**NEW BUSINESS**

Verizon Cell Tower 1150  
Clarkson Parma Townline Road

The Board reviewed the proposed plans for a cell tower to be built at 1150 Clarkson Parma Townline Road. Don Harter will do a site visit for this project and report back at the next meeting.

**OLD BUSINESS**

Turner Single family residence  
263 Burritt Road

Greg reviewed with the Board the letter from Monroe County with their recommendations for this project. Greg did the site visit for this proposed project. He stated it is a 29.5 acre plot of land. There are no wet lands or endangered species evident on the property. There does not appear to be any issues with drainage. The EAF form was reviewed.

This is an Agricultural Conservation area. The Board had questions on what would the rest of the acreage be used for after the house was built?

There being no concerning issues on the land, the Board recommended a Negative Declaration for this property.

This information was given to Dennis Scibetta at the Planning Board meeting following this meeting.

There being no further business to discuss, the meeting was adjourned at 6:55 pm

Respectfully submitted,

Diane Brisson
