Members absent: Scott Harter, Don Harter, Pete Stoller

Call to order: 6:30 pm

NEW BUSINESS

Guiliano-Silva Subdivision
1550 Hilton Parma Road

Mike Ingham was contacted by Dennis Scibetta to do a site visit for this proposed project for a subdivision, single family residence. Mike stated that it appears that there has already been site clearing work started on the project as well as bringing in fill. There are 2 piles of fill already on the site.

There are no EPODs on the site. It was difficult to walk the site as the area was very muddy at the time of the visit. There is a question of a new birm on the south boundary with 6 freshly planted adult pine trees.

On the plans it shows that there will be county water coming from Peck Road.

The Board recommended a Negative Declaration for this project.

The Board was asked to due a site visit for this proposed project. Greg Pacelli will do the site visit and report back to the board at the next meeting.

MISCELLANEOUS

Greg stated that he would like to have the Site Visit form reviewed to add a section for invasive species that may be noted on the site. This will be discussed at a future meeting as there were only 2 members present at this meeting.

Mike stated that this would be his last meeting on the Conservation Board, as he would be leaving this Board to take the vacant seat on the Planning Board.

There being no further business to discuss, the meeting was adjourned at 6:55 pm

Respectfully submitted,
