- (2) Provide children of different sexes with separate bedrooms;
- (3) Provide separate bedrooms for parents and children; and
- (4) Prevent more than two persons from occupying a single bedroom.

§ 410-75 Control Periods for Restricted Ownership Units and Enforcement Mechanisms

A. Control periods for restricted ownership units shall be in accordance with N.J.A.C. 5:80-26.5, as may be amended and supplemented, and each restricted ownership unit shall remain subject to the requirements of this Ordinance for a period of at least thirty (30) years, until Alpha takes action to release the unit from such requirements; prior to such action, a restricted ownership unit must remain subject to the requirements of N.J.A.C. 5:80-26.1, as may be amended and supplemented.

B. The affordability control period for a restricted ownership unit shall commence on the date the initial certified household takes title to the unit.

C. Prior to the issuance of the initial certificate of occupancy for a restricted ownership unit and upon each successive sale during the period of restricted ownership, the Administrative Agent shall determine the restricted price for the unit and shall also determine the non-restricted, fair market value of the unit based on either an appraisal or the unit's equalized assessed value without the restrictions in place.

D. At the time of the initial sale of the unit, the initial purchaser shall execute and deliver to the Administrative Agent a recapture note obligating the purchaser (as well as the purchaser's heirs, successors and assigns) to repay, upon the first non-exempt sale after the unit's release from the restrictions set forth in this Ordinance, an amount equal to the difference between the unit's non-restricted fair market value and its restricted price, and the recapture note shall be secured by a recapture lien evidenced by a duly recorded mortgage on the unit.

E. The affordability controls set forth in this Ordinance shall remain in effect despite the entry and enforcement of any judgment of foreclosure with respect to restricted ownership units.

F. A restricted ownership unit shall be required to obtain a Continuing Certificate of Occupancy or a certified statement from the Construction Official stating that the unit meets all Code standards upon the first transfer of title following the removal of the restrictions provided under N.J.A.C. 5:80-26.5(a), as may be amended and supplemented.

§ 410-76 Price Restrictions for Restricted Ownership Units, Homeowner Association Fees and Resale Prices

A. Price restrictions for restricted ownership units shall be in accordance with N.J.A.C. 5:80-26.1, as may be amended and supplemented, including:

- (1) The initial purchase price for a restricted ownership unit shall be approved by the Administrative Agent.
- (2) The Administrative Agent shall approve all resale prices, in writing and in advance of the resale, to assure compliance with the foregoing standards.
- (3) The master deeds of inclusionary developments shall provide no distinction between the condominium or homeowner association fees and special assessments paid by low- and moderate-income purchasers and those paid by market purchasers.
- (4) The owners of restricted ownership units may apply to the Administrative Agent to increase the maximum sales price for the unit on the basis of anticipated capital improvements. Eligible capital improvements shall be those that render the unit suitable for a larger household or the addition of a bathroom. See Section 13.

§ 410-77 Buyer Income Eligibility

- A. Buyer income eligibility for restricted ownership units shall be in accordance with N.J.A.C. 5:80-26.1, as may be amended and supplemented, such that low-income ownership units shall be reserved for households with a gross household income less than or equal to 50 percent of median income and moderate-income ownership units shall be reserved for households with a gross household income less than 80 percent of median income.
- B. Notwithstanding the foregoing, the Administrative Agent may, upon approval by the Borough Council, and subject to the Court's approval, permit a moderate-income purchaser to buy a low-income unit if and only if the Administrative Agent can demonstrate that there is an insufficient number of eligible low-income purchasers in the housing region to permit prompt occupancy of the unit and all other reasonable efforts to attract a low income purchaser, including pricing and financing incentives, have failed. Any such low-income unit that is sold to a moderate-income household shall retain the required pricing and pricing restrictions for a low-income unit.
- C. A certified household that purchases a restricted ownership unit must occupy it as the certified household's principal residence and shall not lease the unit; provided, however, that the Administrative Agent may permit the owner of a restricted ownership unit, upon application and a showing of hardship, to lease the restricted unit to another certified household for a period not to exceed one year.
- D. The Administrative Agent shall certify a household as eligible for a restricted ownership unit when the household is a low-income household or a moderate-income household, as applicable to the unit, and the estimated monthly housing cost for the particular unit (including principal, interest, taxes, homeowner and private mortgage insurance and condominium or homeowner association fees, as applicable) does not exceed 33 percent of the household's eligible monthly income.

