine the format and content of the executive summary.

5.4 NASPO ValuePoint Cooperative Program Marketing, Training, and Performance Review

5.4.1 Staff Education. Contractor shall work cooperatively with NASPO ValuePoint personnel. Contractor shall present plans to NASPO ValuePoint for the education of Contractor's contract administrator(s) and sales/marketing workforce regarding the Master Agreement contract, including the competitive nature of NASPO ValuePoint procurements, the master agreement and participating addendum process, and the manner in which eligible entities can participate in the Master Agreement.

5.4.2 Onboarding Plan. Upon request by NASPO ValuePoint, Contractor shall, as Participating Addendums are executed, provide plans to launch the program for the Participating Entity. Plans will include time frames to launch the agreement and confirmation that the Contractor's website has been updated to properly reflect the scope and terms of the Master Agreement as available to the Participating Entity and eligible Purchasing Entities.

5.4.3 Annual Contract Performance Review. Contractor shall participate in an annual contract performance review with the Lead State and NASPO ValuePoint, which may at the discretion of the Lead State be held in person and which may include a discussion of marketing action plans, target strategies, marketing materials, Contractor reporting, and timeliness of payment of administration fees.

- 5.4.4 Use of NASPO ValuePoint Logo.** The NASPO ValuePoint logos may not be used by Contractor in sales and marketing until a separate logo use agreement is executed with NASPO ValuePoint.
- 5.4.5 Most Favored Customer.** Contractor shall, within thirty (30) days of their effective date, notify the Lead State and NASPO ValuePoint of any contractual most-favored-customer provisions in third-party contracts or agreements that may affect the promotion of this Master Agreement or whose terms provide for adjustments to future rates or pricing based on rates, pricing in, or Orders from this Master Agreement. Upon request of the Lead State or NASPO ValuePoint, Contractor shall provide a copy of any such provisions.
- 5.5 Cancellation.** In consultation with NASPO ValuePoint, the Lead State may, in its discretion, cancel the Master Agreement or not exercise an option to renew, when utilization of Contractor's Master Agreement does not warrant further administration of the Master Agreement. The Lead State may also exercise its right to not renew the Master Agreement if vendor fails to record or report revenue for three consecutive quarters, upon 60-calendar day written notice to the Contractor. Cancellation based on nonuse or under-utilization will not occur sooner than [two years] after execution of the Master Agreement. This subsection does not limit the discretionary right of either the Lead State or Contractor to cancel the Master Agreement or terminate for default subject to the terms herein. This subsection also does not limit any right of the Lead State to cancel the Master Agreement under applicable laws.
- 5.6 Canadian Participation.** Subject to the approval of Contractor, any Canadian provincial government or provincially funded entity in Alberta, British Columbia, Manitoba, New Brunswick, Newfoundland and Labrador, Nova Scotia, Ontario, Prince Edward Island, Quebec, or Saskatchewan, and territorial government or territorial government funded entity in the Northwest Territories, Nunavut, or Yukon, including municipalities, universities, community colleges, school boards, health authorities, housing authorities, agencies, boards, commissions, and crown corporations, may be eligible to use Contractor's Master Agreement.
- 5.7 Additional Agreement with NASPO.** Upon request by NASPO ValuePoint, awarded Contractor shall enter into a direct contractual relationship with NASPO ValuePoint related to Contractor's obligations to NASPO ValuePoint under the terms of the Master Agreement, the terms of which shall be the same or similar (and not less favorable) than the terms set forth in the Master Agreement.

VI. Pricing, Payment & Leasing

- 6.1 Pricing.** The prices contained in this Master Agreement or offered under this Master Agreement represent the not-to-exceed price to any Purchasing Entity.

- 6.1.1 All prices and rates must be guaranteed for the initial term of the Master Agreement.
- 6.1.2 Following the initial term of the Master Agreement, any request for a price or rate adjustment must be for an equal guarantee period and must be made at least (Enter the Number of Days) days prior to the effective date.
- 6.1.3 Requests for a price or rate adjustment must include sufficient documentation supporting the request. Any adjustment or amendment to the Master Agreement will not be effective unless approved in writing by the Lead State.
- 6.1.4 No retroactive adjustments to prices or rates will be allowed.
- 6.2 **Payment.** Unless otherwise agreed upon in a Participating Addendum or Order, Payment after Acceptance will be made within thirty (30) days following the date the entire order is delivered or the date a correct invoice is received, whichever is later. After 45 days the Contractor may assess overdue account charges up to a maximum rate of one percent per month on the outstanding balance, unless a different late payment amount is specified in a Participating Addendum or Order, or otherwise prescribed by applicable law. Payments will be remitted in the manner specified in the Participating Addendum or Order. Payments may be made via a purchasing card with no additional charge.
- 6.3 **Leasing or Alternative Financing Methods.** The procurement and other applicable laws of some Purchasing Entities may permit the use of leasing or alternative financing methods for the acquisition of Products under this Master Agreement. Where the terms and conditions are not otherwise prescribed in an applicable Participating Addendum, the terms and conditions for leasing or alternative financing methods are subject to negotiation between the Contractor and Purchasing Entity.

