January 28, 2014

Hillsborough Township's FREE Rabies Clinic – Rescheduled for Saturday, February 1st, 10am – noon

In an effort to provide a safe environment for both the pet owners and their pets, Township Officials postponed the previously scheduled Free Rabies Clinic, originally scheduled for last Saturday, and it has been rescheduled for this coming Saturday, February 1st, 10am until 12 noon, weather permitting.

Hillsborough Township's Health Department offers the annual rabies clinic for New Jersey cats and dogs, FREE of charge. The rabies clinics are held at the Department of Public Works Facility, located on East Mountain Road. Last weekend, in anticipation of snow and the flurry of activity in and around the garage area of the large vehicles, it was determined that the clinic would need to be postponed.

“Over the years, the Township has hosted over a hundred FREE rabies clinics and this was only the second one canceled in nearly 40 years,” stated Mayor Doug Tomson.

He also urged residents to check in on the Township website or referring to this coming Friday's e-news prior to venturing out to the clinic.

Hillsborough residents are reminded that all Township dogs need to be licensed by February 28th. The dog license application can be obtained in the Finance Office or on the Township website. In applying for a dog license, proof of rabies vaccine valid through October 2014 must be provided with the application.