§ 410-78 Limitations on Indebtedness Secured by Ownership Unit; Subordination

- A. Prior to incurring any indebtedness to be secured by a restricted ownership unit, the owner shall apply to the Administrative Agent for a determination in writing that the proposed indebtedness complies with the provisions of this Section, and the Administrative Agent shall issue such determination prior to the owner incurring such indebtedness.
- B. With the exception of First Purchase Money Mortgages, neither an owner nor a lender shall at any time cause or permit the total indebtedness secured by a restricted ownership unit to exceed 95 percent of the maximum allowable resale price of the unit, as such price is determined by the Administrative Agent in accordance with N.J.A.C.5:80-26.6(b).

§ 410-79 Capital Improvements To Ownership Units

- A. The owners of restricted ownership units may apply to the Administrative Agent to increase the maximum sales price for the unit on the basis of capital improvements made since the purchase of the unit. Eligible capital improvements shall be those that render the unit suitable for a larger household or that add an additional bathroom. In no event shall the maximum sales price of an improved housing unit exceed the limits of affordability for the larger household.
- B. Upon the resale of a restricted ownership unit, all items of property that are permanently affixed to the unit or were included when the unit was initially restricted (for example, refrigerator, range, washer, dryer, dishwasher, wall-to-wall carpeting) shall be included in the maximum allowable resale price. Other items may be sold to the purchaser at a reasonable price that has been approved by the Administrative Agent at the time of the signing of the agreement to purchase. The purchase of central air conditioning installed subsequent to the initial sale of the unit and not included in the base price may be made a condition of the unit resale provided the price, which shall be subject to 10-year, straight-line depreciation, has been approved by the Administrative Agent. Unless otherwise approved by the Administrative Agent, the purchase of any property other than central air conditioning shall not be made a condition of the unit resale. The owner and the purchaser must personally certify at the time of closing that no unapproved transfer of funds for the purpose of selling and receiving property has taken place at the time of or as a condition of resale.

§ 410-80 Control Periods for Restricted Rental Units

A. Control periods for restricted rental units shall be in accordance with N.J.A.C. 5:80-26.11, as may be amended and supplemented, and each restricted rental unit shall remain subject to the requirements of this Ordinance for a period of at least 30 years, until Alpha takes action to release the unit from such requirements. Prior to such action, a restricted rental unit must remain subject to the requirements of N.J.A.C. 5:80-26.1, as may be amended and supplemented.

B. Deeds of all real property that include restricted rental units shall contain deed restriction language. The deed restriction shall have priority over all mortgages on the property, and the deed restriction shall be filed by the developer or seller with the records office of the County of Warren. A copy of the filed document shall be provided to the Administrative Agent within 30 days of the receipt of a Certificate of Occupancy.

C. A restricted rental unit shall remain subject to the affordability controls of this Ordinance despite the occurrence of any of the following events:

- (1) Sublease or assignment of the lease of the unit;
- (2) Sale or other voluntary transfer of the ownership of the unit; or
- (3) The entry and enforcement of any judgment of foreclosure on the property containing the unit.

§ 410-81 Rent Restrictions for Rental Units; Leases

A. A written lease shall be required for all restricted rental units and tenants shall be responsible for security deposits and the full amount of the rent as stated on the lease. A copy of the current lease for each restricted rental unit shall be provided to the Administrative Agent.

B. No additional fees or charges shall be added to the approved rent (except, in the case of units in an assisted living residence, to cover the customary charges for food and services) without the express written approval of the Administrative Agent.

C. Application fees (including the charge for any credit check) shall not exceed five percent of the monthly rent of the applicable restricted unit and shall be payable to the Administrative Agent to be applied to the costs of administering the controls applicable to the unit as set forth in this Ordinance.

D. No rent control ordinance or other pricing restriction shall be applicable to either the market units or the affordable units in any development in which at least 15% of the total number of dwelling units are restricted rental units in compliance with this Ordinance.