VII. Ordering

- 7.1 **Order Numbers.** Master Agreement order and purchase order numbers must be clearly shown on all acknowledgments, packing slips, invoices, and on all correspondence.
- 7.2 **Quotes.** Purchasing Entities may define entity-specific or project-specific requirements and informally compete the requirement among companies having a Master Agreement on an "as needed" basis. This procedure may also be used when requirements are aggregated or other firm commitments may be made to achieve reductions in pricing. This procedure may be modified in Participating Addenda and adapted to the Purchasing Entity's rules and policies. The Purchasing Entity may in its sole discretion determine which Master Agreement Contractors should be solicited for a quote. The Purchasing Entity may select the quote that it considers most advantageous, cost, and other factors considered.

- 7.3 Applicable Rules.** Each Purchasing Entity will identify and utilize its own appropriate purchasing procedure and documentation. Contractor is expected to become familiar with the Purchasing Entities' rules, policies, and procedures regarding the ordering of supplies and/or services contemplated by this Master Agreement.
- 7.4 Required Documentation.** Contractor shall not begin work without a valid Purchase Order or other appropriate commitment document under the law of the Purchasing Entity.
- 7.5 Term of Purchase.** Orders may be placed consistent with the terms of this Master Agreement and applicable Participating Addendum during the term of the Master Agreement and Participating Addendum.
- 7.5.1** Orders must be placed pursuant to this Master Agreement prior to the termination date thereof, but may have a delivery date or performance period up to 120 days past the then-current termination date of this Master Agreement.
- 7.5.2** Notwithstanding the previous, Orders must also comply with the terms of the applicable Participating Addendum, which may further restrict the period during which Orders may be placed or delivered.
- 7.5.3** Financial obligations of Purchasing Entities payable after the current applicable fiscal year are contingent upon agency funds for that purpose being appropriated, budgeted, and otherwise made available.
- 7.5.4** Notwithstanding the expiration, cancellation or termination of this Master Agreement, Contractor shall perform in accordance with the terms of any Orders then outstanding at the time of such expiration or termination. Contractor shall not honor any Orders placed after the expiration, cancellation, or termination of this Master Agreement, or in any manner inconsistent with this Master Agreement's terms.
- 7.5.5** Orders for any separate indefinite quantity, task order, or other form of indefinite delivery order arrangement priced against this Master Agreement may not be placed after the expiration or termination of this Master Agreement, notwithstanding the term of any such indefinite delivery order agreement.
- 7.6 Order Form Requirements.** All Orders pursuant to this Master Agreement, at a minimum, must include:
- 7.6.1** The services or supplies being delivered;
- 7.6.2** A shipping address and other delivery requirements, if any;
- 7.6.3** A billing address;
- 7.6.4** Purchasing Entity contact information;

- 7.6.5 Pricing consistent with this Master Agreement and applicable Participating Addendum and as may be adjusted by agreement of the Purchasing Entity and Contractor;
 - 7.6.6 A not-to-exceed total for the products or services being ordered; and
 - 7.6.7 The Master Agreement number or the applicable Participating Addendum number, provided the Participating Addendum references the Master Agreement number.
- 7.7 **Communication.** All communications concerning administration of Orders placed must be furnished solely to the authorized purchasing agent within the Purchasing Entity's purchasing office, or to such other individual identified in writing in the Order.
- 7.8 **Contract Provisions for Orders Utilizing Federal Funds.** Pursuant to Appendix II to 2 Code of Federal Regulations (CFR) Part 200, Contract Provisions for Non-Federal Entity Contracts Under Federal Awards, Orders funded with federal funds may have additional contractual requirements or certifications that must be satisfied at the time the Order is placed or upon delivery. These federal requirements may be proposed by Participating Entities in Participating Addenda and Purchasing Entities for incorporation in Orders placed under this Master Agreement.

VIII. Shipping and Delivery

- 8.1 **Shipping Terms.** All deliveries will be F.O.B. destination, freight pre-paid, with all transportation and handling charges paid by the Contractor.
- 8.1.1 Notwithstanding the above, responsibility and liability for loss or damage will remain the Contractor's until final inspection and acceptance when responsibility will pass to the Purchasing Entity except as to latent defects, fraud, and Contractor's warranty obligations.
- 8.2 **Minimum Shipping.** The minimum shipment amount, if any, must be contained in the Master Agreement. Any order for less than the specified amount is to be shipped with the freight prepaid and added as a separate item on the invoice. Any portion of an Order to be shipped without transportation charges that is back ordered will be shipped without charge.
- 8.3 **Inside Deliveries.** To the extent applicable, all deliveries will be "Inside Deliveries" as designated by a representative of the Purchasing Entity placing the Order. Inside Delivery refers to a delivery to a location other than a loading dock, front lobby, or reception area. Specific delivery instructions will be noted on the order form or Purchase Order. Costs to repair any damage to the building interior (e.g., scratched walls, damage to the freight elevator, etc.) caused by Contractor or Contractor's carrier will be the responsibility of the Contractor. Immediately upon becoming

aware of such damage, Contractor shall notify the Purchasing Entity placing the Order.

