## 62 § 9421-4 Permit required; fee.

- 63 A. Issuance of permits; application.
  - (1) The display of fireworks by fair associations, amusement parks, or by any organization, or group of individuals, may be authorized, provided that a permit is obtained from the County Administrator. Any permit so issued shall be subject to the minimum terms and conditions set forth in the VSFPC and additional terms and conditions as may be prescribed by the provisions of this article or prescribed at the time of permit issuance.
  - (2) Complete applications for permits shall be made on forms issued by the County Administrator at least 45 days prior to the date of the fireworks display. Upon receipt of a complete fireworks application, the County Administrator shall confirm that the applicant is properly qualified under state law to present a fireworks display and that, in his opinion, such display can be held without endangering persons, animals, or property. Permit issuance shall consider the topography of the site and its proximity to forested, business, historical, residential, and agricultural areas.
  - (3) A nonrefundable \$500 permit application fee shall be paid at the time of application.

- The County Administrator may waive the permit application fee for non-profit
  agencies that are principally funded by the County of Rappahannock. The issuance of
  any such permit by the County is made solely under the authority granted by the Code
  of Virginia and shall not constitute approval or sponsorship in any manner of the
  permitted fireworks display.
- Upon approval of an application for a permit to display fireworks, the County
  Administrator shall write across such application the wording "Approved," and the
  application shall be dated and signed by him. Beginning as soon as fireworks have
  been delivered to the display site, they shall not be left unattended.

- (5) After it has been signed, dated, and approved by the County Administrator, the application shall constitute the permit. One copy of each permit to display fireworks shall be kept on file by the County Administrator until after the date the fireworks are displayed. A second copy of the permit will be returned to the applicant and shall be in the possession of the person(s) designated on the permit as being in charge of displaying the fireworks at the time and place they are being displayed.
- (6) After the issuance of a permit, to inform the public of the fireworks display, the County Administrator shall cause a public notice to be included in a newspaper of record for two successive weeks prior to the date of display and cause a temporary sign to be posted, concurrently with the newspaper notice, on the parcel upon which the fireworks display is permitted.
- 98 B. Any association, organization, or group that has been issued a permit may purchase and make use of fireworks under the terms and conditions of such permit.
- C. Fireworks displays permitted pursuant to this section shall occur not more than two times per calendar year on any one parcel of land or any contiguous parcels held under common ownership. Fireworks use or displays are permitted only between the hours of 8:00 a.m. and 11:00 p.m.; except that fireworks use or displays are permitted between the hours of 8:00 a.m. on December 31 and 12:15 a.m. on January 1 of each year. Displays shall not exceed 45 minutes in duration.
- D. No permit shall be issued until the applicant, association, organization, or group provides to the County Administrator evidence of a bond or certificate of commercial general liability insurance in the amount of not less than \$1,000,000 available to cover any damages resulting from such fireworks display. All insurance policies shall be with insurers qualified to do business in the Commonwealth of Virginia, with an A-1 or better rating of insurance by Best's Key Rating Guide, Property/Casualty Edition.
- 112 E. Whenever certification is required by § 107.2 of the VSFPC to conduct a fireworks display, 113 no permit shall be issued until evidence of such certification is provided to the County 114 Administrator.

115 116 117 118 119	F.	All permit holders shall provide advanced written notice of fireworks displays to all abutting property owners, including those across the street, at least 10 days prior of the event. No fireworks use or displays shall be permitted closer than 1,000 feet to a residential use unless the owner of the residential use grants express written permission in a form that can be reviewed and validated by the County Administrator.
120 121 122 123 124 125 126	G.	The County Administrator may specify, in any permit issued pursuant to this section, additional conditions necessary to protect persons, animals, and property. Such conditions may include, but shall not be limited to, the type of fireworks to be used, required fire-extinguishing equipment, the presence of trained firefighters and law enforcement officers, and any other requirements deemed necessary to protect public health and safety. The applicant shall be responsible for the cost of any equipment usage and personnel required as a condition of the permit.
127 128 129 130 131 132 133	H.	The County Administrator may revoke a permit if he determines that any condition of the permit, state law, or this article, has been violated, or if he finds any misrepresentation as to any material fact in the permit application. The County Administrator may also revoke the permit when necessary to prevent danger to persons and/or property from fire hazards. Such conditions include, but are not limited to, periods of drought in which forest lands, brush lands, and fields have become so dry or parched as to create an extraordinary fire hazard or hazardous weather, such as high winds or low humidity.
134 135 136	I.	With the exception of final permit approval and revocation, the County Administrator may designate responsibilities and authorities granted herein to the emergency services coordinator.
137 138	_	421-5 Violations and penalties.  y person who violates any provision of this article shall be guilty of a Class 1 misdemeanor.

