

MINUTES OF PUBLIC HEARING ON PROGRAM PROPOSALS FOR BUSINESS
INVESTMENT TAX CREDITS PURSUANT TO THE STATE OF CONNECTICUT,
P.A. #82-469

August 2, 1994

Council Chambers

1289

President Sandy F. Klebanoff called the hearing to order at
7:54 p.m.

Present were Councilors Robert Bouvier, Owen Eagan, Sandy F.
Klebanoff, Charles R. Matties, Patrick McCabe, Madeline S.
McKernan, Larry Price, Andy Schatz and Alfred Turco.

President Klebanoff: Mr. Feldman.

Barry M. Feldman, Town Manager: Madam Mayor, just by way of
background, very quickly, yearly the Town Council holds a
public hearing on the Connecticut neighborhood assistance
act. The effort of course is to encourage private business
to support non profit and/or public agencies as they
undertake their particular mission. I have in front of me
one request from I.E.C., the Intensive Education Center and
I believe that has been placed on your desk to help in their
renovation project. I believe our own Leisure Services
Department had also made a request if there were any private
businesses or companies that would like to support some of
the things that they are undertaking. Those are the only
ones that I'm aware of unless there are others that have
since been provided to you. The public hearing is to hear
from anybody I assume that would like to participate.

President Klebanoff: Since no one has signed up to address
us on this one, is there anyone here who would like to
address the Council on this public hearing? If not,
questions from the Council? We will close this public
hearing.

The hearing adjourned at 7:56 p.m.