- 8.4 Packaging.** All products must be delivered in the manufacturer's standard package. Costs must include all packing and/or crating charges. Cases must be of durable construction, in good condition, properly labeled and suitable in every respect for storage and handling of contents. Each shipping carton must be marked with the commodity, brand, quantity, item code number and the Purchasing Entity's Purchase Order number.

IX. Inspection and Acceptance

- 9.1 Laws and Regulations.** Any and all Products offered and furnished must comply fully with all applicable Federal, State, and local laws and regulations.
- 9.2 Applicability.** Unless otherwise specified in the Master Agreement, Participating Addendum, or ordering document, the terms of this Section IX will apply. This section is not intended to limit rights and remedies under the applicable commercial code.
- 9.3 Inspection.** All Products are subject to inspection at reasonable times and places before Acceptance. Contractor shall provide right of access to the Lead State, or to any other authorized agent or official of the Lead State or other Participating or Purchasing Entity, at reasonable times, to monitor and evaluate performance, compliance, and/or quality assurance requirements under this Master Agreement.
- 9.3.1** Products that do not meet specifications may be rejected. Failure to reject upon receipt, however, does not relieve the contractor of liability for material (nonconformity that substantial impairs value) latent or hidden defects subsequently revealed when goods are put to use.
- 9.3.2** Acceptance of such goods may be revoked in accordance with the provisions of the applicable commercial code, and the Contractor is liable for any resulting expense incurred by the Purchasing Entity related to the preparation and shipping of Product rejected and returned, or for which Acceptance is revoked.
- 9.4 Failure to Conform.** If any services do not conform to contract requirements, the Purchasing Entity may require the Contractor to perform the services again in conformity with contract requirements, at no increase in Order amount. When defects cannot be corrected by re-performance, the Purchasing Entity may require the Contractor to take necessary action to ensure that future performance conforms to contract requirements and reduce the contract price to reflect the reduced value of services performed.
- 9.5 Acceptance Testing.** Purchasing Entity may establish a process, in keeping with industry standards, to ascertain whether the Product meets

the standard of performance or specifications prior to Acceptance by the Purchasing Entity.

- 9.5.1 The Acceptance Testing period will be thirty (30) calendar days, unless otherwise specified, starting from the day after the Product is delivered or, if installed by Contractor, the day after the Product is installed and Contractor certifies that the Product is ready for Acceptance Testing.
- 9.5.2 If the Product does not meet the standard of performance or specifications during the initial period of Acceptance Testing, Purchasing Entity may, at its discretion, continue Acceptance Testing on a day-to-day basis until the standard of performance is met.
- 9.5.3 Upon rejection, the Contractor will have fifteen (15) calendar days to cure. If after the cure period, the Product still has not met the standard of performance or specifications, the Purchasing Entity may, at its option: (a) declare Contractor to be in breach and terminate the Order; (b) demand replacement Product from Contractor at no additional cost to Purchasing Entity; or, (c) continue the cure period for an additional time period agreed upon by the Purchasing Entity and the Contractor.
- 9.5.4 Contractor shall pay all costs related to the preparation and shipping of Product returned pursuant to the section.
- 9.5.5 No Product will be deemed Accepted and no charges will be paid until the standard of performance or specification is met.

X. Warranty

- 10.1 **Applicability.** Unless otherwise specified in the Master Agreement, Participating Addendum, or ordering document, the terms of this Section X will apply.
- 10.2 **Warranty.** At minimum, the Contractor warrants for a period of one year from the date of Acceptance that: (a) the Product performs according to all specific claims that the Contractor made in its response to the solicitation, (b) the Product is suitable for the ordinary purposes for which such Product is used, (c) the Product is suitable for any special purposes identified in the solicitation or for which the Purchasing Entity has relied on the Contractor's skill or judgment, (d) the Product is designed and manufactured in a commercially reasonable manner, and (e) the Product is free of defects. This warranty shall be in addition to any warranty provided for or required elsewhere in this Master Agreement.
- 10.3 **Breach of Warranty.** Upon breach of the warranty set forth above, the Contractor will repair or replace (at no charge to the Purchasing Entity) the Product whose nonconformance is discovered and made known to the Contractor. If the repaired and/or replaced Product proves to be

inadequate, or fails of its essential purpose, the Contractor will refund the full amount of any payments that have been made.

10.4 Rights Reserved. The rights and remedies of the parties under this warranty are in addition to any other rights and remedies of the parties provided by law or equity, including, without limitation, actual damages, and, as applicable and awarded under the law, to a prevailing party, reasonable attorneys' fees and costs.