§ 410-82 Tenant Income Eligibility

A. Tenant income eligibility shall be in accordance with N.J.A.C. 5:80-26.13, as may be amended and supplemented, and shall be determined as follows:

- (1) Very low-income rental units shall be reserved for households with a gross household income less than or equal to 30 percent of the regional median household income by household size.
- (2) Low-income rental units shall be reserved for households with a gross household income less than or equal to 50 percent of the regional median household income by household size.
- (3) Moderate-income rental units shall be reserved for households with a gross household income less than 80 percent of the regional median household income by household size.

B. The Administrative Agent shall certify a household as eligible for a restricted rental unit when the household is a very low-income household, low-income household or a moderate-income household, as applicable to the unit, and the rent proposed for the unit does not exceed 35 percent (40 percent for age-restricted units) of the household's eligible monthly income as determined pursuant to N.J.A.C. 5:80-26.16, as may be amended and supplemented; provided, however, that this limit may be exceeded if one or more of the following circumstances exists:

- (1) The household currently pays more than 35 percent (40 percent for households eligible for age-restricted units) of its gross household income for rent, and the proposed rent will reduce its housing costs;
- (2) The household has consistently paid more than 35 percent (40 percent for households eligible for age-restricted units) of eligible monthly income for rent in the past and has proven its ability to pay;

- (3) The household is currently in substandard or overcrowded living conditions;
 - (4) The household documents the existence of assets with which the household proposes to supplement the rent payments; or
 - (5) The household documents reliable anticipated third-party assistance from an outside source such as a family member in a form acceptable to the Administrative Agent and the owner of the unit.
- C. The applicant shall file documentation sufficient to establish the existence of the circumstances in 1.a. through 2.e. above with the Administrative Agent, who shall counsel the household on budgeting.

§ 410-83 Municipal Housing Liaison

A. The Borough of Alpha shall appoint a specific municipal employee to serve as a Municipal Housing Liaison responsible for overseeing the Borough's affordable housing program, including overseeing the administration of affordability controls on the affordable units and the affirmative marketing of available affordable units in accordance with the Borough's Affirmative Marketing Plan; fulfilling monitoring and reporting requirements; and supervising Administrative Agent(s). § 410-85 Affirmative Marketing Requirements

A. The Borough of Alpha shall adopt by resolution an Affirmative Marketing Plan, subject to approval of the Court, that is compliant with N.J.A.C. 5:80-26.15, as may be amended and supplemented.

B. The Affirmative Marketing Plan is a regional marketing strategy designed to attract buyers and/or renters of all majority and minority groups, regardless of race, creed, color, national origin, ancestry, marital or familial status, gender, affectional or sexual orientation, disability, age or number of children to housing units which are being marketed by a developer, sponsor or owner of affordable housing. The Affirmative Marketing Plan is intended to target those potentially eligible persons who are least likely to apply for affordable units in that region. It is a continuing program that directs marketing activities toward Housing Region 3 and is required to be followed throughout the period of restriction.

C. The Affirmative Marketing Plan shall provide a regional preference for all households that live and/or work in Housing Region 3, comprised of Warren, Essex, Union and Warren Counties.

D. The municipality has the ultimate responsibility for adopting the Affirmative Marketing Plan and for the proper administration of the Affirmative Marketing Program, including initial sales and rentals and resales and rerentals. The Administrative Agent designated by the Borough of Alpha shall implement the Affirmative Marketing Plan to assure the affirmative marketing of all affordable units.

E. In implementing the Affirmative Marketing Plan, the Administrative Agent shall provide a list of counseling services to low- and moderate-income applicants on subjects such as budgeting, credit issues, mortgage qualification, rental lease requirements, and landlord/tenant law.

F. The Affirmative Marketing Plan shall describe the media to be used in advertising and publicizing the availability of housing. In implementing the Affirmative Marketing Plan, the Administrative Agent shall consider the use of language translations where appropriate.

G. The affirmative marketing process for available affordable units shall begin at least four months (120 days) prior to the expected date of occupancy.

H. Applications for affordable housing shall be available in several locations, including, at a minimum, the County Administration Building and/or the County Library for each county within the housing region; the municipal administration building and the municipal library in the municipality in which the units are located; and the developer's rental office. Applications shall be mailed to prospective applicants upon request.

