

RESOLUTION 2013-6

WHEREAS, The Commonwealth thru Act 129 has directed PECO Energy to convert its meters to the "Smart Meter" technology, and

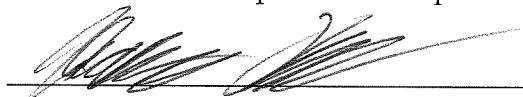

WHEREAS, When used the "Smart Meter" has had a dubious safety record, and

WHEREAS, The legislature of the Commonwealth has considered in the past, and is considering in the present a "public opt out" which would allow individual property owners to choose not to have a "Smart Meter" installed at their property

NOW, THEREFORE, The Board of Supervisors of Westtown Township, Chester County, resolves to support legislation to mandate the "public opt out" option related to the installation of "Smart Meters."

Resolved this 18th day of March, 2013.
