## BANNOCKBURN BYLINE

Important News Update

Dear Bannockburn Residents & Businesses,

### COVID-19 Update

The State of Illinois is currently in Phase 3, if all continues to go well, we will be in phase 4 on June 26. Please continue to wash your hands, practice social distancing or wear a mask. The Village of Bannockburn website [www.bannockburn.org](http://www.bannockburn.org) will continue to post the most current COVID- 19 information for you to review.

### Allegro Senior Assisted Living Proposal

The proposed plans submitted by the applicant accessible on the Village's website. **Proposed Allegro Senior Assisted Living.**

This project was presented to the Village Board on June 8, 2020. The trustees reviewed the proposal and felt that it has merit. As a result, the project has been referred to the PCZBA for further review. If you have any comments or questions related to the proposal, please email me at [frothing@villageofbannockburn.org](mailto:frothing@villageofbannockburn.org) with the email subject line of "Allegro Senior / Assisted Living".

Over that past 15 weeks, I have written a special weekly update on the COVID-19 virus and other topics of interest to the residents. The Bannockburn Byline has also been published weekly with additional information. Unless there are some urgent breaking news, we will revert to updates on a monthly basis.

Thank you for your cooperation and support during these trying times.

Sincerely,

Bud Rothing  
Bannockburn Village President