I. In addition to other affirmative marketing strategies, the Administrative Agent shall provide specific notice of the availability of affordable housing units in Alpha, and copies of the application forms, to the following entities: Fair Share Housing Center, the New Jersey State Conference of the NAACP, the Latino Action Network, NORWESCAP, the Supportive Housing Association, and the Central Jersey Housing Resource Center.

J. The costs of advertising and affirmative marketing of the affordable units shall be the responsibility of the developer, sponsor or owner.

§ 410-86 Enforcement of Affordable Housing Regulations

A. Upon the occurrence of a breach of any of the regulations governing an affordable unit by an Owner, Developer or Tenant, the municipality shall have all remedies provided at law or equity, including but not limited to foreclosure, tenant eviction, a requirement for household recertification, acceleration of all sums due under a mortgage, recuperation of any funds from a sale in violation of the regulations, injunctive relief to prevent further violation of the regulations, entry on the premises, and specific performance.

B. After providing written notice of a violation to an Owner, Developer or Tenant of a low- or moderate-income unit and advising the Owner, Developer or Tenant of the penalties for such violations, the municipality may take the following action(s) against the Owner, Developer or Tenant for any violation that remains uncured for a period of 60 days after service of the written notice:

(1) The municipality may file a court action pursuant to N.J.S.A. 2A:58-11 alleging a violation or violations of the regulations governing the affordable housing unit. If the Owner, Developer or Tenant is adjudged by the Court to have violated any provision of the regulations governing affordable housing units the Owner, Developer or Tenant shall be subject to one or more of the following penalties, at the discretion of the Court:

(a) A fine of not more than \$500.00 per day or imprisonment for a period not to exceed 90 days, or both, provided that each and every day that the violation continues or exists shall be considered a separate and specific violation of these provisions and not a continuation of the initial offense;

(b) In the case of an Owner who has rented a low- or moderate-income unit in violation of the regulations governing affordable housing units, payment into the Borough of Alpha Affordable Housing Trust Fund of the gross amount of rent illegally collected;

(c) In the case of an Owner who has rented a low- or moderate-income unit in violation of the regulations governing affordable housing units, payment of an innocent tenant's reasonable relocation costs, as determined by the Court.

(2) The municipality may file a court action in the Superior Court seeking a judgment that would result in the termination of the Owner's equity or other interest in the unit, in the nature of a mortgage foreclosure. Any such judgment shall be enforceable as if the same were a judgment of default of the First Purchase Money Mortgage and shall constitute a lien against the low- or moderate-income unit.

(a) The judgment shall be enforceable, at the option of the municipality, by means of an execution sale by the Sheriff, at which time the low- and moderate-income unit of the violating Owner shall be sold at a sale price which is not less than the amount necessary to fully satisfy and pay off any First Purchase Money Mortgage and prior liens and the costs of the enforcement proceedings incurred by the municipality, including attorney's fees. The violating Owner shall have his right to possession terminated as well as his title conveyed pursuant to the Sheriff's sale.

(b) The proceeds of the Sheriff's sale shall first be applied to satisfy the First Purchase Money Mortgage lien and any prior liens upon the low- and moderate-income unit. The excess, if any, shall be applied to reimburse the municipality for any and all costs and expenses incurred in connection with either the court action resulting in the judgment of violation or the Sheriff's sale. In the event that the proceeds from the Sheriff's sale are insufficient to reimburse the municipality in full as aforesaid, the violating Owner shall be personally responsible for the full extent of such deficiency, in addition to any and all costs incurred by the municipality in connection with collecting such deficiency. In the event that a surplus remains after satisfying all of the above, such surplus, if any, shall be placed in escrow by the municipality for the Owner and shall be held in such escrow for a maximum period of two years or until such earlier time as the Owner shall make a claim with the municipality for such. Failure of the Owner to claim such balance within the two-year period shall automatically result in a forfeiture of such balance to the municipality. Any interest accrued or earned on such balance while being held in escrow shall belong to and shall be paid to the municipality, whether such balance shall be paid to the Owner or forfeited to the municipality.