170		incinerator, outdoor fireplace, portable outdoor fireplace, barbeque grill or barbeque pit				
171		and has a total fuel area of 3 feet or less in diameter and 2 feet or less in height for				
172		pleasure, religious, ceremonial, cooking, warmth or similar purposes. BONFIRE shall				
173		mean an outdoor fire utilized for ceremonial purposes.				
174	<i>B</i> .	Open burning prohibitions. The enforcing agency is empowered to prohibit open burning				
175		when atmospheric conditions or local circumstances make such fires hazardous (ref. §				
176		370.1.1 of the SFPC).				
177	C.	Extinguishment authority. Where open burning creates or adds to a hazardous situation,				
178	<u>C.</u>	the enforcing agency is authorized to order the extinguishment of the open burning				
179		operation and if not extinguished, cause the open burning to become extinguished without				
180		notice.				
160		notice.				
181	$D_{\cdot}$	General Open Burning. The location for open burning shall be not less than 50 feet from				
182		any structure, and provisions shall be made to prevent the fire from spreading to within 50				
183		feet of any structure. Exceptions include:				
184		(1) Fires in approved containers that are not less than 15 feet from a structure.				
185		(2) The minimum required distance from a structure shall be 25 feet where the pile size is				
186		3 feet or less in diameter and 2 feet or less in height.				
187	E.	Bonfires. A bonfire shall not be conducted within 50 feet of a structure or combustible				
188		material unless the fire is contained in a barbecue pit. Conditions that could cause a fire to				
189		spread within 50 feet of a structure shall be eliminated prior to ignition.				

190	F.	Recreational Fires. Recreational fires shall not be conducted within 25 feet of a structure
191		or combustible material. Conditions that could cause a fire to spread within 25 feet of a
192		structure shall be eliminated prior to ignition.
193	G.	Attendance. Open burning, bonfires, and recreational fires shall be constantly attended
194		until the fire is extinguished. Not fewer than one portable fire extinguisher complying with
195		Section 906 of the SFPC with a minimum 4-A rating or other approved on-site fire-
196		extinguishing equipment, such as dirt, sand, water barrel, garden hose or water truck, shall
197		be available for immediate utilization.
198	<i>H</i> .	Burning permitted under the provisions of this article does not exempt or excuse any owner
199		or other person from the consequences, liability, damages or injuries which may result from
200		such conduct; nor does it excuse or exempt any owner or other person from complying with
201		other applicable laws, ordinances, regulations and orders of the governmental entities
202		having jurisdiction, even though the open burning is conducted in compliance with this
203		article. In this regard special attention should be directed to Code of Virginia, § 10.1-1142,
204		the Forest Fire Law of Virginia, the regulations of the Virginia Waste Management Board,
205		and the state air pollution control board's regulations for the control and abatement of air
206		pollution.
207	§ 9	4-11 Violation.
208	<i>A</i> .	Notice. A written notice citing the section allegedly violated, describing the condition
209		deemed unsafe and specifying time limitations for the required abatements to be made to
210		render the premises safe and secure, shall be sent or mailed to the owner of the premises
211		where the violation took place.
212	<i>B</i> .	Right of appeal. Notices of violation shall indicate the right of appeal by referencing the
213		opportunity to make an appeal to the Local Board of Building Code Appeals set out in § 71-
214		<u>9.</u>
215	<i>C</i> .	Pursuant to Code of Virginia, § 27-100, after exhaustion of any appeals, any such violation
216		of this article shall be deemed a Class 1 misdemeanor, and any owner, or any other person,
217		firm, or corporation convicted of such violation shall be punished in accordance with the
218		provisions of Code of Virginia § 18.2-11 such person shall, in addition to the above penalty,
219		be liable to the state, the county, and/or the responding fire departments, whether paid or
220		volunteer, for the full amount of all expenses incurred respectively in suppressing such fire.