10.5 Warranty Period Start Date. The warranty period will begin upon Acceptance, as set forth in Section IX.

XI. Product Title

11.1 Conveyance of Title. Upon Acceptance by the Purchasing Entity, Contractor shall convey to Purchasing Entity title to the Product free and clear of all liens, encumbrances, or other security interests.

11.2 Embedded Software. Transfer of title to the Product must include an irrevocable and perpetual license to use any Embedded Software in the Product. If Purchasing Entity subsequently transfers title of the Product to another entity, Purchasing Entity shall have the right to transfer the license to use the Embedded Software with the transfer of Product title. A subsequent transfer of this software license will be at no additional cost or charge to either Purchasing Entity or Purchasing Entity's transferee.

11.3 License of Pre-Existing Intellectual Property. Contractor grants to the Purchasing Entity a nonexclusive, perpetual, royalty-free, irrevocable, license to use, publish, translate, reproduce, transfer with any sale of tangible media or Product, perform, display, and dispose of the Intellectual Property, and its derivatives, used or delivered under this Master Agreement, but not created under it ("Pre-existing Intellectual Property"). The Contractor shall be responsible for ensuring that this license is consistent with any third-party rights in the Pre-existing Intellectual Property.

XII. Indemnification

12.1 General Indemnification. The Contractor shall defend, indemnify and hold harmless NASPO, NASPO ValuePoint, the Lead State, Participating Entities, and Purchasing Entities, along with their officers and employees, from and against third-party claims, damages or causes of action including reasonable attorneys' fees and related costs for any death, injury, or damage to tangible property arising from any act, error, or omission of the Contractor, its employees or subcontractors or volunteers, at any tier, relating to performance under this Master Agreement.

12.2 Intellectual Property Indemnification. The Contractor shall defend, indemnify and hold harmless NASPO, NASPO ValuePoint, the Lead State, Participating Entities, Purchasing Entities, along with their officers and employees ("Indemnified Party"), from and against claims, damages or causes of action including reasonable attorneys' fees and related costs

arising out of the claim that the Product or its use infringes Intellectual Property rights of another person or entity ("Intellectual Property Claim").

12.2.1 The Contractor's obligations under this section will not extend to any combination of the Product with any other product, system or method, unless the Product, system or method is:

12.2.1.1 provided by the Contractor or the Contractor's subsidiaries or affiliates;

12.2.1.2 specified by the Contractor to work with the Product;

12.2.1.3 reasonably required to use the Product in its intended manner, and the infringement could not have been avoided by substituting another reasonably available product, system or method capable of performing the same function; or

12.2.1.4 reasonably expected to be used in combination with the Product.

12.2.2 The Indemnified Party shall notify the Contractor within a reasonable time after receiving notice of an Intellectual Property Claim. Even if the Indemnified Party fails to provide reasonable notice, the Contractor shall not be relieved from its obligations unless the Contractor can demonstrate that it was prejudiced in defending the Intellectual Property Claim resulting in increased expenses or loss to the Contractor. If the Contractor promptly and reasonably investigates and defends any Intellectual Property Claim, it shall have control over the defense and settlement of the Intellectual Property Claim. However, the Indemnified Party must consent in writing for any money damages or obligations for which it may be responsible.

12.2.3 The Indemnified Party shall furnish, at the Contractor's reasonable request and expense, information and assistance necessary for such defense. If the Contractor fails to vigorously pursue the defense or settlement of the Intellectual Property Claim, the Indemnified Party may assume the defense or settlement of the Intellectual Property Claim and the Contractor shall be liable for all costs and expenses, including reasonable attorneys' fees and related costs, incurred by the Indemnified Party in the pursuit of the Intellectual Property Claim.

12.2.4 Unless otherwise set forth herein, Section 12.2 is not subject to any limitations of liability in this Master Agreement or in any other document executed in conjunction with this Master Agreement.