(c) Foreclosure by the municipality due to violation of the regulations governing affordable housing units shall not extinguish the restrictions of the regulations governing affordable housing units as the same apply to the low- and moderate-income unit. Title shall be conveyed to the purchaser at the Sheriff's sale, subject to the restrictions and provisions of the regulations governing the affordable housing unit. The Owner determined to be in violation of the provisions of this plan and from whom title and possession were taken by means of the Sheriff's sale shall not be entitled to any right of redemption.

(d) If there are no bidders at the Sheriff's sale, or if insufficient amounts are bid to satisfy the First Purchase Money Mortgage and any prior liens, the municipality may acquire title to the low- and moderate-income unit by satisfying the First Purchase Money Mortgage and any prior liens and crediting the violating owner with an amount equal to the difference between the First Purchase Money Mortgage and any prior liens and costs of the enforcement proceedings, including legal fees and the maximum resale price for which the low-

and moderate-income unit could have been sold under the terms of the regulations governing affordable housing units. This excess shall be treated in the same manner as the excess which would have been realized from an actual sale as previously described.

(e) Failure of the low- and moderate-income unit to be either sold at the Sheriff's sale or acquired by the municipality shall obligate the Owner to accept an offer to purchase from any qualified purchaser which may be referred to the Owner by the municipality, with such offer to purchase being equal to the maximum resale price of the low- and moderate-income unit as permitted by the regulations governing affordable housing units.

(f) The Owner shall remain fully obligated, responsible and liable for complying with the terms and restrictions of governing affordable housing units until such time as title is conveyed from the Owner.

§ 410-87 Appeals

Appeals from all decisions of an Administrative Agent appointed pursuant to this Ordinance shall be filed in writing with the Court.

ORDINANCE 2017-15

AN ORDINANCE AMENDING CHAPTER 410 OF THE CODE OF THE BOROUGH OF ALPHA TO PROVIDE FOR THE COLLECTION OF DEVELOPMENT FEES IN SUPPORT OF AFFORDABLE HOUSING AS PERMITTED BY THE NEW JERSEY FAIR HOUSING ACT

WHEREAS, In Holmdel Builder's Association v. Holmdel Borough, 121 N.J. 550 (1990), the New Jersey Supreme Court determined that mandatory development fees are authorized by the Fair Housing Act of 1985, N.J.S.A. 52:27d-301, *et seq.*, and the State Constitution, subject to the adoption of Rules by the Council on Affordable Housing (COAH); and

WHEREAS, pursuant to P.L. 2008, c. 46, Section 8 (C. 52:27D-329.2) and the Statewide Non-Residential Development Fee Act (C. 40:55D-8.1 through 8.7), COAH was authorized to adopt and promulgate regulations necessary for the establishment, implementation, review, monitoring and enforcement of municipal affordable housing trust funds and corresponding spending plans. Municipalities that were under the jurisdiction of COAH and that are now before a court of competent jurisdiction and have a Court-approved Spending Plan may retain fees collected from non-residential development;

BE IT ORDAINED by the Borough Council of the Borough of Alpha, Warren County, New Jersey, that Chapter 410 of the Code of the Borough of Alpha is hereby amended to include new Article XII, regulating the collection and disposition of mandatory development fees to be used in connection with the Borough's affordable housing programs, as directed by the Superior Court and consistent with N.J.A.C. 5:93-1, *et seq.*, as amended and supplemented, N.J.A.C. 5:80-26.1, *et seq.*, as amended and supplemented, and the New Jersey Fair Housing Act of 1985.

§ 410-88 Purpose.

A. This Ordinance establishes standards for the collection, maintenance, and expenditure of development fees that are consistent with COAH's regulations developed in response to P.L. 2008, c. 46, Sections 8 and 32-38 (C. 52:27D-329.2) and the Statewide Non-Residential Development Fee Act (C. 40:55D-8.1 through 8.7). Fees collected pursuant to this Ordinance shall be used for the sole purpose of providing very low, low- and moderate-income housing in accordance with a Court-approved Spending Plan.

§ 410-89 Basic Requirements.

A. This Ordinance shall not be effective until approved by the Court.

B. The Borough of Alpha shall not spend development fees until the Court has approved a plan for spending such fees (Spending Plan).

§ 410-90 Definitions.

The following terms, as used in this Ordinance, shall have the following meanings:

“Affordable housing development” means a development included in the Housing Element and Fair Share Plan, and includes, but is not limited to, an inclusionary development, a municipal construction project or a 100 percent affordable housing development.

