

MINUTES OF WALLBURG VARIANCE
APPEAL HEARING HELD ON APRIL 2, 1996

(Distributed: 5/10/96)
(Approved: 7/16/96)

Present: President Olcott, Councilmembers Clark, Dill, MacCowatt, Muñoz and Ogden. Also present were Mayor Long, Hughes and Osmun.

Absent and Recused: Councilmember Rosen

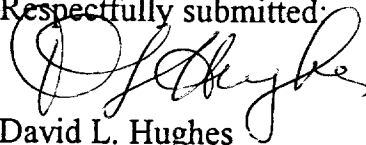

Minutes of this meeting are recorded on Tape #96-15, Section 2999-End, Tape #96-16, Section 0000-2681.

NOTE: With hearings such as these, the electronic recording is all that is done. If transcripts are desired, the current procedure is for the City to provide one and interested parties pay for the number desired.

At this point, there has been no reason for the expense of creating a transcript, but I will do so if one is desired by anyone of you.

For your information, past consideration on appeals has been to change the requirement to have the appellant provide for the transcript, and recent discussion at the Law Committee level, has been to consider not having such appeals come to the Council but go directly to the Superior Court.

Respectfully submitted:

David L. Hughes
City Clerk

Approved: _____

Edward S. Olcott
Common Council President