XIII. Insurance

- 13.1 Term.** Contractor shall, during the term of this Master Agreement, maintain in full force and effect, the insurance described in this section. A Participating Entity may negotiate alternative Insurance requirements in their Participating Addendum.
- 13.2 Class.** Contractor shall acquire such insurance from an insurance carrier or carriers licensed to conduct business in each Participating Entity's state and having a rating of A-, Class VII or better, in the most recently published edition of A.M. Best's Insurance Reports. Failure to buy and maintain the required insurance may result in this Master Agreement's termination or, at a Participating Entity's option, result in termination of its Participating Addendum.
- 13.3 Coverage.** Coverage must be written on an occurrence basis. The minimum acceptable limits will be as indicated below:
- 13.3.1** Contractor shall maintain Commercial General Liability insurance covering premises operations, independent contractors, products and completed operations, blanket contractual liability, personal injury (including death), advertising liability, and property damage, with a limit of not less than \$1 million per occurrence and \$2 million general aggregate;
- 13.3.2** Contractor must comply with any applicable State Workers Compensation or Employers Liability Insurance requirements.
- 13.4 Notice of Cancellation.** Contractor shall pay premiums on all insurance policies. Contractor shall provide notice to a Participating Entity who is a state within five (5) business days after Contractor is first aware of expiration, cancellation or nonrenewal of such policy or is first aware that cancellation is threatened or expiration, nonrenewal or expiration otherwise may occur.
- 13.5 Notice of Endorsement.** Prior to commencement of performance, Contractor shall provide to the Lead State a written endorsement to the Contractor's general liability insurance policy or other documentary evidence acceptable to the Lead State that (1) provides that written notice of cancellation will be delivered in accordance with the policy provisions, and (2) provides that the Contractor's liability insurance policy will be primary, with any liability insurance of any Participating State as secondary and noncontributory.
- 13.6 Participating Entities.** Contractor shall provide to Participating States and Participating Entities the same insurance obligations and documentation as those specified in Section XIII, except the endorsement is provided to the applicable Participating State or Participating Entity.
- 13.7 Furnishing of Certificates.** Contractor shall furnish to the Lead State copies of certificates of all required insurance in a form sufficient to show required coverage within thirty (30) calendar days of the execution of this Master Agreement and prior to performing any work. Copies of renewal

certificates of all required insurance will be furnished within thirty (30) days after any renewal date to the applicable state Participating Entity. Failure to provide evidence of coverage may, at the sole option of the Lead State, or any Participating Entity, result in this Master Agreement's termination or the termination of any Participating Addendum.

- 13.8 Disclaimer.** Insurance coverage and limits will not limit Contractor's liability and obligations under this Master Agreement, any Participating Addendum, or any Purchase Order.

XIV. General Provisions

14.1 Records Administration and Audit

14.1.1 The Contractor shall maintain books, records, documents, and other evidence pertaining to this Master Agreement and Orders placed by Purchasing Entities under it to the extent and in such detail as will adequately reflect performance and administration of payments and fees. Contractor shall permit the Lead State, a Participating Entity, a Purchasing Entity, the federal government (including its grant awarding entities and the U.S. Comptroller General), and any other duly authorized agent of a governmental agency, to audit, inspect, examine, copy and/or transcribe Contractor's books, documents, papers and records directly pertinent to this Master Agreement or orders placed by a Purchasing Entity under it for the purpose of making audits, examinations, excerpts, and transcriptions. This right will survive for a period of six (6) years following termination of this Agreement or final payment for any order placed by a Purchasing Entity against this Master Agreement, whichever is later, or such longer period as is required by the Purchasing Entity's state statutes, to assure compliance with the terms hereof or to evaluate performance hereunder.

14.1.2 Without limiting any other remedy available to any governmental entity, the Contractor shall reimburse the applicable Lead State, Participating Entity, or Purchasing Entity for any overpayments inconsistent with the terms of the Master Agreement or Orders or underpayment of fees found as a result of the examination of the Contractor's records.

14.1.3 The rights and obligations herein exist in addition to any quality assurance obligation in the Master Agreement that requires the Contractor to self-audit contract obligations and that permits the Lead State to review compliance with those obligations.

14.2 Confidentiality, Non-Disclosure, and Injunctive Relief

14.2.1 Confidentiality. Contractor acknowledges that it and its employees or agents may, in the course of providing a Product under this Master Agreement, be exposed to or acquire

information that is confidential to Purchasing Entity or Purchasing Entity's clients.

14.2.1.1 Any and all information of any form that is marked as confidential or would by its nature be deemed confidential obtained by Contractor or its employees or agents in the performance of this Master Agreement, including but not necessarily limited to (1) any Purchasing Entity's records, (2) personnel records, and (3) information concerning individuals, is confidential information of Purchasing Entity ("Confidential Information").

14.2.1.2 Any reports or other documents or items (including software) that result from the use of the Confidential Information by Contractor shall be treated in the same manner as the Confidential Information.

14.2.1.3 Confidential Information does not include information that (1) is or becomes (other than by disclosure by Contractor) publicly known; (2) is furnished by Purchasing Entity to others without restrictions similar to those imposed by this Master Agreement; (3) is rightfully in Contractor's possession without the obligation of nondisclosure prior to the time of its disclosure under this Master Agreement; (4) is obtained from a source other than Purchasing Entity without the obligation of confidentiality, (5) is disclosed with the written consent of Purchasing Entity; or (6) is independently developed by employees, agents or subcontractors of Contractor who can be shown to have had no access to the Confidential Information.

14.2.2 Non-Disclosure. Contractor shall hold Confidential Information in confidence, using at least the industry standard of confidentiality, and shall not copy, reproduce, sell, assign, license, market, transfer or otherwise dispose of, give, or disclose Confidential Information to third parties or use Confidential Information for any purposes whatsoever other than what is necessary to the performance of Orders placed under this Master Agreement.

14.2.2.1 Contractor shall advise each of its employees and agents of their obligations to keep Confidential Information confidential. Contractor shall use commercially reasonable efforts to assist Purchasing Entity in identifying and preventing any unauthorized use or disclosure of any Confidential Information.