“COAH” or the “Council” means the New Jersey Council on Affordable Housing established under the Fair Housing Act.

“Development fee” means money paid by a developer for the improvement of property as authorized by Holmdel Builder's Association v. Holmdel Borough, 121 N.J. 550 (1990) and the Fair Housing Act of 1985, N.J.S.A. 52:27d-301, *et seq.*, and regulated by applicable COAH Rules.

“Developer” means the legal or beneficial owner or owners of a lot or of any land proposed to be included in a proposed development, including the holder of an option or contract to purchase, or other person having an enforceable proprietary interest in such land.

“Equalized assessed value” means the assessed value of a property divided by the current average ratio of assessed to true value for the municipality in which the property is situated, as determined in accordance with Sections 1, 5, and 6 of P.L. 1973, c.123 (C.54:1-35a through C.54:1-35c).

“Green building strategies” means those strategies that minimize the impact of development on the environment, and enhance the health, safety and well-being of residents by producing durable, low-maintenance, resource-efficient housing while making optimum use of existing infrastructure and community services.

A. Imposition of Fees

(1) Within the Borough of Alpha, all residential developers, except for developers of the types of developments specifically exempted below and developers of developments that include affordable housing, shall pay a fee of one and a half percent (1.5%) of the equalized assessed value for all new residential development provided no increased density is permitted. Development fees shall also be imposed and collected when an additional dwelling unit is added to an existing residential structure; in such cases, the fee shall be calculated based on the increase in the equalized assessed value of the property due to the additional dwelling unit.

(2) When an increase in residential density is permitted pursuant to a “d” variance granted under N.J.S.A. 40:55D-70d(5), developers shall be required to pay a “bonus” development fee of six percent (6%) percent of the equalized assessed value for each additional unit that may be realized, except that this provision shall not be applicable to a development that will include affordable housing. If the zoning on a site has changed during the two-year period preceding the filing of such a variance application, the base density for the purposes of calculating the bonus development fee shall be the highest density permitted by right during the two-year period preceding the filing of the variance application.

B. Eligible Exactions, Ineligible Exactions and Exemptions for Residential Developments

(1) Affordable housing developments and/or developments where the developer has made a payment in lieu of on-site construction of affordable units, if permitted by Ordinance or by Agreement with the Borough of Alpha, shall be exempt from the payment of development fees.

(2) Developments that have received preliminary or final site plan approval prior to the adoption of this Ordinance shall be exempt from the payment of development fees, unless the developer seeks a substantial change in the original approval. Where site plan approval is not applicable, the issuance of a Zoning Permit and/or Construction Permit shall be synonymous with preliminary or final site plan approval for the purpose of determining the right to an exemption. In all cases, the applicable fee percentage shall be determined based upon the Development Fee Ordinance in effect on the date that the Construction Permit is issued.

(3) Improvements or additions to existing one and two-family dwellings on individual lots shall not be required to pay a development fee, but a development fee shall be charged for any new dwelling constructed as a replacement for a previously existing dwelling on the same lot that was or will be demolished, unless the owner resided in the previous dwelling for a period of one year or more prior to obtaining a demolition permit. Where a development fee is charged for a replacement dwelling, the development fee shall be calculated on the increase in the equalized assessed value of the new structure as compared to the previous structure.

(4) Homes replaced as a result of a natural disaster (such as a fire or flood) shall be exempt from the payment of a development fee.

§ 410-92 Non-Residential Development Fees.

A. Imposition of Fees

(1) Within all zoning districts, non-residential developers, except for developers of the types of developments specifically exempted below, shall pay a fee equal to two and one-half (2.5) percent of the equalized assessed value of the land and improvements, for all new non-residential construction on an unimproved lot or lots.

(2) Within all zoning districts, non-residential developers, except for developers of the types of developments specifically exempted below, shall also pay a fee equal to two and one-half (2.5) percent of the increase in equalized assessed value resulting from any additions to existing structures to be used for non-residential purposes.

