

State of Wisconsin
County of Brown
Town of Pittsfield

October 21, 2014

An emergency meeting was called by the Town Board of Pittsfield on Tuesday, October 21, 2014, at 6:00 p.m. Present for roll were Chairman Deneys, Supervisor Huetter, Supervisor Tauscher, Engineer, Dean Freeberg and engineers from Brown County. The purpose of the meeting was to discuss needed repairs for the bridge on the north end of Kunesh North Road because it has recently developed a large dip in the road. Upon investigation it was decided the wall of the culvert has shifted off the footing. Soil borings and needed permit applications will begin immediately. Mead and Hunt will work in a cooperative effort with Brown County to get the repairs done as soon as possible, probably to begin about Jan 2015. Brown County will do the replacement of the culvert when a suitable solution is decided upon.

Deneys/Tauscher, motion to keep an 8 ton limit on that portion of Kunesh North until the repairs are completed. Motion carried.

Deneys/Huetter, motion to sign a proposal with Mead & Hunt to provide design engineering services for the above referenced work. Motion carried.

Tauscher/Huetter, motion to adjourn at 6:40 p.m. Motion carried.

Jan Bodart/Clerk
