Oakland Township Board of Trustees,

It has come to my attention that you have an opening in the planning commission. I have been looking for an opportunity to become more involved in township matters and feel I would be a good candidate. I have many years of experience both participating in and running committees. The following is a list of some of jobs and committees I have been involved with:

- I manage a successful medical practice in Grosse Pointe Woods Michigan
- I have been a district Chairman for several GOP campaigns over the last 8 years
- I successfully headed an effort to change a vaccine reporting law that saved Michigan tax dollars
- I organized a successful meet and greet in Oakland Township
- I ran a chain of health clubs for 10 years from 1982-1992
- I toured the state training practices and giving speeches in Lansing on improving patient care
- I participate every year in river cleanup efforts on the Au Sable River
- I worked on numerous PTA committees in Rochester, and Grosse Pointe

In addition to my experiences above I have committed to myself to never vote for or against proposals which I have not read myself. I have spent many hours over the last 10 year educating myself on various proposals and bills before casting my vote. I feel it is important to look at facts not listen to others interruption. I am willing to take the time to listen objectively, and educate myself on all matters which affect Oakland Township. I love where I live and wish to keep our township a beautiful place to live where people are respectful, helpful yet love their freedom.

Sincerely,

Jeaneane Landers
