All persons using water shall keep their pipes and fixtures within their premises, together with the service pipe to the curb stop as defined in § 403-3(B), in good repair and protect the same from frost at their own expense. If the owner of any premises shall neglect or refuse to repair a leak within three days, exclusive of Sundays and legal holidays, after receipt of written notice from the Director directing such repairs, the water supply for such premises shall be shut off at the main or at the curb, and service shall not be resumed for such premises until after all repairs ordered have been made and the fee, as set forth in § 403-21B, has been paid.

B.

Additionally, the Borough shall have the right to replace a consumer's service line from the curb stop as defined in § 403-3(B) to the water meter, or any portion thereof, and bill him/her according to the fee schedule set forth in § 403-21B, under any of the following circumstances:
