BANNOCKBURN BYLINE

Important News Update

The Village of Bannockburn, along with State, has moved into Phase 4 of Restore Illinois. Many business are open with reduced capacity and other measures in place. Remember to wear a mask covering your nose and mouth, maintain social distance of 6' and wash your hands frequently. All of these safe practices will help to reduce the cases in Lake County.

Village Hall will remain closed, as we monitor the status of local public health trends. Our first priority is to keep our staff, police and community safe. Our staff is working remotely to provide services to the community. We have implemented protocols at Village Hall, as recommended by the Lake County Health Department. Any visitors to Village Hall are required to wear face coverings and maintain a 6' social distance when interacting with staff and police. Our staff and police are available to assist you with questions via email, phone or by appointment. We appreciate your patience during this unprecedented time.

Officer Dave Lemmer and K-9 Odin Retiring!

Dave Lemmer graduated from the Police Training Institute as a certified police Officer in 1978. Dave graduated from Western Illinois University with a Bachelor's Degree in Social Justice in 1984. After a couple short periods with the Peru and Paw Paw Police Departments Dave began his career with the Deerfield Police Department in 1984, retiring in 2005. Dave began his employment with the Bannockburn Police Department as a part-time officer on February 28, 2005. On May 9, 2005 he was sworn in as a full-time officer for the Bannockburn Police Department. Dave was teamed up with K-P Dex from

2010 until 2013, when Dex suddenly passed away. K-9 Odin then partnered with K-9 Odin until they retired together on June 30, 2020. Dave and his K-9 partner's shoes can never be filled here. They will all be greatly missed.

Community Resources

The Lake County Health Department has established a COVID-19 community-based testing site in Waukegan. They are open 8am-4pm (or until 750 tests are completed each day).