- 14.2.2.2** Without limiting the generality of the foregoing, Contractor shall advise Purchasing Entity, applicable Participating Entity, and the Lead State immediately if Contractor learns or has reason to believe that any person who has had access to Confidential Information has violated or intends to violate the terms of this Master Agreement, and Contractor shall at its expense cooperate with Purchasing Entity in seeking injunctive or other equitable relief in the name of Purchasing Entity or Contractor against any such person.
- 14.2.2.3** Except as directed by Purchasing Entity, Contractor will not at any time during or after the term of this Master Agreement disclose, directly or indirectly, any Confidential Information to any person, except in accordance with this Master Agreement, and that upon termination of this Master Agreement or at Purchasing Entity's request, Contractor shall turn over to Purchasing Entity all documents, papers, and other matter in Contractor's possession that embody Confidential Information.
- 14.2.2.4** Notwithstanding the foregoing, Contractor may keep one copy of such Confidential Information necessary for quality assurance, audits, and evidence of the performance of this Master Agreement.
- 14.2.3** **Injunctive Relief.** Contractor acknowledges that Contractor's breach of Section 14.2 would cause irreparable injury to the Purchasing Entity that cannot be inadequately compensated in monetary damages. Accordingly, Purchasing Entity may seek and obtain injunctive relief against the breach or threatened breach of the foregoing undertakings, in addition to any other legal remedies that may be available. Contractor acknowledges and agrees that the covenants contained herein are necessary for the protection of the legitimate business interests of Purchasing Entity and are reasonable in scope and content.
- 14.2.4** **Purchasing Entity Law.** These provisions will be applicable only to extent they are not in conflict with the applicable public disclosure laws of any Purchasing Entity.
- 14.2.5** **NASPO ValuePoint.** The rights granted to Purchasing Entities and Contractor's obligations under this section will also extend to NASPO ValuePoint's Confidential Information, including but not limited to Participating Addenda, Orders or transaction data relating to Orders under this Master Agreement that identify the entity/customer, Order dates, line-item descriptions and volumes, and prices/rates. This provision does not apply to

disclosure to the Lead State, a Participating State, or any governmental entity exercising an audit, inspection, or examination pursuant to this Master Agreement. To the extent permitted by law, Contractor shall notify the Lead State of the identity of any entity seeking access to the Confidential Information described in this subsection.

14.2.6 Public Information. This Master Agreement and all related documents are subject to disclosure pursuant to the Lead State's public information laws.

14.3 Assignment/Subcontracts

14.3.1 Contractor shall not assign, sell, transfer, subcontract or sublet rights, or delegate responsibilities under this Master Agreement, in whole or in part, without the prior written approval of the Lead State.

14.3.2 The Lead State reserves the right to assign any rights or duties, including written assignment of contract administration duties, to NASPO ValuePoint and other third parties.

14.4 Changes in Contractor Representation. The Contractor must, within ten (10) calendar days, notify the Lead State in writing of any changes in the Contractor's key administrative personnel managing the Master Agreement. The Lead State reserves the right to approve or reject changes in key personnel, as identified in the Contractor's proposal. The Contractor shall propose replacement key personnel having substantially equal or better education, training, and experience as was possessed by the key person proposed and evaluated in the Contractor's proposal.

14.5 Independent Contractor. Contractor is an independent contractor. Contractor has no authorization, express or implied, to bind the Lead State, Participating States, other Participating Entities, or Purchasing Entities to any agreements, settlements, liability or understanding whatsoever, and shall not hold itself out as agent except as expressly set forth herein or as expressly set forth in an applicable Participating Addendum or Order.

14.6 Cancellation. Unless otherwise set forth herein, this Master Agreement may be canceled by either party upon sixty (60) days' written notice prior to the effective date of the cancellation. Further, any Participating Entity may cancel its participation upon thirty (30) days' written notice, unless otherwise limited or stated in the Participating Addendum. Cancellation may be in whole or in part. Any cancellation under this provision will not affect the rights and obligations attending Orders outstanding at the time of cancellation, including any right of a Purchasing Entity to indemnification by the Contractor, rights of payment for Products delivered and accepted, rights attending any warranty or default in performance in association with any Order, and requirements for records administration

and audit. Cancellation of the Master Agreement due to Contractor default may be immediate.

- 14.7 Force Majeure.** Neither party to this Master Agreement shall be held responsible for delay or default caused by fire, riot, unusually severe weather, other acts of God, or acts of war which are beyond that party's reasonable control. The Lead State may terminate this Master Agreement upon determining such delay or default will reasonably prevent successful performance of the Master Agreement.

