Insurance. Contractor shall furnish the City the certificates of insurance for workers' compensation, public liability, and property damage, including automobile coverage in the amounts specified by the City in the request for proposals, if any, otherwise in the amounts as acceptable to the City. The Contractor shall submit to the City its statement for the aforesaid amount, in such reasonable detail as the City shall request, within thirty (30) days after such date of termination. Proposals. If the City issued a written request for proposals in connection with the Services or orally asked for a proposal, such request for proposals and the proposal of the Contractor in response thereto are incorporated herein by reference and made a part of this Contract. In case of any conflicts between the terms of the Contractor's proposal and the executed Contractor/Services Contract (including these General Conditions) or the City's request for proposal, the requirements of the City's request for proposal and this executed Contractor/Professional Services Contract shall control and supersede the Contractor's proposal unless a change thereto is specifically stated in this Contract.
