

RESOLUTION 2005-4

DESIGNATION OF THE NATIONAL INCIDENT MANAGEMENT SYSTEM (NIMS) AS THE BASIS FOR ALL INCIDENT MANGEMENT IN THE TOWNSHIP OF WESTTOWN, CHESTER COUNTY

WHEREAS, the President in Homeland Security Directive (HSPD-5), directed the Secretary of the Department of Homeland Security to develop and administer a National Incident Management System (NIMS), which would provide a consistent nationwide approach for Federal, State, local and tribal governments to work together more effectively and efficiently to prevent, prepare for, respond to and recover from domestic incidents, regardless of cause, size or complexity;

WHEREAS, the collective input and guidance from all Federal, State, local and tribal homeland security partners has been, and will continue to be, vital to the development, effective implementation and utilization of a comprehensive NIMS;

WHEREAS, it is necessary and desirable that all Federal, State, local and tribal emergency agencies and personnel coordinate their efforts to effectively and efficiently provide the highest levels of incident management;

WHEREAS, to facilitate the most efficient and effective incident management it is critical that Federal, State, local, and tribal organizations utilize standardized terminology, standardized organizational structures, interoperable communications, consolidated action plans, unified command structures, uniform personnel qualification stands, uniform standards for planning, training, and exercising, comprehensive resource management, and designated incident facilities during emergencies or disasters;

WHEREAS, the NIMS standardized procedures for managing personnel, communications, facilities and resources will improve the Township of Westtown's ability to utilize federal funding to enhance local and state agency readiness, maintain first responder safety, and streamline incident management processes.

WHEREAS, the Incident Command System components of NIMS are already an integral part of various incident management activities throughout the Township of Westtown, including current emergency management training programs; and

WHEREAS, the National Commission on Terrorist Attacks (9-11 Commission) recommended adoption of a standardized Incident Command System;

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors, of the Township of Westtown, County of Chester, Commonwealth of Pennsylvania that the National Incident Management System (NIMS) is designated as the Township of Westtown standard for incident management.

Enacted this 7th day of February, 2005
