

**AN ORDINANCE OF THE CITY OF OLIVETTE, MISSOURI, REAFFIRMING THE GROSS RECEIPTS TAX TO BE IMPOSED UPON WATER COMPANIES CONDUCTING BUSINESS WITHIN THE CITY AND MATTERS RELATED THERETO.**

**WHEREAS**, the Missouri Public Service Commission (PSC) has granted a tariff increase of 30 percent to Missouri-American Water Company (Missouri-American); and

**WHEREAS**, tariff increases in excess of 7 percent trigger certain requirements under RSMo. Section 393.275 to either roll back the rate of gross receipts taxes imposed by cities on Missouri-American or to pass an ordinance maintaining the existing rates despite the increase in the gross receipts to Missouri-American as a result of the tariff increase; and

**WHEREAS**, Section 393.275 requires cities to roll back the rate of the gross receipts tax within 60 days of the effective date of the tariff increase unless such cities pass an ordinance to maintain the existing rate; and

**WHEREAS**, the PSC has established the effective date of the tariff increase granted to Missouri-American as May 11, 2023, and 60 days from that date is July 10, 2023;

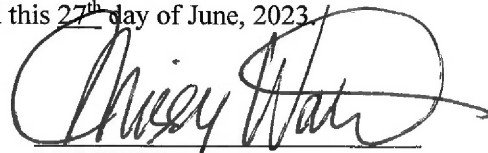

**NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF OLIVETTE, MISSOURI, AS FOLLOWS:**

**Section 1.** The gross receipts tax imposed upon water companies, including but not limited to Missouri-American, pursuant to Chapter 620 of the Code of Olivette shall be maintained at its existing rate of ten (10) percent, despite the tariff increase awarded by the PSC to Missouri-American effective on May 11, 2023.

**Section 2.** All ordinances or parts of ordinances in conflict herewith are hereby repealed, but shall otherwise remain in full force and effect.

**Section 3.** This Ordinance shall become effective immediately upon passage and approval.

Passed and approved this 27<sup>th</sup> day of June, 2023.

**ORDER TO PROVIDE NOTICE REQUIRED BY  
SECTION 393.275.1 TO CITIES OF RATE INCREASE**

Issue Date: May 11, 2023

Effective Date: May 11, 2023

Pursuant to Section 393.275.1, RSMo 2016, the Commission must notify the governing body of each city or county imposing a business license tax on gross receipts of any approved rate increase that exceeds seven percent. The statute requires the Commission to include with such notice to any city or county the percentage increase approved for the utility, together with an estimate of the annual increase in gross receipts resulting from the tariff increase on customers residing in that city or county. Section 393.275.2 then requires the taxing authority to reduce its tax rate to reduce the amount of revenue collected under the tax. The statute does not give the Commission authority

to review the actions taken by the taxing authority, nor does it require the taxing authority to inform the Commission of those actions.

Missouri-American Water Company (MAWC) submitted a response identifying the governing bodies that should receive notice. The information provided by MAWC, including MAWC's revenue increase estimates, is attached to this notice.

**THE COMMISSION ORDERS THAT:**

1. The Commission's Data Center shall mail a copy of this order and MAWC's May 10, 2023 Response to Order Directing Filing to each city or county identified by MAWC.
2. This order shall be effective when issued.

**MAWC RESPONSE TO ORDER DIRECTING FILING**

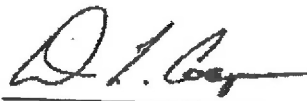

COMES NOW Missouri-American Water Company (MAWC or Company), by and through counsel, and for its *Response to Order Directing Filing*, respectfully states as follows to the Missouri Public Service Commission ("Commission"):

1. On May 3, 2023, the Commission issued herein its *Report and Order*. Among other things, the *Report and Order* directed that MAWC "file the information required by Section 393.275.1, RSMo 2000, and Commission Rule 20 CSR 4240-10.060 no later than May 10, 2023."

2. In response, attached as Appendix A is a list of those communities where there is a tariff change designed to increase revenues by greater than 7%. Please note that the estimated change in gross receipts tax assumes no change in number of meters or usage levels from the test year. Thus, the actual change may be greater or lesser than this estimate.

WHEREFORE, MAWC respectfully submits this information in response to the Commission's *Report and Order*.

Respectfully submitted,
