AN ORDINANCE OF THE BOROUGH OF WOODBURY HEIGHTS, GLOUCESTER COUNTY, AMENDING THE CODE OF THE BOROUGH OF WOODBURY HEIGHTS CHAPTER 70, LAND USE AND DEVELOPMENT RELATING TO CANNABIS ESTABLISHMENTS

WHEREAS, in 2020 New Jersey voters approved Public Question No. 1, which amended the New Jersey Constitution to allow for the legalization of a controlled form of marijuana called “cannabis” for adults at least 21 years of age; and

WHEREAS, on February 22, 2021, Governor Murphy signed into law P.L. 2021, c. 16, known as the “New Jersey Cannabis Regulatory, Enforcement Assistance, and Marketplace Modernization Act” (the “Act”), which legalizes the recreational use of marijuana by adults 21 years of age or older, and establishes a comprehensive regulatory and licensing scheme for commercial recreational (adult use) cannabis operations, use and possession; and

WHEREAS, the Act establishes six marketplace classes of licensed businesses, which are, as follows:

- Class 1 Cannabis Cultivator license, for facilities involved in growing and cultivating cannabis;
- Class 2 Cannabis Manufacturer license, for facilities involved in the manufacturing, preparation, and packaging of cannabis items;
- Class 3 Cannabis Wholesaler license, for facilities involved in obtaining and selling cannabis items for later resale by other licensees;
- Class 4 Cannabis Distributer license, for businesses involved in transporting cannabis plants in bulk from a licensed cultivator to another licensed cultivator, or cannabis items in bulk from any type of licensed cannabis business to another;
- Class 5 Cannabis Retailer license for locations at which cannabis items and related supplies are sold to consumers; and
- Class 6 Cannabis Delivery license, for businesses providing courier services for consumer purchases that are fulfilled by a licensed cannabis retailer in order to make deliveries of the purchased items to a consumer, and which service would include the ability of a consumer to make a purchase directly through the cannabis delivery service which would be presented by the delivery service for fulfillment by a retailer and then delivered to a consumer.

WHEREAS, Section 31a of the Act authorizes municipalities by ordinance to adopt regulations governing the number of cannabis establishments (defined in Section 3 of the Act as “a cannabis cultivator, a cannabis manufacturer, a cannabis wholesaler, or a cannabis retailer”), cannabis distributors or cannabis delivery services allowed to operate within their boundaries, as well as the location manner and times operation of such establishments, distributors or delivery services, and establishing civil penalties for the violation of any such regulations; and

WHEREAS, the Borough of Woodbury Heights amended their Land Use Ordinances to permit certain classes of cannabis establishments in the Light Industrial and Highway Commercial zoning

districts and provided for standards for each use to meet as a conditional use in those zoning districts; and

WHEREAS, the Borough heretofore limited the number of Class 2 Cannabis Manufacturing Establishments to two (2) within the LI zoning district and the Borough limited the number of Class 5 Retail Cannabis Establishments to one (1) within the Highway Commercial District. The Borough also established a minimum separation of 500-feet between cannabis establishments; and

WHEREAS, The Borough approved an ordinance permitting one (1) Class 5 Retail Cannabis facility in the Highway Commercial District, however, the Borough reviewed the location and properties within the Highway Commercial District and finds it is appropriate to further restrict the location of a Class 5 Retail Cannabis Facility to the Highway Commercial District located along Route 45 and not in the Highway Commercial District located along Woodbury Glassboro Road; and
