	approved site plan ¹			
F.	Amendments to an approved site plan involving changes only to uses or structures not ordinarily requiring site plan approval ¹	Any such changes shall be designated on a copy of the approved site plan by the applicant, and the plan shall be submitted to the Code Enforcement Officer for filing in the Office of Planning and Development. Such changes do not require site plan approval as set forth in Article X unless the Code Enforcement Officer finds that such changes may create a significant impact on the other uses on the site for which site plan review was required.		
G.	Amendments to an approved site plan involving field changes to an approved site plan during construction period.	See § 145-74G(4)		

NOTES:

- 1 A change of use from a use having site plan approval to another use requiring site plan approval shall be processed as a site plan amendment.-Changes involving uses listed in Article V as a permitted use not requiring site plan approval shall not be processed as a site plan amendment.
- 2 Site plan approval shall expire if a use has been established and then discontinued for five years or more per § 145-74F(3).
- 3 Accumulated alterations within any five-year period.
- 4 Properties subject to a prior site plan approval by the Planning Board or the former Site Review Board shall be reviewed by the Planning Board, except that the Staff Review Committee may review and approve amendments to such site plans in the following circumstances: a) the change does not involve an increase in gross floor area of greater than 2,000 square feet within a five-year period, and b) does not involve an increase of lot coverage area greater than 4,000 square feet within a five-year period, and c) the change does not involve the proposed change of any condition or restriction placed on the prior approval.
- 5 Minor alterations include the following: (1) changes to the approved location of a structure footprint, dumpster, lighting and sign up to five feet horizontally; (2) changes to utilities such as water, sewer, or electrical placement due to WSD, KK&WWD, Power Company, or Town Engineer recommendations; (3) structural alterations/additions to accommodate sheds, bulkheads, decks, stairs and other minor structural alterations/ additions; (4) alterations in drainage that have an insignificant effect on stormwater management or erosion control plans; (5) minor landscaping, parking reconfigurations, and planting changes.
- 6 Conditions of approval or notes written on the face of the site plan may be amended only by the reviewing authority that approved the site plan [§ 145-74G(1)(b)] or the Planning Board.