14.8 Defaults and Remedies

14.8.1 The occurrence of any of the following events will be an event of default under this Master Agreement:

14.8.1.1 Nonperformance of contractual requirements;

14.8.1.2 A material breach of any term or condition of this Master Agreement;

14.8.1.3 Any certification, representation or warranty by Contractor in response to the solicitation or in this Master Agreement that proves to be untrue or materially misleading;

14.8.1.4 Institution of proceedings under any bankruptcy, insolvency, reorganization or similar law, by or against Contractor, or the appointment of a receiver or similar officer for Contractor or any of its property, which is not vacated or fully stayed within thirty (30) calendar days after the institution or occurrence thereof; or

14.8.1.5 Any default specified in another section of this Master Agreement.

14.8.2 Upon the occurrence of an event of default, the Lead State shall issue a written notice of default, identifying the nature of the default, and providing a period of fifteen (15) calendar days in which Contractor shall have an opportunity to cure the default. The Lead State shall not be required to provide advance written notice or a cure period and may immediately terminate this Master Agreement in whole or in part if the Lead State, in its sole discretion, determines that it is reasonably necessary to preserve public safety or prevent immediate public crisis. Time allowed for cure will not diminish or eliminate Contractor's liability for damages, including liquidated damages to the extent provided for under this Master Agreement.

14.8.3 If Contractor is afforded an opportunity to cure and fails to cure the default within the period specified in the written notice of default, Contractor shall be in breach of its obligations under this

Master Agreement and the Lead State shall have the right to exercise any or all of the following remedies:

- 14.8.3.1 Any remedy provided by law;
- 14.8.3.2 Termination of this Master Agreement and any related Contracts or portions thereof;
- 14.8.3.3 Assessment of liquidated damages as provided in this Master Agreement;
- 14.8.3.4 Suspension of Contractor from being able to respond to future bid solicitations;
- 14.8.3.5 Suspension of Contractor's performance; and
- 14.8.3.6 Withholding of payment until the default is remedied.

14.8.4 Unless otherwise specified in the Participating Addendum, in the event of a default under a Participating Addendum, a Participating Entity shall provide a written notice of default as described in this section and shall have all of the rights and remedies under this paragraph regarding its participation in the Master Agreement, in addition to those set forth in its Participating Addendum. Unless otherwise specified in an Order, a Purchasing Entity shall provide written notice of default as described in this section and have all of the rights and remedies under this paragraph and any applicable Participating Addendum with respect to an Order placed by the Purchasing Entity. Nothing in these Master Agreement Terms and Conditions will be construed to limit the rights and remedies available to a Purchasing Entity under the applicable commercial code.

14.9 Waiver of Breach. Failure of the Lead State, Participating Entity, or Purchasing Entity to declare a default or enforce any rights and remedies will not operate as a waiver under this Master Agreement, any Participating Addendum, or any Purchase Order. Any waiver by the Lead State, Participating Entity, or Purchasing Entity must be in writing. Waiver by the Lead State or Participating Entity of any default, right or remedy under this Master Agreement or Participating Addendum, or by Purchasing Entity with respect to any Purchase Order, or breach of any terms or requirements of this Master Agreement, a Participating Addendum, or Purchase Order will not be construed or operate as a waiver of any subsequent default or breach of such term or requirement, or of any other term or requirement under this Master Agreement, any Participating Addendum, or any Purchase Order.

14.10 Debarment. The Contractor certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in public procurement or contracting by any governmental department or agency. This

certification represents a recurring certification made at the time any Order is placed under this Master Agreement. If the Contractor cannot certify this statement, attach a written explanation for review by the Lead State.

14.11 No Waiver of Sovereign Immunity

- 14.11.1 In no event will this Master Agreement, any Participating Addendum or any contract or any Purchase Order issued thereunder, or any act of the Lead State, a Participating Entity, or a Purchasing Entity be a waiver of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the Eleventh Amendment to the Constitution of the United States or otherwise, from any claim or from the jurisdiction of any court.
- 14.11.2 This section applies to a claim brought against the Participating Entities who are states only to the extent Congress has appropriately abrogated the state's sovereign immunity and is not consent by the state to be sued in federal court. This section is also not a waiver by the state of any form of immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

14.12 Governing Law and Venue

- 14.12.1 The procurement, evaluation, and award of the Master Agreement will be governed by and construed in accordance with the laws of the Lead State sponsoring and administering the procurement. The construction and effect of the Master Agreement after award will be governed by the law of the state serving as Lead State. The construction and effect of any Participating Addendum or Order against the Master Agreement will be governed by and construed in accordance with the laws of the Participating Entity's or Purchasing Entity's state.
- 14.12.2 Unless otherwise specified in the RFP, the venue for any protest, claim, dispute or action relating to the procurement, evaluation, and award is in the state serving as Lead State. Venue for any claim, dispute or action concerning the terms of the Master Agreement will be in the state serving as Lead State. Venue for any claim, dispute, or action concerning any Order placed against the Master Agreement or the effect of a Participating Addendum will be in the Purchasing Entity's state.
- 14.12.3 If a claim is brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for (in decreasing order of priority): the Lead State for claims relating to the procurement, evaluation, award, or contract performance or administration if the Lead State is a

party; a Participating State if a named party; the state where the Participating Entity or Purchasing Entity is located if either is a named party.