(3) Development fees shall be imposed and collected when an existing structure is demolished and replaced. The development fee of two and a half percent (2.5%) shall be calculated on the difference between the equalized assessed value of the pre-existing land and improvements and the equalized assessed value of the newly improved structure, i.e. land and improvements, and such calculation shall be made at the time a final Certificate of Occupancy is issued. If the calculation required under this Section results in a negative number, the non-residential development fee shall be zero.

B. Eligible Exactions, Ineligible Exactions and Exemptions for Non-residential Development

(1) The non-residential portion of a mixed-use inclusionary or market rate development shall be subject to a two and a half percent (2.5%) development fee, unless otherwise exempted below.

(2) The two and a half percent (2.5%) development fee shall not apply to an increase in equalized assessed value resulting from alterations, change in use within the existing footprint, reconstruction, renovations and repairs.

(3) Non-residential developments shall be exempt from the payment of non-residential development fees in accordance with the exemptions required pursuant to the Statewide Non-Residential Development Fee Act (N.J.S.A. 40:55D-8.1 through 8.7), as specified in Form N-RDF "State of New Jersey Non-Residential Development Certification/Exemption". Any exemption claimed by a developer shall be substantiated by that developer.

(4) A developer of a non-residential development exempted from the non-residential development fee pursuant to the Statewide Non-Residential Development Fee Act shall be subject to the fee at such time as the basis for the exemption no longer applies, and shall make the payment of the non-residential development fee, in that event, within three years after that event or after the issuance of the final Certificate of Occupancy for the non-residential development, whichever is later.

(5) If a property which was exempted from the collection of a non-residential development fee thereafter ceases to be exempt from property taxation, the owner of the property shall remit the fees required pursuant to this Section within 45 days of the termination of the property tax exemption. Unpaid non-residential development fees under these circumstances may be enforceable by the Borough of Alpha as a lien against the real property of the owner.

§ 410-93 Collection Procedures.

A. Upon the granting of a preliminary, final or other applicable approval for a development, the approving authority or entity shall notify or direct its staff to notify the Construction Official responsible for the issuance of a Construction Permit.

B. For non-residential developments only, the developer shall also be provided with a copy of Form N-RDF "State of New Jersey Non-Residential Development Certification/ Exemption" to be completed as per the instructions provided. The developer of a non-residential development shall complete Form N-RDF as per the instructions provided. The Construction Official shall verify the information submitted by the non-residential developer as per the instructions provided in the Form N-RDF. The Tax Assessor shall verify exemptions and prepare estimated and final assessments as per the instructions provided in Form N-RDF.

C. The Construction Official responsible for the issuance of a Construction Permit shall notify the Borough Tax Assessor of the issuance of the first Construction Permit for a development which is subject to a development fee.

D. Within 90 days of receipt of such notification, the Borough Tax Assessor shall prepare an estimate of the equalized assessed value of the development based on the plans filed.

E. The Construction Official responsible for the issuance of a final Certificate of Occupancy shall notify the Borough Tax Assessor of any and all requests for the scheduling of a final inspection on a property which is subject to a development fee.

F. Within 10 business days of a request for the scheduling of a final inspection, the Borough Tax Assessor shall confirm or modify the previously estimated equalized assessed value of the improvements associated with the development; calculate the development fee; and thereafter notify the developer of the amount of the fee.

G. Should the Borough of Alpha fail to determine or notify the developer of the amount of the development fee within 10 business days of the request for final inspection, the developer may estimate the amount due and pay that estimated amount consistent with the dispute process set forth in Subsection b. of Section 37 of P.L. 2008, c.46 (C.40:55D-8.6).

H. Except as provided in Section 5.A.3) hereinabove, fifty percent (50%) of the initially calculated development fee shall be collected at the time of issuance of the Construction Permit. The remaining portion shall be collected at the time of issuance of the Certificate of Occupancy. The developer shall be responsible for paying the difference between the fee calculated at the time of issuance of the Construction Permit and that determined at the time of issuance of the Certificate of Occupancy.

I. Appeal of Development Fees

(1) A developer may challenge residential development fees imposed by filing a challenge with the County Board of Taxation. Pending a review and determination by the Board, collected fees shall be placed in an interest bearing escrow account by the Borough of Alpha. There was also discussion regarding hiring part-time help in the Clerk's office. Mayor Dunwell asked for a proposal from a temp agency but nothing was received in the Clerk's office at this point.
