

## Brush Chipping

Any resident that cuts down a tree 6 inches or larger in diameter will be billed for chipping. The cost of the chipping will include the cost of each employee present (Wages and Benefits), and the cost of any equipment used at the State of Wisconsin Rates.

In the instance of storm damage that takes trees or limbs down, Village residents will not be billed for the cost of chipping associated with the storm.

Dated: September 13, 2010

A handwritten signature in black ink, appearing to read 'K P K', written over a horizontal line.

Kevin P. Kowalkowski  
Village President
