CITY OF TWIN OAKS
SERVICES AGREEMENT**

Independent Contractor. The Contractor shall be and operate as an independent contractor in the performance of this Contract. The Contractor shall have complete charge of the personnel engaged in the performance of the Services, and all persons employed by the Contractor shall be employees of said Contractor and not employees of the City in any respect.

Compliance with Laws. The Contractor shall comply with all applicable City ordinances and other laws and regulations, Federal, State, and any political subdivision thereof, including but not limited to, unemployment and workers' compensation, occupational safety, equal employment and affirmative action and wage and price laws insofar as applicable to the performance of the Contract. Specifically, Contractor shall comply with the following state law requirement:

- *Proof of Lawful Presence.* Section 208.009 RSMo., requires that all applicants *at the time of application* for any contract provided by a local government provide "affirmative proof that the applicant is a citizen or a permanent resident of the United States or is lawfully present in the United States." Contractor's affirmative proof must be established through (i) a Missouri driver's license, (ii) any "documentary evidence recognized by the department of revenue when processing an application for a driver's license," or (iii) "any document issued by the federal government that confirms an alien's lawful presence in the United States." §208.009.3.

Subcontracts. The Contractor shall not subcontract any of the Services to be performed by it hereunder without the express written consent of the City. In addition, this Contract shall not be assigned by the Contractor.

Indemnification. To the fullest extent permitted by law, the Contractor agrees to defend with counsel selected by the City, and indemnify and hold harmless the City, its officers, engineers, representatives, agents and employees from and against any and all liabilities, damages, losses, claims or suits, including costs and attorneys' fees, for or on account of any kind of injury to person, bodily or otherwise, or death, or damage to or destruction of property, or any other circumstances, sustained by the City or others, arising from Contractor's breach of the Contract or out of services and operations performed hereunder by the Contractor, including the City's reliance on or use of the services or products provided by the Contractor under the terms of this agreement. The Contractor shall not be liable for any loss or damage attributable solely to the negligence of the City. To the extent required by law to enforce this provision, Contractor agrees that this indemnification requires Contractor to obtain insurance in amounts specified herein and that Contractor has had the opportunity to recover the costs of such insurance in the Compensation set forth in this Agreement.

Insurance. Contractor shall furnish the City the certificates of insurance for workers' compensation, public liability, and property damage, including automobile coverage in the amounts specified by the City in the request for proposals, if any, otherwise in the amounts as acceptable to the City. The policies of insurance shall be in such form and shall be issued by such company or companies as may be satisfactory to the City. The City, and such additional persons and entities as may be deemed to have an exposure to liability as a result of the performance of the Contractor's Services, as determined by the City, shall be named as additional insured and the applicable insurer shall owe the City a duty of defense on all insurance policies required hereunder. The Contractor shall provide an Additional Insured Endorsement to the City that shall be approved by the City prior to commencement of any Services.

Nondisclosure. The Contractor agrees that it will not divulge to third parties without the written consent of the City any information obtained from or through the City in connection with the performance of this Contract. Nothing herein shall preclude disclosure of information by the City.

Changes. No change in this Contract shall be made except in writing prior to the change in the Services or terms being performed. The Contractor shall make any and all changes in the Services without invalidating this Contract when specifically ordered to do so in writing by the City. The Contractor, prior to the commencement of such changed or revised Services, shall submit promptly to the City, a written cost or credit proposal for such revised Services. If the City and Contractor shall not be able to agree as to the amount, either in consideration of time or money to be allowed or deducted, it shall nevertheless be the duty of Contractor, upon written notice from the City, to immediately proceed with such alteration or change, and Contractor shall be compensated the reasonable value of such Services. **No Services or change shall be undertaken or compensated for without prior written authorization from the City.**

Termination. The City shall have the right to terminate the Contract at any time for any reason by giving the Contractor written notice to such effect. The City shall pay to the Contractor in full satisfaction and discharge of all amounts owing to the Contractor under the Contract an amount equal to the cost of all Services performed by the Contractor up to such termination date, less all amounts previously paid to the Contractor on account of the Contract Price. The Contractor shall submit to the City its statement for the aforesaid amount, in such reasonable detail as the City shall request, within thirty (30) days after such date of termination.

The City shall not be liable to the Contractor for any damages on account of such termination for loss of anticipated future profits with respect to the remainder of the Services.

Multi-year contracts; Non-appropriation. Notwithstanding any provision herein to the contrary, the City is obligated only to make the payments set forth in the attached Contract as may lawfully be made from funds budgeted and appropriated for that purpose during the City's then current fiscal year at the discretion of the City. If no funds are appropriated or otherwise made legally available to make the required payments for this Agreement during the next occurring fiscal year (an "Event of Nonappropriation"), this Agreement will terminate at the end of the then current fiscal year as if terminated expressly. The failure or inability of the City to appropriate funds for this Agreement in any subsequent fiscal year shall not be deemed a breach of this Agreement by any party. If applicable, this Agreement may be annually renewed at each fiscal year by inclusion of specific appropriation for this Agreement, from year to year not to exceed the maximum renewal period or term as set forth in the Agreement.

Accounting. During the period of this Contract, the Contractor shall maintain books of accounts of its expenses and charges in connection with this Contract in accordance with generally accepted accounting principles and practices. The City shall at reasonable times have access to these books and accounts to the extent required to verify all invoices submitted hereunder by the Contractor.

Other Contractors. The City reserves the right to employ other Contractors in connection with the Services.

Proposals/Conflicts. If the City issued a written request for proposals in connection with the Services or orally asked for a proposal, such request for proposals and the proposal of the Contractor in response thereto are incorporated herein by reference and made a part of this Contract. In case of any conflicts between the terms of the Contractor's proposal and the executed Contractor/Services Contract (including these General Conditions), the requirements of this executed Contractor/Professional Services Contract shall control and supersede the Contractor's proposal unless a change thereto is specifically stated in this Contract.

Project Records and Work Product. The Contractor shall provide the City with copies of all documents pertinent to the Services which shall include, without limitation, reports, correspondence, meeting minutes, and originals of all deliverables. The City shall own all right, title and interest, including without limitations, all copyrights and intellectual property rights, to all documents and Work Product of the Contractor created in performance of or relating to this Contract. Contractor agrees to take all steps reasonably requested by the City to evidence, maintain, and defend the City's ownership rights in the Work Product.

Site Operations. Where appropriate, the City will arrange for right of entry to any property at the request of the Contractor for the purpose of performing studies, tests and evaluations in connection with the Services.

Personnel. The Services shall be performed exclusively by the personnel of the Contractor identified in the Contractor's proposal and no other personnel of the Contractor shall perform any of the Services without the express written approval of the City.

Representations. Contractor agrees that it has not relied on any representations or warranties of the City, oral or written, other than expressly identified in this Contract. The parties agree the Contract represents the entire agreement between the parties.

Governing/Choice of Law. This Agreement shall be governed by and construed and interpreted in accordance with the internal laws of the State of Missouri, without regard to its principles of conflict of laws.