- 14.13 Assignment of Antitrust Rights.** Contractor irrevocably assigns to a Participating Entity who is a state any claim for relief or cause of action which the Contractor now has or which may accrue to the Contractor in the future by reason of any violation of state or federal antitrust laws (15 U.S.C. § 1-15 or a Participating Entity's state antitrust provisions), as now in effect and as may be amended from time to time, in connection with any goods or services provided in that state for the purpose of carrying out the Contractor's obligations under this Master Agreement or Participating Addendum, including, at the Participating Entity's option, the right to control any such litigation on such claim for relief or cause of action.
- 14.14 Survivability.** Unless otherwise explicitly set forth in a Participating Addendum or Order, the terms of this Master Agreement as they apply to the Contractor, Participating Entities, and Purchasing Entities, including but not limited to pricing and the reporting of sales and payment of administrative fees to NASPO ValuePoint, shall survive expiration of this Master Agreement and shall continue to apply to all Participating Addenda and Orders until the expiration thereof.

 - D. Each Occurrence\$1,000,000
 - 1.1.2. The policy shall be endorsed to include the following additional insured language: "The State of Nevada shall be named as an additional insured with respect to liability arising out of the activities performed by, or on behalf of the Contractor".
 - 1.2. **AUTOMOTIVE LIABILITY**
 - 1.2.1. Bodily Injury and Property Damage for any owned, hired, and non-owned vehicles used in the performance of this Contract.
 - A. Combined Single Limit (CSL).....\$1,000,000
 - 1.2.2. The policy shall be endorsed to include the following additional insured language: "The State of Nevada shall be named as an additional insured with respect to liability arising out of the activities performed by, or on behalf of the Contractor, including automobiles owned, leased, hired or borrowed by the Contractor".
 - 1.3. **WORKERS' COMPENSATION AND EMPLOYERS' LIABILITY**
 - 1.3.1. Workers' Compensation Statutory
 - 1.3.2. Employers' Liability
 - A. Each Accident\$100,000
 - B. Disease – Each Employee.....\$100,000
 - C. Disease – Policy Limit.....\$500,000
 - 1.3.3. Policy shall contain a waiver of subrogation against the State of Nevada.
 - 1.3.4. This requirement shall not apply when a contractor or subcontractor is exempt under N.R.S., AND when such contractor or subcontractor executes the appropriate sole proprietor waiver form.
 - 1.4. **PROFESSIONAL LIABILITY (ERRORS AND OMISSIONS LIABILITY)**
 - 1.4.1. The policy shall cover professional misconduct or lack of ordinary skill for those positions defined in the Scope of Services of this contract.
 - A. Each Claim.....\$1,000,000
 - B. Annual Aggregate.....\$2,000,000
 - 1.4.2. In the event that the professional liability insurance required by this Contract is written on a claims-made basis, Contractor warrants that any retroactive date under the policy shall precede the effective date of this Contract; and that either continuous coverage will be maintained, or an extended discovery period will be exercised for a period of two (2) years beginning at the time work under this Contract is completed.
 - 1.5. **NETWORK SECURITY (CYBER) AND PRIVACY LIABILITY**
 - A. Per Occurrence.....\$1,000,000
 - B. Annual Aggregate.....\$2,000,000
 - 1.6. Contractor must comply with any applicable State Workers Compensation or Employers Liability Insurance requirements.

INSURANCE SCHEDULE

2. Contractor shall pay premiums on all insurance policies. Contractor shall provide notice to a Participating Entity who is a state within five (5) business days after Contractor is first aware of expiration, cancellation or nonrenewal of such policy or is first aware that cancellation is threatened or expiration, nonrenewal or expiration otherwise may occur.
3. Prior to commencement of performance, Contractor shall provide to the Lead State a written endorsement to the Contractor's general liability insurance policy or other documentary evidence acceptable to the Lead State that (1) names the Participating States identified in the Request for Proposal as additional insureds, (2) provides that written notice of cancellation shall be delivered in accordance with the policy provisions, and (3) provides that the Contractor's liability insurance policy shall be primary, with any liability insurance of any Participating State as secondary and noncontributory. Unless otherwise agreed in any Participating Addendum, other state Participating Entities' rights and Contractor's obligations are the same as those specified in the first sentence of this subsection except the endorsement is provided to the applicable state.
4. Contractor shall furnish to the Lead State copies of certificates of all required insurance in a form sufficient to show required coverage within thirty (30) calendar days of the execution of this Master Agreement and prior to performing any work. Copies of renewal certificates of all required insurance shall be furnished within thirty (30) days after any renewal date to the applicable state Participating Entity. Failure to provide evidence of coverage may, at the sole option of the Lead State, or any Participating Entity, result in this Master Agreement's termination or the termination of any Participating Addendum.
5. Coverage and limits shall not limit Contractor's liability and obligations under this Master Agreement, any Participating Addendum, or any Purchase Order.
